Failure to attach documentation or attaching incorrect or incomplete documentation will delay processing of the return or result in corrections being made to the return.

WHO MUST FILE A RETURN

If you had Flint taxable income greater than the total of your personal and dependency exemptions, you must file a tax return — even if you did not file a federal tax return. See Exemptions Schedule for more information on your allowable exemptions. **You are required to file a tax return and pay tax even if your employer did not withhold Flint tax from your paycheck.** You will be required to make estimated income tax payments if you work for an employer not withholding Flint tax from your 2014 wages.

ESTIMATED TAX PAYMENTS

When your total income tax is greater than the amount of tax withheld plus other credits by \$100 or more, you may be required to make quarterly estimated tax payments. File Form F-1040ES (available on the website) by April 30 of the tax year and pay at least one-fourth (¼) of the estimated tax. The remaining estimated tax is due in three equal payments on June 30 and September 30 of the tax year and January 31 of the following year. Adjust the remaining quarterly payments if your income increases or decreases during the year.

Failure to make required estimated tax payments or underpayment of estimated tax will result in assessment of penalty and interest.

If you have made estimated tax payments and do not owe more tax for the year, you still must file a tax return.

DUE DATE AND EXTENSIONS

Returns are due on or before April 30, 2014. If a due date falls on a weekend or holiday, the due date becomes the next business day.

The due date of the annual income tax return may be extended for a period not to exceed six months. To apply for an extension, file Form F-4868, Application for Automatic Extension of Time to File an Individual Income Tax Return. Applying for a federal extension does not satisfy the requirement for filing a Flint extension. Application for an extension must be made and the tentative tax due must be paid (MCL 141.664). Filing an extension with payment is not a substitute for making estimated tax payments. **An extension does not extend the time for paying the tax due.**

When an extension form is filed and the balance due is paid, it may be assumed that the extension is automatically granted unless otherwise notified. Interest and penalty is charged on taxes paid late even if an extension of time to file is granted. Penalty may be waived by the Income Tax Administrator if the tax paid by the original due date is not understated by more than 5% of tax or the taxpayer is able to show that the failure to pay on time was due to reasonable cause.

AMENDED RETURNS

File amended returns using the F-1040. Clearly mark **AMENDED** at the top of the return. If a change on your federal return affects Flint taxable income, you must file an amended return within 90 days of the change and pay the tax due. An adjustment must be made for tax paid or refunds received from the original return. Write in the tax paid or refunds received to the left of the box on page 2, Payments and Credits schedule, line 4; Include the tax paid and subtract refunds from the original return when totaling amended return payments and credits. All schedules supporting the changes should accompany the filing. Every change must be explained. Mail amended returns to: Flint Income Tax Dept, PO Box 529, Eaton Rapids, MI 48827-0529.

CHARGES FOR LATE PAYMENTS

All taxes remaining unpaid after the due date are subject interest at the rate of 1% above the adjusted prime rate on an annual basis and to penalty at a rate of 1% per month, not to exceed a total penalty of 25% of the tax. The minimum charge for interest and penalty is \$2.00.

Sch. TC, Line 20a – Losses transferred between columns C and D

If Schedule TC, line 20a, column C reports a resident loss and line 20a of column D reports income, or vice versa, an adjustment may be made to offset the loss against income in the other residence status.

The column D amount of this adjustment is limited to twice the amount of income on line 20a, column C.

If line 20c, column C or column D is a negative amount, it is the net operating loss allowed to be carried forward in its status as a resident or nonresident. A resident loss is allowed to be claimed as a net operating loss deduction against future income in either resident or nonresident status. A nonresident net operating loss is allowed to be claimed as a net operating loss deduction against future nonresident income, or against future resident income at one-half of the amount of the nonresident net operating loss.

GENERAL INFORMATION

Renaissance Zone (RZ) designation grants tax relief to a qualified taxpayer. In conjunction with the designation of these zones, the City Income Tax Ordinance was amended, effective January 1, 1997, to include a RZ deduction.

REDUCED RENAISSANCE ZONE DEDUCTION IN LAST THREE YEARS OF DESIGNATION

The RZ deduction allowed for a particular RZ is reduced during the last 3 years as a designated RZ. The deduction is reduced by 25% in the second to the last year, 50% in the year immediately preceding the final year and 75% in the last year of designation. No RZ deduction is allowed after the 15th year.

WHO MAY CLAIM A RENAISSANCE ZONE DEDUCTION

A qualified resident domiciled in a RZ for 183 consecutive days, and qualified resident and nonresident individuals with income from rental real estate, business, profession or other activity located and doing business in a RZ.

HOW TO CLAIM A RENAISSANCE ZONE DEDUCTION

To claim a RZ deduction, a taxpayer must file a Flint income tax return and attach a completed Schedule RZ.

RENAISSANCE ZONE DEDUCTION DISQUALIFIERS

A person is not eligible to claim a RZ deduction if:

1. The person is delinquent in filing or paying any of the following state or local taxes: Michigan single business tax, Michigan income tax, city income tax, Act 198 industrial abatement tax, commercial abatement tax, enterprise zone tax, city utility tax or general property taxes.
2. The person owns residential rental property and did not file an affidavit with Flint by December 31 of the prior tax year attesting that the property is in substantial compliance with all applicable state and local zoning, building and housing laws or codes.

