Highlights for 2008

Tax Rate Decrease. This year's tax rate has been reduced by 4.2%.

Exemption Increase. The personal and dependent exemption has been increased to \$1,500.

Ohio Medical Savings Account. The contribution deduction has been increased to \$4,048.

Deduction for Military Retirement Income. This income is not subject to tax. See page 24.

Credit for Retail Dealers That Sell Alternative Fuels. Service stations that sell alternative fuels are eligible for a nonrefundable credit. See Schedule E, which is available at **tax.ohio.gov.** Dear Ohio Tapxayer,

The Ohio Department of Taxation has continued to phase in a package of tax reforms enacted by the Ohio General Assembly in 2005. As part of these reforms, income tax rates were reduced again last year, and this tax relief will be reflected in your 2008 income tax return.

Gov. Ted Strickland supports these reforms, and he has also urged state government to live within its means by finding innovative ways to keep costs down. With that in mind, I invite you to help state government stretch your tax dollars a little further by joining the majority of Ohioans who file their tax returns electronically each year.

Electronic filing can directly beneift you by making an income tax refund available more quickly – usually within five to seven business days by direct deposit. Electronic filing also helps us trim our processing expenses by as much as \$2 for each return. And if you think about it, the tax dollars saved are really your own.

The Department of Taxation now offers four different ways to file a return electronically:

- Ohio I-File, a free, interactive way to file online from your personal computer. If you hate forms, I-File may be for you. It's available on our Web site at **tax.ohio.gov.**
- Ohio eForms, a new way to fill out and submit your tax forms online, much as you would on paper. eForms will even do most of the math for you and it's free. For more information, visit our Web site at **tax.ohio.gov.**
- The IRS e-file program, which allows returns to be filed electroncially using an approved software program or through an authorized tax professional.
- TeleFile. If you received a TeleFile booklet, you may use your telephone to file.

If you need assistance, please visit our Web site at **tax.ohio.gov** for help anytime. You can check the status of your refund, fill out forms, e-mail us your questions and find other helpfful information.

Sincerely, ichord a. Levin

Richard A. Levin Ohio Tax Commissioner

AVOID THESE!

The most common errors on last year's income tax returns:

😕 Failure to sign tax returns.

- Failure to correct your address. If you use a tax preparer to file your return electronically, make sure that your current address is on file with the preparer. It may be necessary for your preparer to update your mailing address on your return if you have moved since last year's filing. This update prevents your refund from being returned to us as "undeliverable."
- Failure to complete line items on Schedule A, B, C or D if you have adjustments or credits. Be sure to fill in the TOTAL line for these schedules and send in <u>all</u> pages of the return. Please do not send in page 3 of Ohio form IT 1040 if line 2 is -0- and do not send in page 4 if lines 7 and 13 are both -0-.
- 😕 Failure to correctly calculate your Ohio use tax.
- 😕 Failure to include W-2s with tax returns.
- 😕 Failure to indicate the school district number on tax returns.

These errors may delay our processing of your tax return. Please review your return before filing and read our instructions carefully.

Go paperless this year!

File Electronically → Pay Electronically → Receive Your Refund Electronically

Ohio I-File

Use your computer to file your Ohio individual and school district income tax returns.

Ohio I-File guides you through a series of questions and information requests. Based upon the information you provide, I-File computes your refund or balance due and electronically submits the tax information. I-File provides you with a transcript of the tax information you submitted and gives you a filing confirmation number. **Using this service is free.**

Most electronic filers receive their refunds in 5-7 business days by direct deposit!

Ohio eForms

Use your computer to fill out your return electronically.

Ohio eForms will display on your computer screen an Ohio income tax return form. You fill in the lines on the return that apply to you. eForms does most of the math calculations and figures the tax for you. After you fill in the eForm return, either file your return electronically or print and mail us your return. If you file electronically, Ohio eForms will provide you with a filing confirmation number. **Use Ohio eForms – it's free!**

IRS e-file

Use your tax software or ask your tax preparer.

IRS e-file is a way to file your return electronically with the IRS and Ohio. You can prepare your own return and e-file it through an approved software program that you purchased or you can have your return prepared and transmitted by an authorized tax professional. Depending on the tax professional and the specific services requested, **a fee may be charged.** More information, including a free e-filing program for qualified individuals, is available at **www.irs.gov.**

Ohio TeleFile

If you received an Ohio TeleFile booklet in the mail, you may qualify to TeleFile your return. See your TeleFile booklet for more information. Fill out the simple TeleFile worksheet. Then use a touch-tone phone to call toll-free 1-800-697-0440 to file your return. You may call anytime – our TeleFile lines are available 24 hours a day, seven days a week. If you did not receive a TeleFile return in the mail, you **cannot** TeleFile this year.

✓ Pay by Electronic Check or Credit Card

Why not eliminate writing a check if you have tax due? Simply make your payment by using an **electronic check**. You can use this option to pay your tax due for your 2008 Ohio income tax return. You can also use an **electronic check** to file and pay your 2009 estimated income tax, Ohio form IT 1040ES. Find out how on pages 5 or 43.

M Direct Deposit Your Refund

Speed up your refund by taking advantage of the **direct deposit refund** option this year. This option is available only to taxpayers who file using one of the four electronic filing options listed above. **It is not available for paper-filed returns.** If you use the direct deposit refund option, we will deposit your refund directly into your checking or savings account. Direct deposit is the fastest way to a speedy refund.

We Need YOUR Opinion!

The Ohio Department of Taxation is working hard to simplify the tax filing process for Ohio's taxpayers, but we can't do it alone. Your suggestions can make a difference and will assist us in improving our services to you, the state's taxpayers. To answer five simple questions:

- Call 1-800-925-0377 or
- Visit the Department of Taxation's Web site at **tax.ohio.gov**, click on "Contact Us" in the upper right and scroll down to the Income Tax Survey.

Your suggestions will let us know what you are thinking and help us meet your needs. We appreciate your time and assistance.

Payment Options

Several options are available for paying your Ohio income tax. Use any one of the following three methods:

Credit Card (see pages 6 or 44 of these instructions)

Electronic Check

By using the expanded electronic check payment option that is available to all taxpayers, you can eliminate writing a check for your 2008 Ohio individual income tax due amount. If you choose to make payment using an electronic check, it is the equivalent of using a debit card to withdraw money directly from your checking or savings account to pay the balance of the tax you owe.

The authorized amount will be withdrawn from your account within 24 hours unless you elect to delay payment. You can delay payment up until the payment deadline of April 15, 2009. Regardless of the date you choose, you must make sure that the money is in your account and available at that time.

When paying by electronic check, you must first determine your filing method:

- TeleFile Follow the payment instruction prompts that you receive during TeleFile (see line 12, page Tel-7 of the TeleFile worksheet).
- Ohio I-File and eForms Follow the payment instruction prompts that you receive during Ohio I-File and Ohio eForms.
- IRS e-file If you are electronically filing your Ohio individual income tax return using an approved software program, just follow the payment prompts for making payments by electronic check. If you are using a tax preparer to file your return electronically, the preparer will tell you how to pay using an electronic check.

Paper Filing – If you're filing by paper (Ohio form IT 1040 or IT 1040EZ) you can still use the electronic check payment option. Go to our Web site at tax.ohio.gov and click on the "Make a Payment" link in the left-hand column.

You may also use the electronic check payment option to <u>file</u> and <u>pay</u> your quarterly 2009 estimated income tax. Go to our Web site at tax.ohio.gov and click on the "Make a Payment" link in the left-hand column. Using this method of payment for your quarterly estimate eliminates the need to file a paper copy of Ohio form IT 1040ES.

Paper Check or Money Order

If you do not want to use a credit card or electronic check to make your payment, you may send in a personal check or money order with payment voucher IT 40P, below. Please provide the following:

- a) Print your full name and address on the lines provided and write the first three letters of your last name in the boxes to the right of your name;
- b) Write your Social Security number(s) in the boxes provided on the right side of form IT 40P;
- c) Write the dollar amount of your personal check or money order in the appropriate box;
- d) Make your personal check or money order payable to Ohio Treasurer Richard Cordray;
- e) Write your Social Security number(s) and taxable year on your personal check or money order;
- f) Do <u>not</u> attach your payment to Ohio form IT 40P. Instead, put them loose in an envelope.

Mail **only** your paper check and Ohio form IT 40P, below, on or before April 15, 2009 to: Ohio Department of Taxation, P.O. Box 182131, Columbus, OH 43218-2131.

We strongly encourage you to file and pay electronically. However, if you pay by paper check or money order you <u>must</u> complete and mail in Ohio form IT 40P with your payment.

Please detach here. You must use the Ohio IT 40P payment voucher if you use a paper check or money order to pay your tax due.

General Information for Ohio Forms IT 1040 and IT 1040EZ

Who Must File an Ohio Income Tax Return?

Every Ohio resident and every part-year resident (see page 10 for a discussion of "residency") is subject to the Ohio income tax. Every nonresident having Ohio-sourced income must also file. Examples of Ohio-sourced income include the following:

- Wages earned in Ohio (Note: See "Exception," below);
- Ohio lottery winnings;
- Income or gain from Ohio property;
- Income or gain from a sole proprietorship doing business in Ohio; AND
- Income or gain from a pass-through entity doing business in Ohio.

Exception. A full-year nonresident living in a border state does not have to file if the nonresident's only Ohio-sourced income is wages received from an unrelated employer.

You do not have to file an Ohio return if ...

- you are single, 65 or older AND your federal adjusted gross income is less than or equal to \$11,500 AND you have no Schedule A adjustments.
- you are married, filing jointly, age 65 or older AND your federal adjusted gross income is less than or equal to \$13,000 AND you have no Schedule A adjustments.
- your only source of income is retirement income that is eligible for the retirement income credit (line 48) AND the credit is the same or larger than your tax before credits (line 6).
- your exemption amount (line 4) is the same as or more than your Ohio adjusted gross income (line 3).

When Do I Have to File?

For calendar year 2008 most taxpayers must file on or before April 15, 2009 (for exceptions, see "What if I Need More Time To File?" and "Military Personnel Stationed Outside Ohio" on page 8). Returns for other tax periods are due on the 15th day of the fourth month following the close of your taxable year.

What Tax Records Do I Need to Keep?

Keep a copy of your completed income tax return. Also keep copies of any documents you used to prepare your return. Keep these records for at least four years from the later of the filing due date or the date you filed the return. The Ohio Department of Taxation may audit your tax return. If so, you must be able to prove all claims and items listed on your return.

Can Dependent Children Claim Themselves if They File Their Own Tax Return?

Yes! Ohio law differs from federal law. Ohio law permits dependents who are claimed on their parents' tax return to claim themselves on their own tax return.

What if I Want a Receipt to Prove That I Paid?

Your cancelled check or credit card statement may be used as proof of our receipt of your tax payment. If you make payment with a money order, be sure to keep a copy for your records.

How Should Investors in a Pass-Through Entity Report Income?

A pass-through entity is a partnership, S corporation or limited liability company treated as a partnership or an S corporation for federal income tax purposes. Unless the exception, below, applies, each investor in any pass-through entity doing business in Ohio must file Ohio form IT 1040.

Exception: Such investors do not have to file Ohio form IT 1040 if ALL of the following apply:

- the investor is a full-year nonresident; AND
- the pass-through entity files Ohio form IT 4708, annual composite income tax return, on behalf of the investor; AND
- the investor has no other Ohio-sourced income or, if the investor has other Ohio-sourced income, that income is also reported on another Ohio form IT 4708.

How Should Full-Year Nonresidents and Part-Year Residents Engaged in Business in Ohio Apportion Income?

