**Section 2: Faculty Member #1**

I understand the project that the student above proposes and his or her work plan for the autumn quarter. I agree to meet with the student throughout the quarter. I also agree to evaluate the paper (if it is submitted to me by the last day of autumn quarter) by the first day of winter quarter. I understand that my evaluation will determine whether the student has written an acceptable paper which will be presented at a workshop during the winter or spring quarter.
