Students attending the school(s) of those directors refusing to work in some capacity will be ineligible to audition and will forfeit the registration fees. Any director who leaves the audition site without permission from the chairman will have the audition results of the student from the school(s) at which he teaches removed from the audition process. Students who attend the school(s) at which this director teaches will forfeit their audition fees and lose the right to participate in the Region or All-State audition process for the remainder of the school year.