Each full-year nonresident and each part-year resident who is engaged in business (as a sole proprietor or through a partner-

ship, S corporation or limited liability company) in Ohio must apportion his/her business income inside and outside of Ohio. If you file Ohio form IT 1040, use Ohio form IT 2023 (income allocation and apportionment worksheet) to determine the proper amount of credit to claim in Schedule D of Ohio form IT 1040. See page 10 for an explanation of "residency."

What if a Taxpayer Is Deceased?

If the taxpayer dies before filing the return, the taxpayer's personal representative has to file and sign the return on behalf of the taxpayer who died. A personal representative can be the executor, administrator or anyone who is in charge of the deceased taxpayer's property.

Important:

- Use the same filing status as shown on the IRS income tax return.
- Check the "Deceased" box after the applicable Social Security number on page 1 of the return.

We cannot rewrite a decedent's refund check by making it payable to the estate of the decedent or adding an executor's name.

What if I Need More Time to File?

You must first qualify for an IRS extension of time to file. Ohio does not have an Ohio extension request form but honors the IRS extension. You should include with the Ohio income tax return a copy of your IRS extension or your extension confirmation number or a printed copy of the IRS acknowledgment. An extension of time to file does not extend the time for payment of the tax due. **So, except as set forth below,** you must make extension payments by April 15, 2009 on Ohio form IT 40P (see pages 5 or 43 of these instructions). Interest will accrue on any tax not paid by April 15, 2009, and penalties also may apply.

Exception: Certain military personnel may have an additional extension of time to file <u>and</u> to pay (see "Military Personnel Stationed Outside Ohio," at right).

Do I Owe Penalties and Interest?

A failure-to-**file** penalty, the greater of \$50 per month up to a maximum of \$500, or 5% per month up to a maximum of 50% of the tax, may be charged if you fail to file your Ohio income tax return by the due date or the extended due date.

A failure-to-**pay** penalty of double the interest charged generally will apply if you do not **pay** the tax by April 15, 2009. However, this penalty does not apply if (i) you obtained an IRS extension of time to file, (ii) your total payments made by April 15, 2009 equal or exceed 90% of your total Ohio tax (make any required payments electronically via our Web site at **tax.ohio.gov** or use Ohio form IT 40P on pages 5 or 43 of these instructions) and (iii) you pay the balance due by the extended due date (make any required payments electronically via our Web site or use another Ohio form IT 40P, also available on our Web site).

An additional \$50 bad-check charge may be imposed against any taxpayer whose payment is dishonored by the bank.

Except for certain military servicemembers (see "Military Personnel Stationed Outside Ohio" at right), interest will be applied from the date the tax should have been paid (April 15, 2009) until the date of payment. The interest rate for 2009 is 5%. Penalties also may apply.

How Do I Round to the Nearest Dollar?

You are required to round to the nearest whole dollar. To do so, drop any cents less than 50 cents and increase amounts from 50 cents to 99 cents to the next highest dollar.

What if I Need to Correct My Income Tax Return After I File?

You can make any change or correction to your return by filing an amended Ohio income tax return (Ohio form IT 1040X). Use this form to amend your 2008 Ohio form IT 1040 or IT 1040EZ (you can get Ohio form IT 1040X from our Web site at **tax.ohio.gov** or by calling 1-800-282-1782).

If you correct your IRS income tax return for 2008 or you are audited by the IRS, you must amend and file your Ohio income tax return within 60 days of the final determination of the IRS change.

The IRS informs us of all changes it makes to your IRS income tax return. To avoid penalties, be sure to file your Ohio amended return within 60 days of the final determination of the IRS change.

Should I Make Estimated Tax Payments in 2009?

Estimated tax is the method used to pay tax on income when your withholding and credits do not cover your tax liability. You <u>must</u> pay estimated tax if you expect your 2009 tax to be more than \$500 after subtracting your withholding and credits. Common examples of income sources that make quarterly estimated payments necessary are self-employment income, pensions, commissions, lump sum payments, capital gains, dividends, interest, alimony or other sources of income not subject to withholding.

If you estimate that you will owe more than \$500 in tax for 2009 (after subtracting your estimated withholding and credits), then you should make quarterly estimated payments either on Ohio form IT 1040ES or by filing and paying electronically (see pages 5 or 43 of these instructions).

If you are required to make estimated payments and do not, you may be subject to an interest penalty on your underpayment of estimated taxes. Use Ohio form IT/SD 2210 (see **tax.ohio.gov**) to calculate the interest penalty on your underpayment amount.

2009 Estimated Tax Payment Due Dates

1st quarter – April 15, 2009 2nd quarter – June 15, 2009 3rd quarter – Sept. 15, 2009 4th quarter – Jan. 15, 2010

TIP – If you don't want to make estimated payments, increase the amount of Ohio tax your employer withholds from your wages. To do this, file a revised Ohio form IT 4 (Employee's Withholding Exemption Certificate found at **tax.ohio.gov**) with your employer.

Military Personnel Stationed Outside Ohio

For detailed information, visit our Web site at **tax.ohio.gov** and see our 2008 information release IT 2008-02 entitled "Military Taxpayer Guide to Taxable Income and Deductions."

If you were an Ohio resident during taxable year 2008, active duty military pay that you received while you were stationed outside Ohio is not taxed. See line 37 instructions on page 21.

You can also calculate a resident tax credit if your nonmilitary pay was taxed by another state. See Schedule C instructions on page 26.

If you were not an Ohio resident, Ohio does not tax your military pay (see line 36 instructions on page 20). However, Ohio does tax your nonmilitary pay included in your federal adjusted gross income if the nonmilitary pay was earned in Ohio (see Schedule D instructions on page 27).

Income from nonmilitary Ohio employment and Ohio profits and gains from Ohio rental property are examples of income taxed by Ohio. If you are unsure of your state of residency, see "Ohio Residency Status" on page 10.

Each taxpayer who is (i) either a member of the National Guard or a reserve component of the armed forces of the United States, (ii) called to active duty pursuant to an executive order issued by the president of the United States or an act of Congress of the United States and (iii) eligible for a federal extension of time to file his/her IRS income tax return automatically receives an extension of time to file the Ohio income tax return <u>and</u> to pay the Ohio income tax. The Ohio extension is for the same length of time as the federal extension. During the extension period, these taxpayers do <u>not</u> have to pay any interest, interest penalty or penalty on any tax due.

Do I Have to File a School District Income Tax Form?

Many Ohio school districts have an additional income tax. These school districts are marked with an asterisk (*) on pages 38-42 in this booklet. If during 2008 you were a full-year or part-year Ohio domiliciary and you either lived in or were domiciled in one of these districts during all or part of the year, then by the due date for filing your Ohio income tax return you must also file an Ohio form SD 100, School District Income Tax Return, with the Ohio Department of Taxation. You can electronically file your school district return, or you can get Ohio form SD 100 from our Web site at tax.ohio.gov, from your local school board office or by calling toll-free 1-800-282-1782.

What Is a Medical Savings Account and What Are the Qualifications?

A medical savings account is used to pay eligible medical expenses of the account-holder or the account-holder's spouse and/or the account-holder's dependents. A medical savings account can be opened by or on behalf of a person that participates in a sickness and accident plan, a plan offered by a health maintenance organization or a self-funded, employer-sponsored health-benefit plan pursuant to the federal *Employee Retirement Income Security Act.*

You must designate an administrator for the medical savings account at the time you open the account. Account-holders are generally permitted to withdraw the funds at any time for any reason. However, **account administrators may not return any funds deposited during the year of deposit except for reimbursement of eligible medical expenses.** Any withdrawals for a nonqualifying medical purpose may result in increased Ohio taxes. An "eligible medical expense" includes any expense for a service rendered by or for an article, device or drug prescribed by a licensed health care provider or provided by a Christian Science practitioner. See line 44 instructions on page 23 for a more detailed explanation.

Do Both Nonresident, Married Filing Jointly Taxpayers Have to Sign the Return?

General Rule: If your filing status on your IRS income tax return is married filing jointly and the exception discussed below does <u>not</u> apply, then <u>both</u> spouses must sign the Ohio income tax return (please see "Filing Status" on page 11 of these instructions for more information about your filing status for your Ohio income tax return).

Exception to the General Rule: Your spouse does not have to sign a married filing jointly return **only if** all three of the following apply:

- Your spouse resided outside Ohio for the entire year; AND
- Your spouse did not earn any income in Ohio; AND
- Your spouse did not receive any income in Ohio.

See Ohio Administrative Code (Ohio Rule) 5703-7-18, which is available through our Web site at **tax.ohio.gov.**

Does Ohio Follow the Alternative Preparer Signature Procedures?

The Ohio Department of Taxation follows IRS Notice 2004-54, which provides for alternative preparer signature procedures for IRS income tax paper returns that paid practitioners prepare on behalf of their clients. Except as set forth below, paid preparers must follow those same procedures with respect to the following Ohio paper returns: individual income tax, school district income tax, withholding tax (employer and pass-through entity) and corporation franchise tax. See Ohio Revised Code sections 5703.262(B) and 5747.08(F).

Exception: The paid preparer should <u>print</u> (rather than write) his/ her name on the form if the taxpayer checks "Yes" to the question, "Do you authorize your preparer to contact us regarding this return?"

Can My Tax Preparer Contact the Tax Department About My Tax Return?

Yes. Just check the "Yes" box below your tax preparer's name on the bottom of page 2 on Ohio form IT 1040EZ or IT 1040. By checking the "Yes" box, you are authorizing your preparer to contact the Ohio Department of Taxation concerning questions that arise during the processing of your Ohio income tax return.

Checking "Yes" also authorizes your preparer to provide the department with information that is missing from the return, to contact the department for information about the processing of the return or the status of your refund or payments, and to respond to mathematical error notices, offsets and return preparation notices that you have received from the department and have shown your preparer.

Completing the Top Portion of Ohio Form IT 1040 and IT 1040EZ

Filling Out Your Income Tax Return

Ohio form IT 1040 and IT 1040EZ have been designed for electronic scanning, which allows for faster processing with fewer errors. In order to avoid unnecessary delays caused by manual processing, taxpayers should use the following guidelines:

- 1. Use black ink ONLY.
- 2. Use this form **ONLY** for the taxable year **2008**.
- 3. Round numbers to the nearest dollar. Do not print over the preprinted zeros in the boxes on the far right, which designate cents (.00).
- 4. Print your numbers and letters (**UPPERCASE** only) inside the boxes as shown below:

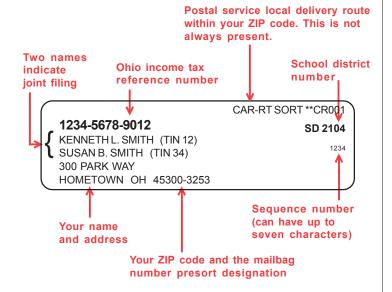

If the boxes don't appear on your return, do $\underline{\textbf{not}}$ hand-draw the boxes.

Name(s), Address and Social Security Number(s). If you received a preprinted label with your Ohio form IT 1040/IT 1040EZ booklet, please read the instructions, below. If your label is lost or damaged, enter your name, address and Social Security number(s) on your return (if married filing jointly, please also enter your spouse's Social Security number).

Your Mailing Label – What Does It Mean?

Why Use the Label? The mailing label on the front of the instruction booklet is designed to speed processing at our service center and prevent errors that delay refund checks. Do not place the label on your return until you have finished completing all of the lines of your return.

In addition to your name, address and Ohio income tax reference number, the label contains other postal information. The illustration below shows you where these items appear.

Did You Receive a Label With the Correct Information?

YES...If you are using either computer software or our electronic fill-in forms (found on our Web site at **tax.ohio.gov**) to prepare your Ohio income tax return, please <u>do not</u> use the label.

