# Checked the wrong box on Form I-90

## Checked the wrong box on Form I-90 <sup>[1]</sup>

Submitted by Chief Editor on Feb 22nd 2009

Form I-90 Green Card was lost. Instead of checking Part 2, 2a, I checked Part 2, 2f. Submitted online and paid with credit card. The instructions state the following: "If it is necessary to change any information on your submitted I-90 application, please bring evidence to support the change with you to your biometrics appointment. DO NOT send written correspondence regarding changes to the address below." At the biometrics appointment, can the interested party state the above mistake and solve this situation? Or will the USCIS deny the application? And another filing fee will have to be paid?

### **ANSWER:**

You should certainly point this out at the biometrics appt. You should also call the CIS <sup>[2]</sup> customer service number and explain the problem. In addition, you should contact your Congressman. Let them contact CIS <sup>[2]</sup> and help you correct this issue.
