

9 May 2016

Dear Friend,

Relay For Life Penang – Fighting Cancer Together 2016

I am indeed very happy to inform you that Relay For Life Penang – Fighting Cancer Together is being organised again this year for the 12th consecutive year. This relay has two primary aims - raising cancer awareness and raising funds for cancer patient support. Those who have taken part in our past relays as survivors would testify that the relays have been very meaningful as they served to inform the public that there are many people who have won the fight against cancer.

Registration for survivors is **free**. I cordially invite you to register on or before **30 June 2016**. Your presence, along with other survivors will be testimony that there is hope for those with cancer.

The details in this celebration of cancer survivors are as follows:

Date:	Saturday 23 July 2016	
Place:	Taman Perbandaran Pulau Pinang (Youth Park)	
Time:	2.00pm:	Entertainment in relay grounds begins
	4.00pm – 5.30pm:	Checking-in at survivors' tent (Checking-in after 5.30pm will not be entertained. Please leave for Youth Park early to avoid the usual massive jams of that day)
	6.00pm:	Relay begins Survivors' lap round the track Track open to all participants
	8.00pm:	Luminaria ceremony

Relay continues till 10.00am, Sunday 24 July 2016

The walk itself will be just one lap of the track (about 300 meters). We welcome your family and friends to walk along with you. In appreciation of your participation you will be given a special T-shirt and a certificate when you check in. Kindly register your participation early, the latest by **30 June 2016**. **Registration forms received after 30 June 2016 / incomplete forms / forms without participant's signature will not be considered.**

We do hope that you can stay back after the walk and take part or witness all the other activities that will take place over these two days – entertainment, exhibition, music, games and, of course, Malaysian food! We would greatly appreciate if you would share this information with fellow cancer survivors who may want to take part. Photocopies of the registration form will be accepted.

Thank you and we look forward to meeting you at the RELAY.

Yours sincerely,

Mui Siew Koon