If you are manually preparing your Ohio income tax return, take the label off the back of the tax booklet and place it on the "Name" space on the return. **However, if the label shows each spouse's name but you are filing separate returns,** <u>do not</u> use the label.

Note: You must fill in your Social Security number(s) in the space(s) provided.

NO...If you received a label with incorrect information, do not use the label. Print your name, address and Social Security number in the spaces provided. If this is a joint return, print both names and Social Security numbers in the spaces provided.

If you didn't receive a label, please print your name, address and Social Security number in the spaces provided. If this is a joint return, print both names and Social Security numbers in the spaces provided.

County

If your home address is an Ohio home address, indicate on page 1 of the return the county for that address. Otherwise, leave this line blank.

Ohio Residency Status

If your filing status is married filing jointly, each spouse must indicate his/her residency.

- **Resident.** Mark this box if you were a resident of Ohio all year. If you were away temporarily, you were a full-year resident of Ohio.
- Nonresident. Mark this box if you resided outside of Ohio all year. Write the two-letter abbreviation of the state where you resided for 2008 in the space provided. For more information, please see our personal income tax information release entitled "Residency Guidelines," which is available on our Web site at tax.ohio.gov.

Nonresidents who earn and receive all income outside of Ohio will not have an Ohio tax liability. Nonresidents who earn or receive some income within Ohio will be able to claim the nonresident credit with respect to all items of income not earned and not received in Ohio.

• **Part-year Resident.** Mark this box if you permanently moved into or out of Ohio during 2008, not counting being away temporarily.

Part-year residents should use the nonresident/ part-year resident credit in Schedule D for income earned while they were a resident of another state (see page 27 of these instructions). What if I Am in the Military? Military personnel who are stationed outside Ohio and who are claiming to have a home of record outside Ohio must file by June 1, 2009 the Ohio form ITDA-M, Affidavit of Non-Ohio Domicile for Taxable Year 2008 – Military. The affidavit form is available on our Web site at tax.ohio.gov. If Ohio income tax was mistakenly withheld, you must submit form DD 2058 or its equivalent to the applicable military authorities to change your military state of residence.

Filing Status

Your filing status must be the same as your IRS income tax filing status for 2008 with the following exception: If you marked the box labeled "qualifying widow(er) with dependent child" on your IRS income tax return, then mark the "single or head of household or qualifying widow(er)" box on your Ohio income tax return.

If you and your spouse filed a joint IRS income tax return, you <u>MUST</u> file a joint Ohio income tax return. Even if you are both Ohio nonresidents, if you filed a joint IRS income tax return, you must file a joint Ohio income tax return, but you can claim the nonresident credit (Schedule D) for income neither earned

nor received in Ohio. If you and your spouse filed separate IRS income tax returns, you <u>MUST</u> file separate Ohio income tax returns.

Ohio Political Party Fund

The Ohio General Assembly established this fund to support public financing of Ohio political parties. Monies from this fund may only be used for administrative costs associated with party headquarters and party fund-raising drives, organization of voter registration and get-out-the vote campaigns not related to any particular candidate or election.

If your filing status is single or head of household, married filing separately or qualifying widow(er) and your tax (line 16 of Ohio

form IT 1040 or line 12 of Ohio form IT 1040EZ) is \$1 or more, you may choose to have \$1 go to this fund by checking the "Yes" box on the return. If your filing status is married filing jointly and your tax (line 16 of Ohio form IT 1040 or line 12 of Ohio form IT 1040EZ) is \$2 or more, each of you may choose to have \$1 go to this fund by checking the "Yes" boxes on the return. Checking "Yes" will neither increase the tax due nor reduce the refund shown on your return.

Ohio School District Number

Every Ohio public school district has an identification number. These numbers are shown on pages 38-42 of this booklet.

Look up the number for the Ohio school district in which you were domiciled for the majority the year and write it in the space provided. Nondomiciliaries should enter 9999 in the space provided.

If you are unsure of your Ohio school district, use The Finder (see page 37 of these instructions).

What Is the Difference Between Tax Table 1 and Tax Table 2?

Income Tax Table 1, which begins on page 30, shows the tax amount for \$50 increments of income. The tax is calculated on the midpoint income for all of the income in that \$50 range. The tax amount listed on Income Tax Table 1 may be slightly lower or higher than the tax amount computed by using Income tax Table 2, which is shown on page 36.

What if I Move After Filing My Tax Return and I'm Due a Refund?

If you move after filing your tax return and you are expecting a refund, please notify the post office servicing your old address and fill out a change-of-address form.

Federal Privacy Act Notice

Because we require you to provide us with a Social Security number, the *Federal Privacy Act of 1974* requires us to inform you that providing us with your Social Security number is mandatory. Ohio Revised Code sections 5703.05, 5703.057 and 5747.08 authorize us to request this information. We need your Social Security number in order to administer this tax. Your failure to supply any information requested on a tax form prescribed by the tax commissioner may result in (i) the imposition of penalties for failing to file a complete tax return or (ii) the denial of a license, if applicable.

Ohio Form IT 1040EZ Line Instructions

You cannot use Ohio form IT 1040EZ if (i) you made estimated income tax payments, (ii) you claim a credit carryover from last year, (iii) you were a nonresident or part-year resident during the year, (iv) your federal adjusted gross income exceeds \$999,999,999, (v) you have any income adjustments other than the adjustments for state and local income tax refunds (see page 19 of these instructions) or (vi) you claim any credits discussed on pages 25-27 of these instructions.

Round all numbers to the nearest whole dollar.

EZ Line 1 – Federal Adjusted Gross Income

Enter the amount from your 2008 IRS income tax return: IRS form 1040, line 37 **OR** IRS form 1040A, line 21 **OR** IRS form 1040EZ, line 4

In all cases, line 1 on your Ohio income tax return must match your federal adjusted gross income as defined in the Internal Revenue Code. There are no exceptions to this requirement. Federal adjusted gross income includes, but is not limited to, wages,

salaries, commissions, interest, dividends, business income, capital gains/losses, pensions, rents and miscellaneous income. Failure to report all items of income may result in the application of penalty.

Zero or Negative Federal Adjusted Gross Income. If you have zero or a negative federal adjusted gross income, then you must include a copy of page 1 of your IRS form (1040, 1040A, 1040EZ, 1042-S or equivalent) with your Ohio form IT 1040EZ return.

EZ Line 2 – State or Local Tax Refunds

To see if you qualify for this deduction, complete **Worksheet A** on page 15 of these instructions.

EZ Line 4 – Personal and Dependent Exemptions

Personal Exemption. You can claim a personal exemption of \$1,500 for yourself and, if filing a joint return, your spouse can claim an additional \$1,500.

Dependent Exemptions. Ohio allows a dependent exemption for dependent children and persons other than yourself and your spouse to whom you provide support and claim on your IRS tax return. You can claim a \$1,500 deduction for each dependent exemption.

What Personal Exemptions and Dependent Exemptions Can I Claim? You must claim the same number of personal and dependent exemptions on your Ohio return that you claimed on your IRS tax return with the following exception:

• Children being claimed as dependents on their parents' Ohio tax return may also claim the \$1,500 personal exemption on their own Ohio tax return.

Enter the number of your personal and dependent exemptions in the space provided on line 4 and multiply this number by \$1,500.

Tip for Lines 4 and 9 – Every taxpayer who files an Ohio income tax return is entitled to a personal exemption of \$1,500 (line 4) and a \$20 exemption credit (line 9). You are entitled to this deduction and credit even if you can be claimed as a dependent on another taxpayer's tax return.

EZ Line 5 – Ohio Taxable Income

Subtract line 4 from line 3. If the amount on line 3 is less than line 4, enter -0- on line 5. You do not owe any Ohio income tax. If you had Ohio tax withheld, you **<u>must</u>** complete the rest of the return to get a refund.

Note: If the amount on this line is \$10,000 or less, you owe no tax. Be sure to enter a \$93 credit on line 7.

EZ Line 6 – Tax on Line 5

Using the tax tables on pages 30-36 of these instructions, figure your tax on your Ohio taxable income (line 5).

- If your taxable income is less than \$100,000, your tax has been figured for you as shown in Tax Table 1, or you may use Tax Table 2.
- If your taxable income is \$100,000 or more, you <u>must</u> use Tax Table 2.

Note: Income Tax Table 1 shows the tax amount for \$50 increments of income and is calculated on the midpoint income for all of the income in that \$50 range. The tax amount listed on Income Tax Table 1 may be slightly lower or higher than the tax amount computed by using Income Tax Table 2.

EZ Line 9 – Exemption Credit

Multiply your total number of personal and dependent exemptions by \$20 and enter the amount on line 9. See "**TIP**," at left.

EZ Line 11 – Joint Filing Credit

To qualify for this credit, you and your spouse must each have qualifying Ohio adjusted gross income of at least \$500 after you have figured your Schedule A adjustments.

If you are a married couple filing a joint Ohio income tax return, you may qualify for a joint filing credit. You can take this credit only if each spouse has qualifying Ohio adjusted gross income of \$500 or more. **Qualifying Ohio adjusted gross income** does not include income from Social Security benefits, most railroad retirement benefits, military retirement income, interest, dividend and capital gain distributions, royalties, rents, capital gains, and state or local income tax refunds. This credit is limited to a maximum of \$650.

Example 1: Bob and Sue file a joint return. Sue earned \$200,000 from her current employment. Bob's only source of income is \$500 from his state and municipal income tax refunds included in federal adjusted gross income. This \$500 is deducted on line 2 and is not included in Bob and Sue's Ohio adjusted gross income. Therefore, they do not qualify for Ohio's joint filing credit. However, if Bob had another source of qualifying income of \$500

or more not deducted on line 2, he and Sue would qualify for the credit.

If you **do not** gualify for the joint filing credit, enter -0- on line 11. If you **do** gualify for the joint filing credit, figure it this way:

If your Ohio taxable income (line 5) is:	Your credit is:
\$25,000 or less	20% of line 10a
More than \$25,000,	
but not more than \$50,000	15% of line 10a
More than \$50,000,	
but not more than \$75,000	10% of line 10a
More than \$75,000	5% of line 10a

The credit is limited to a maximum of \$650.

Example 2: If your Ohio taxable income (line 5) is \$20,000 and the amount on line 10a is \$332, then the joint filing credit will be \$66:

\$332 - from line 10a x .20 – from table above Joint filing credit = \$ 66 (rounded)

If you qualify for this credit, but you and your spouse do not each have a W-2 form showing \$500 or more of income, then you must include with the return a separate statement explaining the income that qualifies for this credit. You must show that each spouse has \$500 or more of qualifying income included in Ohio adjusted gross income (line 3) in order to take the joint filing credit.

EZ Line 13 – Interest Penalty

If the tax reported on line 12 minus the withholding shown on line 16 is more than \$500, you must complete and enclose Ohio form IT/SD 2210, which is available on our Web site at tax.ohio.gov.

EZ Line 14 – Unpaid Ohio Use (Sales) Tax

Use line 14 of the Ohio form IT 1040EZ income tax return to report the amount of unpaid use (sales) tax (if any) that you may owe from out-of-state purchase(s) that you made in 2008 (for example, mail order or Internet purchases). Complete Worksheet B on page 15 of these instructions. A detailed explanation of the Ohio use tax is on page 28 of these instructions.

Note: If you report your Ohio use tax on your income tax return, any unpaid portion of the total tax is subject to collection, including penalty and interest, under Ohio Revised Code Chapter 5747. If you previously paid your Ohio use tax by filing form VP USE, then you do not have to report the use tax on line 14 of Ohio form IT 1040F7

EZ Line 16 – Ohio Tax Withheld

Enter the total amount of Ohio income tax withheld. This is normally shown on your tax statement form (W-2, box 17; W-2G; or 1099-R). See sample W-2 on page 12.

