Ensenada, Here We Come! April 6-12, 2008

Thank you so much for your continued support over the past year as we have planned, fund-raised, and prepared for this mission trip. The time has finally come for us to step out in faith and head to Ensenada, Mexico. We will be traveling to the Ensenada Outreach Center (EOC) which is part of YUGO Ministries to **build a home for a family in need and run a Vacation Bible School** in one of the local churches. We are excited to have the opportunity to serve the Lord in this way and are looking forward to doing ministry together as a family while we are there.

The kids have been working hard to learn the VBS songs in Spanish as well as learn how to lead small groups of kids in Mexico to build their lesson/craft. We are very fortunate to have David Lobo-Guerrero, my father-in-law, traveling with us to teach the Bible lessons. The first day of VBS we teach about creation and how each of the kids are special creations made by God. The craft is a decorated mirror they can hang in their home when they are done. It is a reminder of how fearfully and wonderfully made they are. The second day of VBS is about the crucifixion of Jesus to pay the price for our sins. It is called the bitter cross. Through the lesson we make a cross of nails and wire, with each wrap of the wire symbolizing part of the story. The last day of VBS we will combine

the victory we have in Jesus with the need to share His wonderful story. We will be making a beaded cross using the gospel colors, giving the kids a tool to share about God's love. We are looking forward to having lots of fun singing and playing with the kids at VBS.

The **construction** site will be a new adventure for us, but we have a great team of people who are not afraid to get dirty. Again, God has blessed us with another Spanish speaker for the construction site in Luis Hernandez. With Luis able to help us communicate with the family, the YUGO rep to help guide us build, and the servants hearts of the rest of the team we should be able to complete the home in a God-honoring way.

Prayer support: Many of you have signed up to be our prayer partners and we thank you in advance for your support. We know we are joining God in His work in Ensenada and ask you to pray for our hearts to be sensitive to follow Him. Following (see page 2) is a simplified itinerary with some prayer ideas for each day. Again, thank all of you so much for your support and for this opportunity to go on this mission trip.

Your brothers and sisters in Jesus,

Bret Thorson and

TOUCH 1 Class Coming

“TOUCH” is an acronym for our purpose statement. We have a series of three classes that we call TOUCH 1, 2, and 3.

TOUCH 1 is ideal for new members or those considering membership at Highline. We also encourage long-time members to take it so we all have the same foundation. The class covers what it means to be a Christian, what it means to be a member in the church universal, and what Highline specifically is about.

We will be offering the TOUCH 1 class this Spring on Monday evening, March 31st. The class will be 6:00-9:00 with an optional box dinner provided beforehand at 5:15.

Please call the church office 206-243-4333 to register.

For graduates of TOUCH 1, TOUCH 2 will be offered on April 12th 9 A.M.-noon

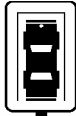

For graduates of TOUCH 2, TOUCH 3 will be offered on April 28th 6 P.M.-9 P.M.

Please check your family mailbox for your invitation to either of these classes.

The Mature Singles Ministry continues to meet Sundays at 5 P.M. in Room 101. Our theme and Bible study on singles and relationships is wrapping up. We continue to persevere, praise, trust and thank God for this opportunity to serve a spiritually hungry minority—the single, single-again, and the single-again with children.

Parking- You Can Help!

Have you noticed the shortage of **Parking** on Sunday mornings? Those who come close to the start of the service sure have! Often there are no spots available when late-arriving visitors are looking for a place to park. You can help guests feel comfortable coming to Highline by parking at the Bank of America lot (one block east of Highline on 150th St.) and riding Highline's shuttle. The free shuttle runs between the bank parking lot and the front door of the church building before and after both morning services.

A big thank you to those of you who are already parking at Bank of America (15-20 vehicles every Sunday!).

Also, a couple more shuttle drivers are needed. If you have a good driving record and would be interested in serving Highline in this capacity once a month (either 9:00 or 10:40 service), please contact Scott Barnes.

And the Lord Added

We rejoiced as the Lord added the following people to Highline:

Prevent a Stroke in as Little as 10 Minutes!

Life Line Screening will be performing a day of preventative health screenings at *Burien Elk's Lodge #2143* on *Wednesday, June 4, 2008*.

