Estate Tax Return Payment

To pay by check

Complete and attach the PV47 payment voucher if you're filing Form M706 and paying the estate tax due by check.

To pay electronically

Do not use the attached voucher.

- To pay by Internet, go to our website at www.taxes.state.mn.us and click on the e-FILE Minnesota logo. Enter the decedent's Social Security number and follow the prompts for individuals to make an estate tax return payment. You'll need the decedent's last name, date of birth, date of death and your bank routing and account numbers.
- To pay by phone, call 1-800-570-3329.
 You'll need the same information for phone payments as you do for payments over the Internet.

To be timely, complete your transaction and receive a confirmation number on or before the due date of that payment. You may also set up payments—up to 13 months in advance—when you pay electronically.

Cut carefully along this line to detach.