- Place legible state copies of your W-2, W-2G or 1099-R on top of Ohio form IT 1040EZ. Please do not staple, tape or glue.
- You cannot claim on the Ohio return any taxes withheld for another state, a city or a school district.
- If you are a direct or indirect investor in a pass-through entity, you may not claim on this line taxes withheld on your behalf by a pass-through entity. For proper reporting of taxes withheld on your behalf by a pass-through entity, use Ohio form IT 1040 and see line 22b instructions on page 18.

EZ Lines 18, 19, 20 – Donations

STOP

A donation will reduce the amount of the refund that we will send you. If you decide to donate to the Military Injury Relief Fund or to Ohio wildlife or nature preserves,

this decision is final. You cannot change your mind and later ask for your donations to be refunded. If you do not want to donate, leave lines 18, 19 and 20 blank.

Because your tax return is confidential, we cannot release your name to the fund administrators, but the administrators extend appreciation to those who donate. Please note that your donation may be tax deductible on the year 2008 IRS income tax form.

Military Injury Relief Fund. Use line 18 to donate all or part of your overpayment shown on line 17 to the Military Injury Relief Fund. The Military Injury Relief Fund provides grants to individuals injured while in active service as a member of the United States' armed forces while serving under Operation Iragi Freedom or Operation Enduring Freedom. If you wish to donate, write the amount on line 18.

If you do not have an overpayment on line 17, but you want to donate to provide grants to such individuals, you can do so by writing a check payable to Ohio Treasurer Richard Cordray (ODJFS) and mailing it to the Ohio Department of Job and Family Services, Military Injury Relief Fund, P.O. Box 182367, Columbus, OH 43218-2367.

Wildlife and Natural Areas. If you have an overpayment on line 17, you may donate part or all of it to either or both of the two programs administered by the Ohio Department of Natural Resources. The natural resources programs work to protect your natural heritage.

Use line 19 to donate to help all of Ohio's wildlife. The Division of Wildlife uses these funds to establish habitat and protect open spaces for wildlife. Past donations have helped to restore populations of endangered species. Your generous donation will continue to help support Ohio's native wildlife – a natural treasure!

Use line 20 to donate to the preservation of Ohio's nature preserves and scenic rivers. Your generous donation supports the protection of Ohio's endangered species, as well as preserves high-quality natural areas and streams.

If you do not have an overpayment on line 17, but you want to donate to protect Ohio's natural heritage, you can do so by writing a check payable to either the "Nongame and Endangered Wildlife Special Account" (wildlife) or the "Natural Areas and Preserves Special Account" (nature preserves). Mail your check to the Ohio Department of Natural Resources, Deputy Directors' Office, 2045 Morse Road, Building D-3, Columbus, OH 43229-6693.

EZ Line 22 – Amount You Owe

If line 15 is larger than line 16, you owe more tax.

- Make your personal check or money order payable to Ohio Treasurer Richard Cordray. Write your Social Security number on your personal check or money order and include Ohio form IT 40P (see pages 5 or 43 of these instructions) and your payment with Ohio form IT 1040EZ.
- You can also pay by electronic check or credit card (see pages 5 or 43 of these instructions).

If you cannot pay the amount you owe, you must file the return by April 15, 2009 to avoid the late filing penalty (but see "Military Personnel Stationed Outside of Ohio?" on page 8 of these instructions). - 14 -

Line 7 – Nonbusiness Credits from Schedule B

Schedule B on page 4 of the Ohio form IT 1040 return has a list of the nonbusiness credits that you may be allowed to take. Turn to page 25 of these instructions to read about the credits for which you may be eligible.

If you can claim any of these credits, you will need to complete Schedule B. Enter on line 7 the total credits from line 57 and enclose page 4 of Ohio form IT 1040.

Important: If you show any amount on this line other than -0-, you must include page 4 when you mail your return.

Line 11 – Joint Filing Credit

To qualify for this credit, you and your spouse must each have qualifying Ohio adjusted gross income of at least \$500 after you have figured your Schedule A adjustments.

If you are a married couple filing a joint Ohio income tax return, you may qualify for a joint filing credit. You can take this credit only if each spouse has qualifying Ohio adjusted gross income of \$500 or more. **Qualifying Ohio adjusted gross income** does not include income from Social Security benefits, most railroad retire-

ment benefits, military retirement income, interest, dividend and capital gain distributions, royalties, rents, capital gains, and state or local income tax refunds. This credit is limited to a maximum of \$650.

Example 1: Bob and Sue file a joint return. Sue earned \$200,000 from her current employment. Bob's only source of income is \$500 from his state and municipal income tax refunds included in federal adjusted gross income. This \$500 is deducted on line 38 and is not included in Bob and Sue's Ohio adjusted gross income. Therefore, they do not qualify for Ohio's joint filing credit. However, if Bob had another source of qualifying income of \$500 or more not deducted on Schedule A, he and Sue would qualify for the credit.

If you <u>do not</u> qualify for the joint filing credit, enter -0- on line 11.

If you <u>do</u> qualify for the joint filing credit, figure it this way:

If your Ohio taxable income (line 5) is:	Your credit is:
\$25,000 or less	20% of line 10a
More than \$25,000,	
but not more than \$50,000	15% of line 10a
More than \$50,000,	
but not more than \$75,000	10% of line 10a
More than \$75,000	5% of line 10a
The credit is limited to a maximum of fc	50

The credit is limited to a maximum of \$650.

Example 2: If your Ohio taxable income (line 5) is \$20,000 and the amount on line 10a is \$332, then the joint filing credit will be \$66:

If you qualify for this credit, but you and your spouse do not each have a W-2 form showing \$500 or more of income, then you **must** include with the return a separate statement explaining the income that qualifies for this credit. You **must** show that each spouse has \$500 or more of qualifying income included in Ohio adjusted gross income (line 3) in order to take the joint filing credit.

Line 15 – Manufacturing Equipment Grant

For taxable years ending on or after July 1, 2005, the Ohio Revised Code section 5747.31 manufacturer's credit converts to a grant administered by the Ohio Department of Development. For taxable years ending before July 1, 2005, the credit continues to apply.

The manufacturer's grant applies to each sole proprietor who purchased new manufacturing machinery and equipment during the qualifying purchase period July 1, 1995 to June 30, 2005. The manufacturer's grant also applies to each taxpayer having an interest in pass-through entities that purchased new manufacturing machinery and equipment during the qualifying purchase period July 1, 1995 to June 30, 2005. In all cases, the taxpayer or the pass-through entity must install the new manufacturing machinery and equipment in Ohio no later than June 30, 2006.

The grant is claimed as a direct reduction to the taxpayer's 2008 Ohio income tax liability and is nonrefundable. The concepts, definitions and computations that apply to the credit also apply to the grant. If the taxpayer's taxable year ended on or after July 1, 2005, the grant applies not only to the qualifying new manufacturing machinery and equipment purchased during the period Jan. 1, 2005 to June 30, 2005, but also to qualifying equipment purchased in 2004 and earlier purchase years. Thus, for each taxpayer whose taxable year ended on or after July 1, 2005, the grant applies to (i) the 1/7 amounts from 2005 qualifying purchases, (ii) the 1/7 amounts from pre-2005 qualifying purchases for which the taxpayer claimed the manufacturer's credit on prior years' income tax returns and (iii) unused credit carryforwards (limited to a three-year carryforward period).

If a C corporation elected S corporation status and at the time of the election the C corporation would have been able to claim the manufacturing credit or grant, then those individuals who owned the stock in the corporation at the time of the election may claim the grant for "unused" manufacturing credits. For purposes of claiming the grant, unused manufacturing credits include both the (i) unused 1/7 amounts that would have been available to the C corporation not made the "S" election and (ii) unused carryforward amounts that would have been available to the C corporation not made the "S" election and (ii) unused carryforward amounts that would have been available to the C corporation in each of the next six franchise tax years had the C corporation not made the "S" election.

Note: The grant applies only if both of the following conditions are met:

1) The taxpayer files a grant request form with the taxpayer's 2008 individual Ohio income tax return. The grant request form is available on both the Ohio Department of Taxation's Web site (tax.ohio.gov) and on the Ohio Department of Development's Web site (www.odod.state.oh.us), AND

2) The purchaser of the qualifying new manufacturing machinery and equipment filed a "notice of intent" with the Ohio Department of Development by the date of the taxpayer's timely filed Ohio tax return, including extensions, for the taxpayer's taxable year that included Sept. 30, 2005. However, a timely filed notice of the intent to claim the credit constitutes a timely filed notice of the intent to claim the grant.

Line 17 – Interest Penalty

If line 16 minus the sum of (i) line 20, (ii) your 2007 overpayment credited to 2008 and (iii) the amount on line 22 is \$500 or less, enter -0- on line 17. Otherwise, you may owe an interest penalty unless the sum of (i) line 20, (ii) your 2007 overpayment credited to 2008 and (iii) the amount on line 22 is equal to or greater than one of the following:

- 90% of your 2008 Ohio income tax (line 16, 2008 Ohio form IT 1040); OR
- 100% of your 2007 Ohio income tax (line 16, 2007 Ohio form IT 1040 or line 12, 2007 Ohio form IT 1040EZ).

Use Ohio form IT/SD 2210 to compute the interest penalty and enter on line 17 the total interest penalty shown on that form. Include Ohio form IT/SD 2210 with your Ohio form IT 1040.

Note: You can obtain Ohio form IT/SD 2210 from our Web site at **tax.ohio.gov.**

Line 18 – Unpaid Ohio Use (Sales) Tax

Use line 18 of the Ohio form IT 1040 income tax return to report the amount of unpaid use (sales) tax (if any) that you may owe from

out-of-state purchases that you made in 2008 (for example, mail order or Internet purchases). Complete the worksheet on page 29 of these instructions. A detailed explanation of the Ohio use tax is on page 28 of these instructions.

If you did not make any out-of-state purchases during 2008, enter -0- on line 18. If you did make any out-of-state purchase during 2008 and if you paid <u>no</u> sales tax on that purchase, then you are required to complete the use tax worksheet on page 29 of these instructions to determine the amount of Ohio use tax you owe (which is the sales tax on that purchase).

Note: If you report your Ohio use tax on your income tax return, any unpaid portion of the total tax is subject to collection, including penalty and interest, under Ohio Revised Code Chapter 5747. If you previously paid your Ohio use tax by filing form VP USE, then you do not have to report the use tax on line 18 of Ohio form IT 1040.

Line 20 – Ohio Tax Withheld

Enter the total amount of Ohio income tax withheld. This is normally shown on your tax statement form (W-2, box 17; W-2G; or 1099-R). See sample W-2 on page 12 of these instructions.

- Place **legible state copies** of your W-2, W-2G or 1099-R on top of Ohio form IT 1040. Please do not staple, tape or glue.
- You cannot claim on the Ohio return any taxes withheld for another state, a city or a school district.
- If you are a direct or indirect investor in a pass-through entity, you may <u>not</u> claim on this line taxes withheld on your behalf by a pass-through entity. For proper reporting of taxes withheld on your behalf by a pass-through entity, see line 22b instructions, below.

Line 21 – Ohio Estimated Tax and IT 40P Extension Payments for 2008 and Amount of 2007 Overpayment Credited to 2008

Enter the total estimated income tax payments submitted with your 2008 Ohio form IT 1040ES, extension payment(s) made with Ohio form IT 40P, plus any overpayment you credited to 2008 from your 2007 Ohio form IT 1040, line 25.

- You may not claim as an estimated payment a prior year's refund that you requested but did not receive. Instead, please contact us about any refund you requested but did not receive.
- If you are a direct or indirect investor in a pass-through entity, you may **not** claim on this line estimated taxes paid by a pass-through entity. For proper reporting of the amount of tax paid on your behalf by a pass-through entity, see line 22b instructions, below.