The tests offered include a state-of-the-art ultrasound screening of the carotid arteries in the neck (most strokes are linked to plaque build-up in these arteries), another ultrasound screening of the abdominal aortic aneurysm (ruptured AAA's have a 85-94% mortality rate and present little or no signs), a third test which screens for plaque build-up in the arteries of the legs (a strong indicator of coronary heart disease) and a fourth bone density test which screens for signs of osteoporosis.

“Why not just go to my doctor for these tests?” you may ask. The answer, although surprising, is that your physician typically cannot order these tests without clear evidence of symptoms. Ironically, most people who suffer a stroke or abdominal aneurysm never show any signs that a major medical catastrophe is about to occur.

These painless, non-invasive tests take about 10 minutes each and are offered for just \$45 each (all four for \$129). **YOU MUST PRE-REGISTER** by calling 1-800-324-1851

TRAIL TREKKERS

He earned his Bible!
Jacob Osborn

The Trail Trekkers are
doing a great job this year reading their
Bibles, working on their power pages, and
learning the all church memory verses.
Many of the Trail Trekkers can say all the
memory verses since last November. Way to
go Trail Trekkers! Keep it up!

SUMMIT SEEKERS

We are nearing the end of another
year of ministry. The time has gone by in a
flash and I wonder as many of you are
about to promote out of the ministry are you
ready? Physically you are big and strong
and ready to take on the world, but the goal
of the children's ministry to bring you to the
peak of your relationship with Jesus for
your age. Are you there? Have you
summited spiritually? I believe many of
you are at the peak of your relationship with
Jesus for your age and that you will keep
growing with each passing day. Many of
you are striving to read your Bible each day,
spend time in prayer and want to share your
faith with your friends.

As each of you move on I challenge
you with what we've been learning in our
sermons; keep your faith just as you were
first taught. Just as you received Christ
Jesus as Lord and Savior, continue to live
and grow in Him. The ultimate goal of a
Summit Seeker is not to reach the top of the
mountain first or to be the biggest,
strongest, or smartest. The ultimate goal of
a Summit Seeker is to be a living picture of
Jesus for all to see, experience, and follow.

We have a few weeks left in this year,
how are you going to grow spiritually with
the time you have left? Take the steps you
need in order to become more like Jesus
and less like the world around you.

Growing in Jesus together with you,
Bret Thorson
Higher Ground Children's Pastor

Early Childhood News

There are many new faces in the Early Childhood Ministry! Thank you to all who have filled out paperwork to begin serving!

Dropping off young children at church can be a little tough. Many children face a bit of anxiety when they are dropped off in a class. To help your child feel more comfortable, be sure to introduce him or her to the teachers in the room. Reassure your child that you love him or her and will be coming back right after church service. It is helpful to say goodbye and then leave. One goodbye is a lot easier on your child. It can be scary to not know if you are staying or going. Many children may cry for a few minutes, then settle down to play. If your child does not settle down

after 10 minutes, we will page you. If your child has a tough time adjusting to the room, it is also helpful to come back and sign him or her out promptly after service is over. We want all children to feel that church is a fun and safe place.

Spring is coming and the flowers are blooming. We have been learning during the 10:40 service about being rooted in God. We grow closer to God by reading the Bible, praying, and coming to church. The children enjoyed looking at the roots of a flower. Use opportunities when you and your child see a plant or a tree to point out how we can be rooted in God.

Serving kids together,
Katie Taylor

We need your help in the Early Childhood area!

Please continue to pray for the Early Childhood areas.

~ There is a big need for helpers to be available at the last minute in case of extra children in a class. This is great for someone who cannot commit to a consistent basis and would like to serve as needed. If this is an area that you are available to help in please talk to Katie Taylor.

If you would like to help serve in any Early Childhood area please call or email Katie Taylor

Every year the Des Moines Food Bank has a "Letter Carrier's Food Drive." This is where mailmen pick up food donations on their routes and bring it back to the Post Office. Here's how WE can help...the Food Bank is looking for volunteers to help unload the letter carrier's trucks, do a rough sort, pack it into boxes, then into large trucks to be delivered to the warehouse.

If you have any questions please call Amanda Nelson.
