## SEPARATION NOTICES

---

Rule 0560-1-1-.02 of the Rules and Regulations of the Tennessee Employment Security Law, requires all employers to furnish each separated employee with a Separation Notice, LB-0489, within 24 hours of the employee's separation from employment.

Separation Notices do not have to be given to any employee who has been in your employ for less than a week or who will be recalled within seven days.

Separation Notices reduce the administrative costs of processing an unemployment insurance claim and helps make a more accurate determination of the claimant's eligibility for benefits.

Please complete the Separation Notice in its entirety.

### ***Item 5***

Check the appropriate block as to the reason the worker is separated. If the separation was for any reason other than lack of work, give a clear explanation for the separation on the lines provided. Please indicate whether the separation is permanent or temporary, and, if temporary, when you expect to recall the worker.

### ***Item 6***

If you paid wages beyond the separation date, indicate the beginning and ending date of the payments.

If you paid wages, equal to the worker's usual wages, in lieu of permitting the worker to work during the notice period, check the block beside "Wages in Lieu of Notice."

If you paid the worker severance or separation pay based, at least in part, on the worker's length of service, check the block beside "Separation Pay."

If you paid vacation pay, it will be important to have indicated the anticipated duration of unemployment, permanent or temporary, in **Item 5**. If temporary, the expected recall date is important.