Line 22a – Refundable Business Jobs Credit

If the Ohio Tax Credit Authority of the Ohio Department of Development has granted you this credit for 2008, you should enter the certified amount on line 22a. This amount is considered a payment that may be refunded in whole or in part if your total payments on line 23 exceed the amount shown on line 19. For further details about this credit, call the Ohio Department of Development at 614-466-4551.

Line 22b – Refundable Pass-Through Entity Credit

If you are a direct or indirect investor in a pass-through entity that filed and paid Ohio tax on Ohio form IT 4708 (Composite Income

Tax Return for Certain Investors in a Pass-Through Entity) or Ohio form IT 1140 (Pass-Through Entity and Withholding Tax Return), you should enter the amount of Ohio **tax** paid on your behalf by the pass-through entity or trust. Investors and trust beneficiaries who claim this credit for taxes paid on their behalf **must include IRS K-1s**, which reflect the amount of Ohio tax paid. In addition, see line 32 instructions on page 19.

The K-1 should show the amount of your distributive share of income, the amount of Ohio tax paid, the legal name of the entity and the entity's federal employer identification number (FEIN).

Line 22c – Historical Building Rehabilitation Credit

Include a copy of the certificate that you received from the Ohio Department of Development. Enter on line 22 the total of lines 22a, 22b and 22c.

Line 24 – Amount Overpaid

If line 23 is greater than line 19, you have overpaid. Subtract line 19 from line 23 and enter the amount of overpayment on line 24.

Note: The total of lines 25 through 28 cannot exceed the total overpayment shown on line 24.

Lines 26, 27, 28 - Donations

A donation will reduce the amount of the refund that we will send you. If you decide to donate to the Military Injury Relief Fund or to Ohio wildlife or nature preserves, this decision is final. You cannot change your mind and later ask for your donations to be refunded. If you do not want to donate, leave lines 26, 27 and 28 blank.

Because your tax return is confidential, we cannot release your name to the fund administrators, but the administrators extend appreciation to those who donate. Please note that your donation may be tax deductible on the year 2008 IRS income tax form.

Military Injury Relief Fund. Use line 26 to donate all or part of your overpayment shown on line 24 to the Military Injury Relief Fund. The Military Injury Relief Fund provides grants to individuals injured while in active service as a member of the United States' armed forces while serving under Operation Iraqi Freedom or Operation Enduring Freedom. If you wish to donate, write the amount on line 26.

If you do not have an overpayment on line 24, but you want to donate to provide grants to such individuals, you can do so by writing a check payable to Ohio Treasurer Richard Cordray (ODJFS) and mailing it to the Ohio Department of Job and Family Services, Military Injury Relief Fund, P.O. Box 182367, Columbus, OH 43218-2367.

Wildlife and Natural Areas. If you have an overpayment on line 24, you may donate part or all of it to either or both of the two programs administered by the Ohio Department of Natural Resources. The natural resources programs work to protect your natural heritage.

Use line 27 to donate to help all of Ohio's wildlife. The Division of Wildlife uses these funds to establish habitat and protect open spaces for wildlife. Past donations have helped to restore populations of endangered species, including peregrine falcons, bald eagles and snowshoe hares. Your generous donation will continue to help support Ohio's native wildlife – a natural treasure!

Use line 28 to donate to the preservation of Ohio's nature preserves and scenic rivers. You can help create a rich and lasting legacy for all Ohioans. Your generous donation supports the protection of Ohio's endangered species, as well as preserves high-quality natural areas and streams.

If you do not have an overpayment on line 24, but you want to donate to protect Ohio's natural heritage, you can do so by writing a check payable to either the "Nongame and Endangered Wildlife Special Account" (wildlife) or the "Natural Areas and Preserves Special Account" (nature preserves). Mail your check to the Ohio Department of Natural Resources, Deputy Directors' Office, 2045 Morse Road, Building D-3, Columbus, OH 43229-6693.

Line 29 – Refund to Be Sent to You

Subtract the sum of the amounts on lines 25, 26, 27 and 28 from line 24. The remainder is the amount of refund that the department will send to you.

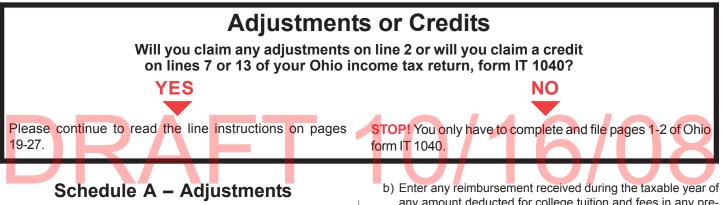

If you move after filing your tax return and are expecting a refund, please notify the post office servicing your old address and fill out a change-of-address form.

Line 30 – Amount You Owe

If line 23 is less than line 19, you owe more tax. Subtract line 23 from line 19 and enter the tax you owe on line 30.

- Make your personal check or money order payable to Ohio Treasurer Richard Cordray. Write your Social Security number on your personal check or money order and include Ohio form IT 40P (see pages 5 or 43 of these instructions) and your payment with Ohio form IT 1040.
- You can also pay by electronic check or credit card (see pages 5 or 43 of these instructions).

If you cannot pay the amount you owe, you must file the return by April 15, 2009 to avoid the late filing penalty (but see "Military Personnel Stationed Outside of Ohio?" on page 8 of these instructions).

Line 31 – Non-Ohio State or Local Government Interest and Dividends

Enter the total amount of interest and/or dividends you received from non-Ohio state governments and their local governments not included in your federal adjusted gross income.

Line 32 – Pass-Through Entity Add-Back

Enter Ohio form IT 1140 taxes and Ohio form IT 4708 taxes, which should be shown on your IRS K-1s to the extent that those taxes were deducted in arriving at your federal adjusted gross income.

In addition, each taxpayer having an interest in a qualifying passthrough entity must also enter on this line the taxpayer's proportionate share of expenses and losses that the pass-through entity incurred with respect to the pass-through entity's direct or indirect transactions with the pass-through entity's 40% or more related members. This provision does not apply to the pass-through entity's sales of inventory to such related members to the extent that those losses are calculated in accordance with Internal Revenue Code 482. See Ohio Revised Code section 5733.40(A).

Line 33 – Other Additions

Enter a dollar amount for each line that applies to you.

a) Enter interest or dividends on obligations of the United States government that are exempt from federal taxation but are not exempt from state taxation.

- b) Enter any reimbursement received during the taxable year of any amount deducted for college tuition and fees in any previous taxable year to the extent that the amount is not otherwise included in Ohio adjusted gross income.
- c) Enter any loss resulting from the sale/disposition of Ohio public obligations to the extent that such losses have been deducted in determining federal adjusted gross income.
- d) Enter net withdrawals made from an Ohio medical savings account (line 44) for nonmedical purposes if the amount of the withdrawal was deducted on a previous year's Ohio income tax return. See line 33d/44 worksheet on page 24 of these instructions.

Enter any lump sum distribution amount that you reported on IRS form 4972.

Miscellaneous Federal Tax Adjustments: Also enter on this line (i) any income or gain amount that was not included in your federal adjusted gross income (line 1) solely because of post-Dec. 21, 2007 amendments to the Internal Revenue Code and (ii) any amount you deducted in arriving at federal adjusted gross income solely because of post-Dec. 21, 2007 amendments to the Internal Revenue Code. For example, you must add back 100% of (i) total depreciation (Internal Revenue Code sections 167, 168 and 179) and allowed over (ii) the total depreciation that you would have been able to claim under the Internal Revenue Code as it existed on Dec. 21, 2007. See Ohio Revised Code 5701.11. Subsequent to the printing of these instructions, the Ohio General

Assembly may have enacted legislation repealing the requirement for you to make these adjustments. If the Ohio General Assembly has enacted such legislation, our Web site will so indicate at **tax.ohio.gov/update/.** However, you should make all other required adjustments for this line.

- e) Enter reimbursements received in 2008 for any expenses that you deducted on a previously filed Ohio income tax return if the amount of the reimbursement was not included in federal adjusted gross income for 2008.
- f) If you received a distribution during 2008 reported to you on a 2008 form 1099-Q from the CollegeAdvantage program and any portion of such distribution was <u>not</u> used to pay for qualified higher-education expenses and was <u>not</u> due to the beneficiary's death, disability or receipt of a scholarship, you may be required to include an adjustment on line 33f. Follow the instructions for items 1 through 3 below for such distributions.
 - 1. You do not have to show on this line the amount of distributions relating to the cost of tuition credits or units that you purchased before Jan. 1, 2000.
 - 2. If you are the CollegeAdvantage account owner or beneficiary and a portion of the distribution reported to you on your CollegeAdvantage year 2008 form 1099-Q relates to original contributions or purchases by the account owner (or beneficiary) that are not excluded under item 1, above, then the nonearnings portion (usually the original contribution or purchase price unless the account has declined in value below these amounts) related to such portion of the distribution must be included in Ohio adjusted gross income to the extent that either the account owner or the beneficiary has taken an Ohio contribution deduction for such contributions or purchases in this or a prior taxable year. Add this adjustment to the total reported for line 33f.
 - Include on line 33f the earnings portion of the distribution reported to you on IRS form 1099-Q to the extent you have not otherwise included these earnings in Ohio adjusted gross income (line 3 on the Ohio form IT 1040) for either the current taxable year or for any previous taxable year or years.

Contribution Carryovers: CollegeAdvantage account owners or beneficiaries should also reduce any contribution deduction carryovers to future years to the extent that the nonearnings distributions in item 2, above (i) exceed contribution deductions taken in this and prior years and (ii) are reflected in your contribution deduction carryover to future years' returns (see "Contribution Deduction" instructions for line 41 on page 22).

g) Add 5/6 of the Internal Revenue Code section 168(k) bonus depreciation allowed under the Internal Revenue Code in effect on Dec. 21, 2007. Also add 5/6 of the excess of the Internal Revenue Code section 179 depreciation expense allowed under the Internal Revenue Code in effect on Dec. 21, 2007 over the amount of section 179 depreciation expense that would have been allowed based upon Internal Revenue Code section 179 in effect on Dec. 31, 2002. See on our Web site at **tax.ohio.gov** the July 31, 2002 information release regarding the Ohio bonus depreciation adjustments.

Note: Subsequent to the printing of these instructions, the Ohio General Assembly may have enacted legislation requiring you to

compute the 5/6 add-back amounts based upon the Internal Revenue Code applicable to your taxable year, rather than based upon the Internal Revenue Code in effect on Dec. 21, 2007. If so, our Web site will so indicate at **tax.ohio.gov/update**.

Any income item amounts you deduct on lines 35-46 must be included in your federal adjusted gross income and must be included on line 1 of the Ohio income tax return.

You cannot deduct on Schedule A any item already deducted in arriving at the federal adjusted gross income amount you show on line 1 of the Ohio income tax return.

Line 35 – Federal Interest and Dividends

Enter interest and dividend income (included in line 1) from obligations issued by the United States government or its possessions/ territories that are exempt from Ohio tax by law, such as U.S. savings bonds (Series E, EE, H or I), Treasury notes, bills and bonds, and Sallie Maes.

Examples of interest income that are **not** deductible:

- Interest paid by the IRS on an IRS income tax refund.
- Interest income from Fannie Maes or Ginnie Maes.

For a more complete listing, see our information release entitled "Exempt Federal Interest Income" at **tax.ohio.gov.**

Line 36 – Residents of Neighboring States and Nonresident Military Personnel

Because of reciprocity agreements that Ohio has with the border states of Indiana, Kentucky, West Virginia, Michigan and Pennsylvania, you do not have to file an Ohio income tax return if the following two conditions apply:

- · You were a full-year resident of one of these states; AND
- Your only source of income within Ohio was from wages, salaries, tips or other employee compensation.

