Before You Begin

Complete your federal income tax return (Form 1040, Form 1040A, Form 1040EZ, Form 1040NR, or Form 1040NR-EZ) before you begin your Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return. Due to the federal Emancipation Day holiday observed on April 17, 2017, tax returns filed and payments mailed or submitted on April 18, 2017, will be considered timely.

If unable to mail your tax return by this date, see page 2.

To get forms and publications referred to in these instructions, go to ftb.ca.gov or see "Where To Get Income Tax Forms and Publications."

Line 121 – Amount You Owe

If you did not enter an amount on line 120, enter the amount from line 104 on line 121. This is the amount you owe with your Short Form 540NR.

If you entered an amount on line 120, add line 104 and line 120. Enter the total on line 121. This is the amount you owe with your Short Form 540NR.

If you have an amount on line 103 and line 120, subtract line 120 from line 103. If line 120 is more than line 103 enter the difference on line 121. This is the amount you owe with your Short Form 540NR.

Check or Money Order – Using black or blue ink, make your check or money order payable to the "Franchise Tax Board" for this amount, or see "Paying Your Taxes." **Do not send cash or other items of value** (such as stamps, lottery tickets, foreign currency, and gift cards). Write your SSN or ITIN and "2016 Short Form 540NR" on the check or money order. Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution. Enclose, but do not staple, your payment with your return.

To avoid a late filing penalty, file your Short Form 540NR by the due date even if unable to pay the amount you owe.

Refund and Direct Deposit

Line 125 – Refund or No Amount Due

If you did not enter an amount on line 120, enter the amount from line 103.

If you entered an amount on line 120, subtract that amount from the amount on line 103. If the result is zero or more, enter the amount on line 125. If the result is less than zero, your contributions are more than your overpaid tax available on line 103. In this case, do not enter an amount on line 125. Enter the result on line 121 and see the instructions for line 121.

Line 126 and Line 127 – Direct Deposit of Refund

Direct deposit is safe and convenient. To have your refund directly deposited into your bank account, fill in the account information on Short Form 540NR, Side 3, line 126 and line 127. Fill in the routing and account numbers and indicate the account type. Verify routing and account numbers with your financial institution. See the illustration below. **Do not** attach a voided check or deposit slip.

Individual taxpayers may request that their refund be electronically deposited into more than one checking or savings account. This allows more options for managing your refund. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

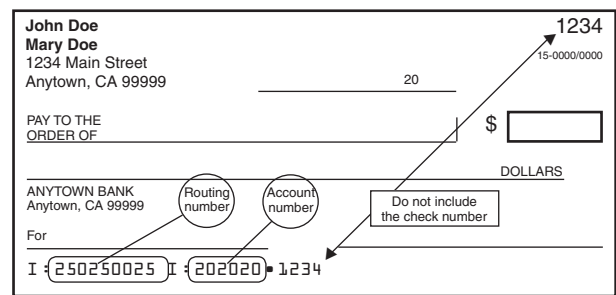

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens, but omit spaces and special symbols. On the sample check, the account number is 202020.

Check the appropriate box for the type of account. Do not check more than one box for each line.

Enter the portion of your refund you want directly deposited into each account. Each deposit must be at least \$1. The total of line 126 and line 127 must equal the total amount of your refund on line 125. If line 126 and line 127 do not equal line 125, the FTB will issue a paper check.

Caution: Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

Direct Deposit for ScholarShare 529 College Savings Plans – If you have a ScholarShare 529 College Savings Plan account maintained by the ScholarShare Investment Board, you may have your refund directly deposited to your ScholarShare account.

Fill in the routing number, account type and account number. To obtain the nine-digit routing number go to scholarshare.com or call 800.544.5248. Check "Checking" as type of account. Enter your complete account number that includes (1) the "CA" prefix, (2) your four-digit investment portfolio number, and (3) your ScholarShare account number (for account numbers less than 11 digits, add leading zeros).

Sign Your Tax Return

Sign your tax return in the designated space on Side 3. If you file a joint tax return, your spouse/RDP must also sign it.

Include your preferred phone number and email address in case the FTB needs to contact you regarding your tax return. By providing this information the FTB will be able to provide you better customer service.

Joint Tax Return. If you file a joint tax return, both you and your spouse/RDP are generally responsible for the tax and any interest or penalties due on the tax return. If one spouse/RDP neglects to pay the tax, the other spouse/RDP may have to pay. See "Innocent Joint Filer Relief" for more information.

Paid Preparer Information. If you pay a person to prepare your Short Form 540NR, that person signs and completes the area near the bottom of Side 3 including an identification number. Effective January 1, 2011, the IRS requires a paid tax preparer to get and use a preparer tax identification number (PTIN). Tax preparers must provide their PTIN on the tax returns they prepare. Preparers who want a PTIN should go to the IRS website at irs.gov and search for **ptin**. If the preparer has a federal employer identification number (FEIN), it should be entered only in the space provided. A paid preparer must give you a copy of your tax return.

Third Party Designee. If you want to allow your preparer, a friend, family member, or any other person you choose to discuss your 2016 tax return with the FTB, check the "Yes" box in the signature area of your tax return. Also print the designee's name and telephone number.

If you check the "Yes" box, you and your spouse/RDP, if filing a joint tax return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your tax return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your tax return.
- Call the FTB for information about the processing of your tax return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your tax return, upon request.
- Respond to certain FTB notices about math errors, offsets, and tax return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the FTB. If you want to expand or change the designee's authorization, go to ftb.ca.gov and search for **poa**.

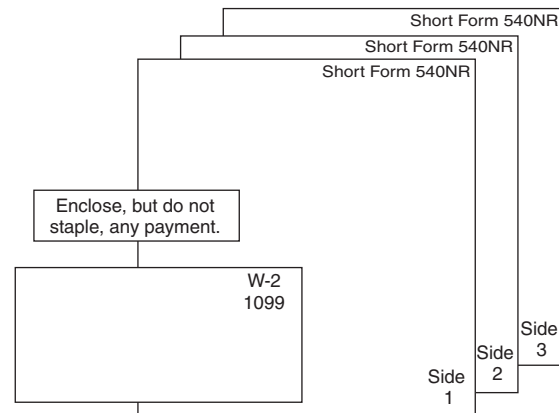

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2017 tax return. This is April 15, 2018, for most people. If you wish to revoke the authorization before it ends, notify us by telephone at 800.852.5711 or by writing to Franchise Tax Board, PO Box 942840, Sacramento, CA 94240-0040, include your name, SSN, and the designee's name.

Power of Attorney. If another person prepared your tax return, he or she is not automatically granted access to your tax information in future dealings with us. At some point, you may wish to designate someone to act on your behalf in matters related or unrelated to your 2016 tax return (e.g., an audit examination). To protect your privacy, you must submit to us a legal document called a "Power of Attorney" (POA) authorizing another person to discuss or receive personal information about your income tax records.

For more information, go to ftb.ca.gov and search for **poa**.

Assemble your tax return in the order shown below.

Make sure to attach all federal Form(s) W-2 and 1099 you received to the front of your tax return.
