E T 7.5mm-9mm (2)		Syringes 2.5 to 6cc (3)		Dual Lumen Airway Device (1)
IV Normal Saline		Syringes 10-20cc (2)		CO2 Monitoring Equipment (1)

Comments: _____

I, the undersigned representative of the above referenced service, acknowledge receipt of a copy of this inspection form and understand that it is my responsibility to bring it to the immediate attention of the service owner or manager. I have been made aware of the noted deficiencies (if any exist) and understand that they must be corrected within ten days of the date of this report and that it is the responsibility of the service to notify the Office of EMS and Trauma, Standards and Enforcement Branch, in writing, of the date on which the deficiencies were corrected. I realize that failure to promptly correct these deficiencies may subject the service and its authorized representatives to corrective action and penalties as set forth in Chapter 18, Section 22-18-6, et. seq., Code of Alabama, 1975, and the Office of EMS and Trauma Rules.