If Ohio income tax was withheld on this income but you meet the two conditions set forth above, you can file an Ohio income tax return to get a full refund. Enter the amount from line 1 onto line 2 and onto line 36, Schedule A. Be sure to include page 3 of Ohio form IT 1040 when you send in your return.

Exceptions: Nonresidents and part-year residents must enter -0on line 36 if either of the following circumstances applies:

- 1. You were a part-year resident of Ohio or you had additional sources of income from Ohio or do not meet the two conditions above. If so, you must file Ohio form IT 1040 and claim the nonresident/part-year resident credit on Schedule D.
- 2. The reciprocal agreements do not apply. These agreements do not apply to you if you own directly or indirectly at least 20% of a pass-through entity having nexus in Ohio. Ohio Revised Code section 5733.40(A)(7) reclassifies compensation from such pass-through entities to a distributive share of the income from the pass-through entity. You must claim the nonresident/part-year resident credit on Schedule D. Also, please see "How Should Full-Year Nonresidents and Part-Year Residents Engaged in Business in Ohio Apportion Income?" on page 7 of these instructions.

Nonresident Military Personnel and Their Spouses. The Servicemembers Civil Relief Act of 2003 is a federal law enacted

to define the types of income that a military nonresident can deduct on his/her out-of-state income tax return. In addition, this federal law provides that a state cannot consider a servicemember to be a nonresident simply because he/she is absent from the state due to military orders. Withholding of Ohio income tax generally occurs if military payroll records list Ohio as your home of record.

If your home of record was Ohio for all of 2008, then you are not entitled to a deduction on line 36 for your military pay, however, you may be entitled to the deduction on line 37.

If you were a servicemember who was not an Ohio resident in 2008 and if Ohio tax was withheld in error, then you must complete U.S. Department of Defense form DD 2058 or equivalent and indicate your correct home of record. Submit this form to your military payroll office. You must also complete Ohio form ITDA-M, Affidavit of Non-Ohio Domicile for Taxable Year 2008 – Military (available on our Web site at **tax.ohio.gov**), and include the affidavit with your Ohio income tax return. If you follow this procedure, you may consider yourself to be a part-year resident or full-year nonresident of Ohio for 2008 and you should check on page 1 of your return the corresponding Ohio "part-year resident" box or "nonresident" box as your residency status.

Line 37 – Ohio Resident Military Personnel

Ohio Revised Code section 5747.01(A)(24) provides that for taxable years beginning on and after Jan. 1, 2007 an Ohio resident servicemember can deduct active duty military pay and allowances that are included in federal adjusted gross income if those amounts are <u>received</u> for active duty service while the servicemember is <u>stationed</u> outside Ohio. Do not deduct on this line any other types of income such as civilian wages, interest, dividends and capital gains.

The term "stationed" refers to an Ohio resident servicemember's permanent place of military duty. Periods of training in which a servicemember, either individually or as part of a unit, departs from his/her permanent place of duty and then returns following the completion of the training, is not included in the definition of "stationed."

Military pay and allowances for Ohio resident servicemembers who are stationed inside Ohio will continue to be subject to Ohio individual income tax. These amounts will also be subject to school district income tax if the servicemember was domiciled in a taxing school district – even if the servicemember did not reside in the school district at any time during the taxable year.

Examples of military pay and allowances that <u>do</u> qualify for this deduction include the following amounts, but only if the taxpayer receives the amounts while he/she is stationed outside Ohio:

- Military pay and allowances received while a member of the active component of the U.S. armed forces and assigned to a permanent duty station outside Ohio.
- Military pay and allowances received while a member of the National Guard or the Reserve components of the U.S. Armed Forces in an active duty status, other than training status not described below, outside Ohio.
- Military pay and allowances received while a member of a unit of the National Guard or the Reserve components of the U.S. Armed Forces under federal mobilization orders under which the unit mobilizes for training at a non-Ohio location followed by an operational deployment to any non-Ohio location.

• Military pay and allowances received by cadets at the U.S. service academies – the Military Academy, the Naval Academy, the Air Force Academy and the Coast Guard Academy. Cadets are serving on active duty under the provisions of 38 United States Code section 101(21) and are eligible for this deduction for the pay they receive while stationed at these facilities to the extent that this pay is included in federal adjusted gross income (line 1 on the Ohio income tax return). However, this deduction is not available for pay received for service in the Reserve Officer Training Corps.

Examples of military pay and allowances that <u>do not</u> qualify for this deduction include the following:

- Military pay and allowances received while a member of the active component of the U.S. Armed Forces who is assigned to a permanent duty station inside Ohio and who departs Ohio for a period of temporary duty for unit or individual training (e.g., training exercises, basic and advanced training courses, and additional skill training courses).
- Military pay and allowances received while a member of the National Guard or the Reserve components of the U.S. Armed Forces in an active duty for training status who departs Ohio for a period of temporary duty for unit or individual training (e.g., basic and advanced individual training, unit annual training, training exercises, basic and advanced training courses, and additional skill training courses).

Note: A servicemember can't deduct pay for service in a combat zone if that pay is not included in federal adjusted gross income (line 1 on Ohio form IT 1040).

Line 39 – Disability and Survivorship Benefits

You may deduct the following:

- Benefits from an employee's disability plan paid as the result of a permanent physical or mental disability. Note that the disability must be (or presumed to be) permanent. Disability means a permanent physical or mental impairment that makes you unable to work for pay in the jobs for which you are qualified by training and experience.
- Survivorship benefits paid from a qualified survivorship plan as the result of the death of a covered employee.

You may not deduct the following:

- Payments that otherwise qualify as retirement or pension benefits. Upon your reaching your plan's minimum retirement age, the disability benefits you receive under that plan become retirement or pension benefits and are no longer deductible as disability or survivorship benefits. If you are uncertain of the minimum retirement age under your plan, please contact your plan administrator for this information.
- Temporary wage continuation plans.
- Payments for temporary illnesses or injuries (for example, employer-provided or third-party provided sick pay).
- Pension payments that another individual was receiving but he/she died and you are now receiving these payments (pension continuation benefits). These amounts are not deductible survivorship benefits.

See Ohio Administrative Code (Ohio Rule) 5703-7-08 for additional information about this deduction. This rule is available through the department's Web site at **tax.ohio.gov.**

Line 40 – Social Security and Certain Railroad Retirement Benefits

Deduct the following benefits only to the extent that they are included in your federal adjusted gross income:

- Social Security benefits
- Tier I and Tier II railroad retirement benefits
- Supplemental railroad retirement benefits
- Dual railroad retirement benefits
- Railroad disability and railroad unemployment benefits

Line 41 – Tuition Investments in CollegeAdvantage Savings Plan

Contribution Deduction. You may deduct purchases of tuition units and contributions to the Ohio Tuition Trust Authority's CollegeAdvantage 529 Savings Plan, up to \$2,000 per beneficiary per year if these amounts do not qualify as a deduction on page 1 of IRS form 1040. Qualifying purchases exceeding the \$2,000 limitation may be deducted on future years' returns, subject to the annual \$2,000-per-beneficiary limitation, until all unused portions are deducted. Married taxpayers may deduct up to a maximum of \$2,000 per beneficiary whether their filing status is married filing jointly or married filing separately. You may not use any contribution deduction carryover to 2008 to the extent that the carryover has been reduced due to recapture of contribution deductions (see line 33f instructions on page 20). **Note:** This deduction does not apply to investments in Internal Revenue Code (I.R.C.) section 529-qualified tuition plans offered by other states.

Adjustment for Earnings on Certain Distributions. The earnings portion of distributions from I.R.C. section 529 programs may generally be excluded from federal adjusted gross income if the distribution is used solely to fund qualified higher-education expenses. If the earnings portion of a 2008 distribution from Ohio's CollegeAdvantage program is excluded from federal adjusted gross income (line 1 on this return), then no further adjustment is required on line 41.

For federal income tax purposes however, there are certain situations where, due to the coordination of benefits from an I.R.C. 529 program with other federal tax benefits for higher education expenses (such as the federal Hope and Lifetime Learning Credits and Coverdell Education Savings Account distributions), the earnings on a distribution from the CollegeAdvantage program that are actually used to pay qualified higher-education expenses may not be excluded from federal adjusted gross income. If any portion of the earnings reported to you on your 2008 IRS form 1099-Q from the CollegeAdvantage program are used to pay qualified higher-education expenses, and if because of certain federal tax limitations such earnings are not excluded from your federal adjusted gross income, you may exclude such portion by adding it to the total included on line 41. Note: This special earnings exclusion only applies to distributions from the CollegeAdvantage program and not to distributions from I.R.C. 529-qualified tuition plans offered by other states.

Adjustment for Distributions at a Loss. If a distribution reported to you on 2008 IRS form 1099-Q reflects a loss (the earnings in box 2 is negative), you may add this loss to your total on line 41 as a positive number if this loss is not deducted in computing federal adjusted gross income (line 1 on Ohio form IT 1040).

CollegeAdvantage is an I.R.C. 529-qualified tuition program administered by the Ohio Tuition Trust Authority. For more information, please call 1-800-AFFORD-IT (233-6734) or visit the tuition trust Web site at **www.collegeadvantage.com.**

Line 42 – Ohio National Guard Reimbursements and Benefits

Deduct on line 42 the following amounts, but only if (i) these amounts are in your federal adjusted gross income (line 1 on Ohio form IT 1040) and (ii) you have not already deducted these amounts elsewhere on Schedule A:

- Receipt of Ohio Adjutant General-authorized Ohio National Guard reimbursement for group life insurance premiums paid; AND
- Receipt of Ohio Adjutant General-authorized payment of death benefits received as a beneficiary of an active duty member of the Ohio National Guard who died while performing active duty.

Line 43 – Unreimbursed Long-Term Care Insurance Premiums, Unsubsidized Health Care Insurance Premiums and Excess Health Care Expenses

There are several deductions included in this line:

- Unreimbursed premiums for subsidized and unsubsidized long-term care insurance plans and unreimbursed premiums for unsubsidized health care insurance plans; AND
- Excess medical expenses.

Unreimbursed Health Care Expenses. Enter on line 1a, 1b or 1c of the worksheet on page 23 the costs for qualifying health care expenses. Some examples of qualifying health care expenses include <u>unreimbursed</u> costs for the following:

- 1a:
 Prescription medicine or insulin
 - Hospital costs and nursing care
 - Medical, dental and vision examinations and treatment by a certified health professional
 - Eyeglasses, hearing aids, braces, crutches and wheelchairs
- 1b: Insurance premiums for health care insurance plans (including both unsubsidized and subsidized plans, Medicare premiums and supplemental Medicare insurance)
- 1c: Premiums for long-term care insurance

Note: You must reduce the health care insurance premiums amount you enter on worksheet line 1b by the amount of the selfemployed health insurance deduction that you claimed on line 29 on your IRS form 1040.

Unreimbursed Long-Term Care Insurance Premiums and Unsubsidized Health Care Insurance Premiums. Enter on line 2a of the worksheet on page 23 the amount you paid during 2008 for unreimbursed long-term care insurance premiums for you, your spouse and your dependents. Enter on line 2b the unreimbursed premiums you paid for unsubsidized health care insurance premiums for you, your spouse and your dependents. An **unsubsidized health care insurance plan** is a plan for which your current or former employer or your spouse's current or former employer does <u>not</u> pay for any part of the plan's costs and does <u>not</u> reimburse you or your spouse for any part of the plan's costs. Most people who receive wage or salary income from an employer participate in one or more subsidized plans; such plans are not unsubsidized health care insurance plans. If you are unsure, check with your employer.

