

# Application for New Home Construction Silver/Gold Star, ENERGY STAR® Certification & Appliance Rebates

## Rebate Requirements

- Address of installed equipment must be within Citizens Gas or IPL service territories within Marion County.
- All applicable fields must be completed on the form to receive a rebate (address of installation is required).
- A copy of all applicable equipment installation invoices or Home Energy Rating System (HERS) certificate summary sheet(s) must be stapled to the back of this form. HERS certificate summary sheet(s) is required only if applying for the Adoption of the Citizens Gas/ IPL Silver Star, Gold Star Programs or the ENERGY STAR Version 2.5 Standards Incentive.
- Equipment must be purchased and HERS certifications must be completed on or after April 1, 2011 for the Citizens Gas/ IPL Silver Star, Gold Star or ENERGY STAR 2.5 Programs.
- The rebate form, invoice(s), and HERS certificate must be postmarked within 90 days of HERS certification date. Rebate funds are limited and available on a first-come, first-served basis.
- Annual Incentive Limits:
  - Citizens Gas/IPL Silver Star Program certified with HERS equivalent rating of  $\leq 85$ . Builders who completed an ENERGY STAR Home in 2010 are limited to 12 incentives before August 30, 2012. Builders who did not complete an ENERGY STAR Home in 2010 per the ENERGY STAR partner list are limited to 30 Silver Star incentives before August 30, 2012.
  - There are no limits on the number of rebates for Citizens Gas/ IPL Gold Star Program certified with HERS equivalent rating of  $\leq 70$ .
  - There are no limits to the number of rebates for achieving the ENERGY STAR Version 2.5 certification.
- Please allow up to eight (8) weeks to receive your rebate. Incomplete rebate forms will not be processed.
- Mail the completed, signed form, invoice, and HERS certificate to:**

\* If rebates total more than \$600 in a calendar year, Citizens Gas/ IPL is required by law to provide appropriate tax forms to the builder.

\*\* Energy Factor (EF) is the overall efficiency rating for water heaters. Beginning May 1, 2011 Citizens Gas will offer a \$150 rebate for natural gas storage water heaters that hold 30 gallons or more for all new homes with an EF  $\geq$  0.67 and a \$50 rebate for water heaters with an energy factor (EF) between 0.62 and 0.66.

\*\*\* Beginning April 1, 2011, homes must have either the equivalent of Version 2.0 HERS score of  $\leq$  85 to meet Citizens Gas/ IPL's Silver Star Program Standard or the HERS equivalent score of  $\leq$  70 to meet Citizens Gas/ IPL's Gold Star Program Standards and meet all the ENERGY STAR Thermal Bypass Requirements. For natural gas heated homes within Citizens Gas and IPL service territories, homes must have a  $\geq$  92% AFUE natural gas furnace or a  $\geq$  90% AFUE natural gas boiler and a  $\geq$  0.62 EF natural gas water heater or, or an 88% AFUE for a 75 gallon water heater or a  $\geq$  0.82 EF tankless water heater. Builder may also apply for these individual equipment/product rebates in addition to the Silver Star, Gold Star or ENERGY STAR rebates. Homes permitted on or after April 1, 2011 must meet all the specifications and requirements for Version 2.5 ENERGY STAR qualified homes to obtain an ENERGY STAR certification.

This completed form and a copy of the home certification and/or invoice(s) for appliances must be provided to receive a rebate(s). I certify that I have purchased the product(s) and/or service(s) indicated on this form, and the product(s) was/were installed at the address indicated. I understand that random inspections may be conducted to verify installation according to the terms and conditions. I have read and understand the general eligibility, terms and conditions associated with this program. I am providing the requested information solely to be eligible to participate in this program and request that the personal information supplied by me be treated as confidential to the maximum extent possible. I acknowledge and agree that Citizens Gas and/or IPL are not warranting any equipment, nor will they be liable for any personal injury or property damage caused by the equipment.

