In the event of a medical emergency involving your child at a school sponsored event, school officials will contact emergency personnel. School officials will make every effort to contact the parents through utilizing the identified contact information. If school officials are unable to contact the child's parents, school officials will then attempt to contact the emergency contacts listed above.

In the event I cannot be reached, am incapacitated, or otherwise unable to give consent, I give permission for emergency medical, surgical, and hospital treatment and procedures to be performed by a licensed physician or hospital, when deemed immediately necessary to safeguard my child's health. I relieve the school and any school representative from all responsibility for action(s) taken by the doctor(s), hospitals, or other medical care providers in the treatment and attendance of my child. I acknowledge that it is my responsibility to provide for my child's health care coverage and assume the expenses of such care.