Sue may not use her \$50 monthly payment on lines 2a and 2b of the worksheet, but she can include this amount on line 1b.

Note: If you are eligible for Medicare coverage, you may <u>not</u> use line 2b of the worksheet to report any unsubsidized health care insurance plan premiums paid while you were eligible for Medicare coverage.

Example: Sue is retired and qualifies for Medicare for the entire year. She pays \$50 each month for supplemental health insurance and \$20 each month for Medicare B premiums. Sue may not use her \$50 or \$20 monthly payments on line 2b of the worksheet, but she can include these amounts on line 1b of the worksheet.

Line 44 – Ohio Medical Savings Account

You may be able to deduct the amount of funds you deposited into a medical savings account. If filing a joint return, your spouse may also be able to deduct his/her funds deposited into his/her medical savings account. For 2008 the maximum amount of deposited funds you may be able to deduct is \$4,048. If filing a joint return, each spouse can deduct up to \$4,048 of funds deposited into his/ her account for a maximum joint deduction of \$8,096. Any investment income or interest earned on the funds deposited into a medical savings account is also deductible **if the income or interest is included in your federal adjusted gross income (line 1 of your Ohio form IT 1040). Note:** You must reduce the amount of this deduction by any amount that you claimed on line 25 of your IRS form 1040.

To determine if you are eligible for this deduction, complete the medical savings account worksheet on page 24 of these instructions. For further information, please see the question "What Is a Medical Savings Account and What Are the Qualifications?" on page 9 of this booklet.

Example: Tom and Sue file a joint tax return for 2008. Tom contributed \$2,000 to his medical savings account while Sue contributed \$5,000 to hers. Tom's account earned \$120 in interest and Sue's earned \$300, which were included in their federal adjusted gross income. These amounts are not deductible in arriving at federal adjusted income. They are entitled to a medical savings account deduction of \$6,468 (\$2,000 for Tom's contribution, \$4,048 for Sue's contribution and the combined interest income of \$420).

Line 45 – Other Deductions

Enter a dollar amount for each line that applies.

- a) Deduct the amount of employer wage and salary expenses that you did not deduct for federal income tax purposes because you instead claimed the federal targeted jobs tax credit or the work opportunity tax credits.
- b) Deduct interest income earned from Ohio public obligations

Medical Savings Account Worksheet for Lines 33d and 44

Note for lines 1 and 2: Do not show on either line any contribution to medical savings accounts if the contribution is excluded from box #1 on your IRS form W-2, Wage and Tax Statement.

Note for line 5: If any prior year contribution exceeded the deductible limit for that year, please contact the Ohio Department of Taxation's Personal Income Tax Division's legal counsel at 1-800-282-1780 to help you determine the amount you should enter on line 5 of this worksheet.

and Ohio purchase obligations if the interest income was included in your federal adjusted gross income. You may also deduct any gains resulting from the sale or disposition of Ohio public obligations to the extent that the gain was included in your federal adjusted gross income.

- c) Deduct refunds or reimbursements of expenses you originally deducted on a prior year IRS income tax return if the following conditions are met:
 - The refund or reimbursement was included in your federal adjusted gross income on your 2008 IRS income tax return, form 1040, line 21; AND
 - The expense for which you were refunded or reimbursed was deducted as an itemized deduction on Schedule A of a prior year IRS income tax return.

Example: Jane claimed an itemized deduction of \$500 for medical expenses on her 2007 IRS income tax return. In 2008 she received a medical expense reimbursement for \$200 from her insurance company, which she reported on line 21 of her 2008 IRS income tax return. Jane is entitled to deduct the \$200 reimbursement on line 45c of this return.

- d) Enter on this line any amount of income that you paid back in a subsequent year if that amount meets the following three requirements:
 - For federal income tax purposes you claimed either (i) an itemized deduction on Schedule A of your 2008 IRS income tax return for the amount repaid OR (ii) a tax credit on your 2008 IRS income tax return based upon the amount repaid; AND
 - You do not deduct this amount on any other line on your Ohio tax return for this year or any other year; AND
 - In the year you received the income, the income did not qualify for either the resident or nonresident/part year resi-

dent credits on Schedules C or D on your Ohio income tax return.

Miscellaneous Federal Tax Adjustments: Also enter on this line (i) any income or gain amount that was included in your federal adjusted gross income (line 1) solely because of post-Dec. 21, 2007 amendments to the Internal Revenue Code and (ii) any amount you were not able to deduct in arriving at federal adjusted gross income but you would have been able to deduct under the Internal Revenue Code in effect on Dec. 21, 2007. See Ohio Revised Code section 5701.11. Subsequent to the printing of these instructions, the Ohio General Assembly may have enacted legislation repealing the requirement for you to make this adjustment. If so, our Web site will so indicate at **tax.ohio.gov/update/**. However, you should make all other required adjustments for this line.

e) Deduct on this line up to \$10,000 of qualified organ donation expenses you incurred during the taxable year. If your filing status is married filing jointly, each of you can deduct on this line up to \$10,000 of qualified organ donation expenses you each incurred during the taxable year. "Qualified organ donation expenses" means unreimbursed travel and lodging expenses that you incur in connection with your donation, to another human being, of your human liver, pancreas, kidney, intestine, lung or any portion of your human bone marrow.

Please note that you can claim this deduction only once for all taxable years. If you claim the deduction for this year, you cannot claim this deduction in any subsequent year. If your filing status is married filing jointly and if you and your spouse both claim the deduction for this year, both you and your spouse cannot claim this deduction in any subsequent year. However, if your filing status is married filing jointly but only one spouse claims this deduction for this year, the other spouse can claim the deduction in a subsequent year, regardless of your spouse's filing status in that subsequent year.

You can also deduct matching contributions that you made to another person's Individual Development Account when the account has been established by a county department of human services. For further information, contact your local county department of human services.

- f) Deduct one-fifth of the Internal Revenue Code sections 168(k) and 179 depreciation adjustments you added back on each of your last five years' Ohio income tax returns. You can take this deduction even if you no longer directly or indirectly own the asset. See on our Web site at **tax.ohio.gov** the July 31, 2002 information release regarding the Ohio bonus depreciation adjustments.
- g) Military Retirement Income and Injury Relief Fund Receipts: Taxpayers who retired from service in the active or reserve components of the U.S. Army, Navy, Air Force, Marine Corps, Coast Guard or National Guard can deduct their military retirement income to the extent that income is not otherwise deducted or excluded in computing federal or Ohio adjusted gross income.

Taxpayers who served in the military and receive a federal civil service retirement pension are also eligible for a limited deduction if any portion of their federal retirement pay is based on credit for their military service. These retirees can deduct only the amount of their federal retirement pay that is attributable to their military service.

If you are eligible for this limited deduction, refer to your federal civil service retirement benefit handbook to determine the number of years of your military service. Divide the number of years of military service by the total number of years of combined military service and civilian employment with the U.S. government. Take this fraction and multiply it by the amount of your federal civil service pension you have included on line 1 of this return. The resulting number is the amount of your federal civil service pension that you can deduct on line 45g.

Example: The taxpayer has included on line 1 of this return \$60,000 which the taxpayer received as a federal civil service pension. The taxpayer has 15 years of military service and 45 years of combined military service and civilian employment with the U. S. government. The fraction is 15/45 = 1/3. The taxpayer can deduct \$20,000 on line 45g: $1/3 \times $60,000$.

If you do not have your federal civil service retirement handbook, contact the U.S. Office of Personnel Management (OPM) at 1-888-767-6738 or TDD 1-800-878-5707. You may also e-mail OPM at **retire@opm.gov** or use its Web site at **www.opm.gov/retire** to request the booklet. Please be sure to specify that you want a **replacement** booklet (there are other types). An OPM customer service representative will tell you how much military and total service time you have in your retirement calculation and can mail you a screen print or short form letter with the information.

The military retirement income also applies to such amounts received by the surviving spouse or the former spouse of each military retiree who is receiving payments under the survivor benefit plan.

Please note that we may later ask you for a copy of the divorce agreement and IRS form 1099-R as verification for the deduction. Note that child support receipts, regardless of the source, are not included in federal adjusted gross income, so you cannot deduct these amounts.

Also enter on this line **military injury relief fund** amounts you reported on line 1 (federal adjusted gross income). You do not have to include in federal adjusted gross income, and you cannot enter on line 45g, those military injury relief fund amounts you received on account of physical injuries or psychological injuries, such as post-traumatic stress disorder, if those injuries are a direct result of military action in Operation Iraqi Freedom or Operating Enduring Freedom. But you must include on lines 1 and 45g any other military injury relief fund amounts you received.

Schedule B – Nonbusiness Credits

Line 48 – Retirement Income Credit

To qualify for the Ohio retirement income credit, you must meet all of the following:

- You received retirement benefits, annuities or distributions that were made from a pension, retirement or profit-sharing plan.
- You received this income because you have retired.
- This income is included in your Ohio adjusted gross income on line 3. Note: Social Security and railroad retirement ben-

efits required to be shown on line 40 and military retirement income required to be shown on line 45g do <u>not</u> qualify for this credit.

The amount of the credit is as follows:

Amount of qualifying retirement income received and included in Ohio adjusted gross income (line 3) during the taxable year:	Line 48 retirement income credit for taxable year:
\$500 or less	\$ 0
More than \$500, but not more than \$1,500.	\$ 25

More than \$8,000	
Note: Amounts you can deduct on lines of Ohio income tax return do not qualify for the second	-

The maximum credit per return is \$200. If you are filing a joint return, combine the total qualifying retirement income for both spouses to determine the credit from the table.

Note: Retirement buy-out amounts, attrition buy-out amounts and other similar amounts reported on IRS form W-2 qualify for this credit **only** if the amounts are paid under a retirement plan.

Example: Bob and Jane are retired and file a joint return. Bob has \$5,000 in qualifying retirement income included in Ohio adjusted gross income on line 3. Jane has \$2,000 in qualifying retirement income included in Ohio adjusted gross income on line 3. The total of the two qualifying retirement incomes is \$7,000. The table shows a credit of \$130 for retirement income of more than \$5,000, but not more than \$8,000. They are entitled to claim on line 48 an Ohio retirement income credit of \$130.

Line 49 – Senior Citizen Credit

You may claim a \$50 credit if you were 65 or older before Jan. 1, 2009. **Only one credit of \$50 is allowed for each return** even if you and your spouse are both 65 or older and are filing a joint return.

Line 50 – Lump Sum Distribution Credit

This credit is available only to individuals 65 or older before Jan. 1, 2009. If you received a lump sum distribution from a pension, retirement or profit-sharing plan, whether on account of retirement or separation from employment, and if you are 65 or older, you may be able to take advantage of a special tax treatment that uses the \$50 senior citizen tax credit multiplied by your expected remaining life years.

If the answers to questions 1 through 6, below, are all "Yes," you can claim the lump sum distribution credit.

- 1. Were you 65 or older before Jan. 1, 2009?
- Was the lump sum distributed from a qualified employee benefit plan (pension, profit-sharing, stock bonus, Keogh, Internal Revenue Code 401(k), STRS, PERS, SERS, etc.)?
- 3. Was the distribution made from all of the employer's qualified plans of one kind in which the employee had funds?
- 4. Was the distribution for the full amount credited to the employee?

- 5. Was the distribution paid within a single taxable year?
- 6. Was the distribution made because the employee died, quit, retired, was laid off or was fired?

If you answered "No" to any of the above questions, you do not qualify for this credit.

If you take this credit, you cannot take the \$50 senior citizen's credit on this year's return or on any future year's return. For more information, see page 2 of Ohio form LS WKS, which is available on our Web site at tax.ohio.gov.