#### Terms and Conditions

**General Eligibility:** This offer provides rebates for achieving specific HERS Index rating. Offer valid for home builders constructing new homes in the Citizens Gas/ IPL's service territory. The New Construction Rebates on this form are available for single-family homes and multi-family dwellings of up to 12 attached units per development. Citizens Gas Westfield customers not eligible for this program.

**Dual fuel heating systems are not eligible** for the Citizens Gas/ IPL natural gas new construction rebates for the Citizens Gas/ IPL Silver Star, Gold Star and ENERGY STAR Programs.

All builders/applicants must complete a W-9 to receive a rebate.

**Verification:** Citizens Gas and IPL reserve the right to verify sales receipts and/or installations of products and services and that the equipment installed must meet program requirements before issuing rebates. A random inspection may be conducted to verify installations. Citizens Gas and IPL shall require a copy of the HERS Certificate for all Citizens Gas/ IPL Silver Star, Gold Star and ENERGY STAR Programs.

**Program Modifications:** Citizens Gas and IPL reserve the right to alter or discontinue these rebate offers at any time without notice. Rebate funds are limited and are available on a first-come, first-served basis.

**Disclaimer:** Citizens Gas and IPL do not guarantee that energy efficiency measures purchased and installed or services provided through this program will result in energy and costs savings. Citizens Gas/ IPL reserves the right to deny or limit any rebate request. In addition, no warranties on product or service installations are provided by Citizens Gas and IPL, nor does the program warranty, guarantee or endorse the energy efficiency services provided by any specific contractor participating in the program. Please allow up to eight (8) weeks to receive your rebate.

**Eligibility Dates:** All forms must be postmarked within 90 days of the HERS certification. If applying for appliance rebates only, use the Citizens Gas Residential Appliance/Product Rebate form. The Citizens Gas/IPL New Construction Rebate/Application form is for new homes with the Citizens Gas/ IPL Silver and Gold Star Programs or the ENERGY STAR certification ratings and the required appliance rebates. Citizens Gas and IPL reserve the right to alter or discontinue this program or related rebates at any time without notice.

#### 2011 PROGRAM MODIFICATIONS AND CHANGES:

Starting April 1, 2011 the EPA's ENERGY STAR New Construction Program will require all new homes permitted after April 1, 2011 to meet the guidelines for **Version 2.5 ENERGY STAR qualified home certification**. The new specifications for Version 2.5 are much more stringent than Version 2.0 which is in use through March 31, 2011. Homes permitted prior to April 1, 2011 and completed by December 31, 2011 may qualify for Version 2.0 for ENERGY STAR Certification. Contact your Rater/Provider or go to [www.energystar.gov](http://www.energystar.gov) for more details about Version 2.5 ENERGY STAR qualified homes.

**Citizens Gas/ IPL Silver Star Program:** Beginning April 1, 2011 Citizens Gas and IPL will offer a Silver Star Program Rebate for all homes permitted after April 1, 2011 that meet the equivalent of Version 2.0 HERS Index of  $<$  85 until Indiana implements the equivalent of the 2009 International Energy Conservation Code (IECC). The Citizens Gas/ IPL Silver Star homes cannot be considered as ENERGY STAR Certified Homes.

**Citizens Gas/ IPL Gold Star Program:** Beginning April 1, 2011 Citizens Gas and IPL will offer a Gold Star Program rebate for all new homes permitted after April 1, 2011 that meet the equivalent of Version 2.0 HERS Index of  $<$  70 until Indiana implements the equivalent of the 2009 International Energy Conservation Code (IECC). The Citizens Gas/ IPL Gold Star homes cannot be considered as ENERGY STAR Certified Homes.

**Drain Water Heat Recovery System (DWHR):** Citizens Gas and IPL will offer a limited number Rebates for the Drain Water Recovery System installed for new homes. Copper coils and drainpipes must be lead free and double wall construction. The following are approved manufacturers of DWHR Systems: Renewability, ReTherm Energy Systems, and Watercycles Energy Recovery, Inc.

This form has no cash value. **Please retain a copy for your records.**