Note #1: Retirement buyout amounts, attrition buyout amounts and other similar amounts reported on IRS form W-2 do not qualify for this credit.

Note #2: Distributions from university retirement plans and from government-sponsored deferred compensation plans do not qualify for this credit because these plans are not described in Internal Revenue Code section 401(a).

Line 51 – Child Care and Dependent Care Credit

If your Ohio adjusted gross income (line 3) is less than \$40,000 and if you made payments that gualified for the federal child care and/or dependent care credit, you are entitled to this credit (complete the worksheet, below).

- here and on line 51 (Schedule B) on

If line 3 on page 1 of the Ohio form IT 1040 is \$40,000 or more, you are not entitled to this credit.

Line 52 – Lump Sum Retirement Credit

Lump sum distributions that you received on account of retirement from a qualified retirement plan may qualify for the lump sum retirement credit. A lump sum distribution is one where you receive your entire balance from a qualified pension, retirement or profit-sharing plan during one taxable year. If you received income in a lump sum distribution during 2008 or are entitled to an unused retirement income exclusion from an earlier year, then you will need special instructions on how to compute your tax credit.

For more information, see page 1 of Ohio form LS WKS, which is available on our Web site at tax.ohio.gov.

Note #1: Retirement buyout amounts, attrition buyout amounts and other similar amounts reported on IRS form W-2 do not qualify for this credit.

Note #2: Distributions from university retirement plans and from government-sponsored deferred compensation plans do not qualify for this credit because these plans are not described in Internal Revenue Code section 401(a).

Line 54 – Displaced Worker Training Credit

Ohio law provides a credit for amounts you pay for qualified displaced worker training. Qualified displaced worker training is any training or education that improves your chances of getting a new job after you have lost your previous job. Displaced worker training includes apprenticeships, internships and educational classes. Use the worksheet on page 27.

Line 55 – Ohio Political Contributions Credit

You can claim a credit against your tax for contributions of money vou made during the year to the campaign committee of candidates for any of the following Ohio offices: • Lieutenant governor

• Auditor of state

Ohio Senate

• Attorney general

• Justice of the Ohio

Supreme Court

- Governor
- Secretary of state
- Treasurer of state
- Chief justice of the Ohio Supreme Court
- Ohio Board of Education
- Ohio House of Representatives

The amount of the credit is the lesser of the combined total cash contributions you made during the year or \$50 (\$100 for married filing joint returns).

Line 56 – Adoption Credit

You can claim a credit against your tax if you adopted a minor child (under 18 years of age) during the taxable year. The amount of credit is \$1,500 per child adopted. This is a one-time credit per child. Any unused amounts can be carried forward for up to two years. The adoption must be final and recognizable under Ohio law in the year for which you first claim the credit.

Schedule C – Resident Credit

Line 58 – Income Taxed by Other States

If you were an Ohio resident during 2008 and you had income subject to tax by other states or the District of Columbia, you may qualify for the Ohio resident tax credit. The credit is the LESSER of lines 60 or 61.

This line amount is the portion of your Ohio adjusted gross income subjected to a tax on income in other states or the District of Columbia while you were a resident of Ohio, less related deductions allowed in computing federal adjusted gross income and increased or decreased by related adjustments on Schedule A of the Ohio form IT 1040.

Limitation: Do not include income for which you have directly or indirectly deducted or were entitled to deduct in computing federal adjusted gross income, any state income tax paid on that income. See the March 2006 Ohio income tax information release, which is available on our Web site at tax.ohio.gov.

Do not include wages, salaries, tips or commissions earned by full-year Ohio residents in Indiana, Kentucky, West Virginia, Michigan or Pennsylvania and that are shown on line 36. This income is not taxed by our neighboring states and does not qualify for the credit.

Line 61 – Other States' Income Tax

Enter the amount of 2008 income tax, less all related nonrefundable credits other than withholding, estimated tax payments and carryforwards from previous years, paid to other states or the District of Columbia. In general, this amount will be the amount shown on the line on the other state's income tax return that is equivalent to line 16 of Ohio form IT 1040. **Limitation:** Do not include income for which you have directly or indirectly deducted or were entitled to deduct, in computing federal adjusted gross income, any state income tax paid on that income.

Schedule D – Nonresident/Part-Year Resident Credit

Nonresidents and part-year residents of Ohio are entitled to a credit for income not earned or received in Ohio.

Line 63 – Income Not Taxed or Received in Ohio

Enter the portion of Ohio adjusted gross income from line 3 that was not earned or received in Ohio. You must complete and include Ohio form IT 2023 (see **tax.ohio.gov**) to calculate this credit unless your only income from Ohio sources were wages reported on your W-2(s) and you and/or your family members do not directly or indirectly own the business that paid you those wages.

Do not include on this line pass-through entity distributive shares of income allocated or apportioned to Ohio. Do not include on this line any amount shown on line 46.

Note: Retirement buyout amounts, attrition buyout amounts and other similar amounts reported on your W-2s should <u>not</u> be included on this line to the extent that such amounts are based upon employment or previous employment within Ohio.

Schedule E – Nonrefundable Business Credits

Business owners may be entitled to claim on Ohio Schedule E one or more nonrefundable business credits. **Note:** You can get Ohio Schedule E by visiting our Web site at **tax.ohio.gov** or by contacting one of the offices listed on page 45 of these instructions.

Unpaid Sales/Use Tax Explanation and Instructions Line 14 of Ohio Form IT 1040EZ and Line 18 of Ohio Form IT 1040

TIP: Generally, this line will be -0- if you made no catalog or Internet purchases. If you do have catalog or Internet purchases, many out-of-state retailers already collect sales/use tax on your purchase. Your receipt will show it as a sales tax amount. If the retailer charges you sales tax on your purchase, you <u>do not</u> have to use the Ohio income tax return to pay additional use tax to Ohio. Use line 14 on Ohio form IT 1040EZ, line 18 on Ohio form IT 1040 or line 6 on the TeleFile worksheet to pay your Ohio sales/use tax for those purchases on which you <u>did not pay</u> any state sales tax to the out-of-state retailer at the time you made your purchase.

Use line 14 on Ohio form IT 1040EZ or line 18 on Ohio form IT 1040 to report the amount of unpaid sales/use tax (if any) on outof-state purchases that you made if you used, stored or consumed in Ohio the item or service you purchased (for example, Internet, television/radio ads, catalog purchases or purchases made directly from an out-of-state company) and for which you paid <u>no</u> sales tax on that purchase(s). **Please complete the use tax worksheet on either page 15 or page 29 of these instructions to determine if you owe this tax.**

Ohio's Use Tax

Ohio's use tax has been part of our tax laws since 1936. The use tax rate is equal to the sales tax rate in your county. Every state with a sales tax also has a companion use tax. The use tax laws were passed to eliminate the disadvantage to Ohio retailers when Ohio shoppers buy from out-of-state sellers who do not collect Ohio sales tax.

Who Benefits From the Tax?

- You and our schools: One-third of Ohio's sales and use tax supports our elementary and secondary schools. The remaining two-thirds pays for state services – higher education, parks, public safety, etc.
- County governments and transit authorities: The sales and use tax is the largest source of financing for the local criminal justice system and public transportation systems.
- Ohio retailers: The use tax helps Ohio retailers keep prices competitive with out-of-state merchants who don't collect sales tax and therefore protects Ohio jobs.

Can You Give Me an Example?

If you buy a taxable item or service from an out-of-state retailer and pay no sales tax, Ohio requires you to pay the Ohio use tax if you will use, store or consume in Ohio the item or service. The use tax frequently applies when you buy from catalog or Internet retailers. The use tax rate is equal to the sales tax rate in the Ohio county where you will use, store or consume the item or service.

Example: Rita lives in Dover in Tuscarawas County. She orders a new bedspread from the Catalog Linen Company based in New York. The price is \$125. The catalog company collects no sales tax. Rita is liable for paying Ohio's use tax:

Taxable purchase: \$125

Ohio + Tuscarawas County use tax rate = 6.5%

Use tax due: \$125 x .065 = \$8.13

Round this \$8.13 use tax amount to the nearest whole dollar: \$8

Rita would enter this amount on line 14 of Ohio form IT 1040EZ or line 18 of Ohio form IT 1040.

What if I Have Already Paid Tax on My Out-of-State Purchase?

If you previously paid to another state sales tax on the purchase or if you have previously paid your Ohio use tax by filing form VP Use, then you do not have to report on line 14 of Ohio form IT 1040EZ or on line 18 of Ohio form IT 1040 any use tax on that purchase.

I Owe Ohio Use Tax – How Do I Pay It?

We've made it easy for you. You can pay your use tax when you file your Ohio income tax return. Just complete either the Ohio form IT 1040EZ worksheet on page 15 or the Ohio form IT 1040 worksheet on page 29 of these instructions.

If you do not have to file an Ohio income tax return (see page 7 of these instructions) but you owe Ohio use tax, file Ohio form VP Use to pay the tax. This form is available on our Web site at **tax.ohio.gov.**

Payment Options

Several options are available for paying your Ohio income tax. Use any one of the following three methods:

Credit Card (see pages 6 or 44 of these instructions)

Electronic Check

By using the expanded electronic check payment option that is available to all taxpayers, you can eliminate writing a check for your 2008 Ohio individual income tax due amount. If you choose to make payment using an electronic check, it is the equivalent of using a debit card to withdraw money directly from your checking or savings account to pay the balance of the tax you owe.

The authorized amount will be withdrawn from your account within 24 hours unless you elect to delay payment. You can delay payment up until the payment deadline of April 15, 2009. Regardless of the date you choose, you must make sure that the money is in your account and available at that time.

When paying by electronic check, you must first determine your filing method:

- TeleFile Follow the payment instruction prompts that you receive during TeleFile (see line 12, page Tel-7 of the TeleFile worksheet).
- Ohio I-File and eForms Follow the payment instruction prompts that you receive during Ohio I-File and Ohio eForms.
- IRS e-file If you are electronically filing your Ohio individual income tax return using an approved software program, just follow the payment prompts for making payments by electronic check. If you are using a tax preparer to file your return electronically, the preparer will tell you how to pay using an electronic check.

Paper Filing – If you're filing by paper (Ohio form IT 1040 or IT 1040EZ) you can still use the electronic check payment option. Go to our Web site at tax.ohio.gov and click on the "Make a Payment" link in the left-hand column.

You may also use the electronic check payment option to <u>file</u> and <u>pay</u> your quarterly **2009 estimated income tax.** Go to our Web site at **tax.ohio.gov** and click on the "**Make a Payment**" link in the left-hand column. Using this method of payment for your quarterly estimate eliminates the need to file a paper copy of Ohio form IT 1040ES.

Paper Check or Money Order

If you do not want to use a credit card or electronic check to make your payment, you may send in a personal check or money order with payment voucher IT 40P, below. Please provide the following:

- a) Print your full name and address on the lines provided and write the first three letters of your last name in the boxes to the right of your name;
- b) Write your Social Security number(s) in the boxes provided on the right side of form IT 40P;
- c) Write the dollar amount of your personal check or money order in the appropriate box;
- d) Make your personal check or money order payable to Ohio Treasurer Richard Cordray;
- e) Write your Social Security number(s) and taxable year on your personal check or money order;
- f) Do <u>not</u> attach your payment to Ohio form IT 40P. Instead, put them loose in an envelope.

Mail **only** your paper check and Ohio form IT 40P, below, on or before April 15, 2009 to: Ohio Department of Taxation, P.O. Box 182131, Columbus, OH 43218-2131.

We strongly encourage you to file and pay electronically. However, if you pay by paper check or money order you <u>must</u> complete and mail in Ohio form IT 40P with your payment.

Please detach here. You must use the Ohio IT 40P payment voucher if you use a paper check or money order to pay your tax due.