A business owner is subject to the above disqualifiers and not eligible to claim a Renaissance Zone deduction if the business:

1. Is located within Flint outside of a RZ and moves to a location within a RZ in Flint without approval of the city.
2. Relocates more than 25 full-time equivalent jobs from one or more non-RZ local governmental units (city, village or township) and any of the government units from which a job was relocated adopts a resolution objecting to the relocation within 60 days of being notified of the job relocation by the business.

- Instructions:
- An extension to file does not extend the due date to pay tax. Tax paid late will be assessed late fees.
 - Line 1: Enter the total tax liability you expect to report on your 2013 Form F-1040, page 1, line 23.
 - Line 2: Enter the total payments that you expect to report on your 2013 Form F-1040, page 2, line 4, not including the extension payment reported on line 3 of this form.
 - Filing date: The income tax ordinance limits an extension to SIX months from the original due date.

- Related Information:
- Federal extension: Filing a federal extension (Form 4868) with the Internal Revenue Service does not grant an extension of time to file a Flint income tax return.
 - Persons living outside the United States: Where the Internal Revenue Code grants an automatic two-month extension to persons living outside the U.S., an automatic two-month extension will be granted.

- Payment:
- An extension is automatically granted upon payment of the balance due (line 3); failure to pay the balance due invalidates the extension request; an extension filed without a payment will not be accepted.
 - Interest and penalty will be assessed on taxes paid late even if an extension of time to file is granted.
 - Penalty may be waived by the Income Tax Administrator if the tax paid by the original due date is not understated by more than 5% of tax or the taxpayer can show that the failure to pay on time was due to reasonable cause.

- C. **Partnerships:** A partnership electing to pay the tax on behalf of its partners must make estimated income tax payments. Payments are not required if the estimated tax is one hundred dollars (\$100.00) or less. If the partnership elects to pay the tax on behalf of the partners, a partner is not required to make estimated payments as an individual unless the partner has other income on which the income tax is expected to exceed one hundred dollars (\$100.00).

CALCULATION OF ESTIMATED INCOME TAX

Calculate the estimated income tax due using the Estimated Income Tax Computation Worksheet below. Round computations to the nearest dollar.

ESTIMATED INCOME TAX COMPUTATION WORKSHEET	TAX YEAR _____	
1. TOTAL INCOME EXPECTED	1.	
2. EXEMPTIONS (List the amount of the exemption for Flint)	2.	
3. ESTIMATED TAXABLE INCOME (Line 1 less Line 2)	3.	
4. ESTIMATED TAX Nonresident individuals enter the tax at 0.75% of Line 3. All other taxpayers enter the tax at 1.5% of Line 3.	4.	
5. FLINT INCOME TAX TO BE WITHHELD	5.	
6. OTHER CREDITS EXPECTED	6.	
7. ESTIMATED TAX (Line 4 less Lines 5 and 6)	7.	

The annual return for the previous year may be used as the basis for computing your declaration of estimated tax for the current year. The same figures used for estimating your federal income tax, adjusted to exclude any income not taxable or deductions not allowed under the Uniform City Income Tax Ordinance (MCL 141.601 et seq.), may be used.

CALCULATION OF THE ESTIMATED TAX PAYMENT DUE EACH QUARTER

If you know the amount of quarterly estimated tax to be paid, write the amount in the estimated tax due box of Form F-1040ES, for the quarter, round the payment to the nearest dollar.

AMENDED DECLARATION

If you find that your estimated tax is substantially increased or decreased as a result of a change in income or exemptions, you may amend your estimate at the time of making any quarterly payment with Form F-1040ES by adjusting the quarterly payment.

LATE PAYMENT OR UNDERPAYMENT OF ESTIMATED INCOME TAX

If you fail to make the required quarterly estimated tax payments, underpay or pay late, interest and penalty may be charged. The interest rate is 1 percent above the prime rate. The interest rate is adjusted on January 1 and July 1 each year. The penalty rate is 1 percent per month.

INTEREST AND PENALTY

If the total amount of tax withheld, tax credits and estimated tax paid is less than seventy percent (70%) of the tax due for the current or previous year, interest and penalty will be charged. Payment of estimated tax does not excuse the taxpayer from filing an annual income tax return even though the total tax liability has been paid.

INCOME SUBJECT TO FLINT INCOME TAX

- A. **Residents:** All salaries, wages, bonuses, commissions and other compensation; net profits from business or profession; net rental income; capital gains less capital losses; interest and dividends; income from estates and trusts; and other income.
- B. **Nonresidents:** Salaries, wages, bonuses, commissions and other compensation for services rendered or work performed in Flint; net rental income from property located in Flint; net profits from a business, profession or other activity to the extent that it is from work done, services rendered or activity conducted in Flint; capital gains less capital losses from the sale of real or tangible personal property located in Flint.

WITHHOLDING TAX AND OTHER TAX CREDITS

- A. **Withholding Tax:** You may subtract from your estimated income tax the amount of income tax expected to be withheld for Flint.
- B. **Income Tax Paid by Partnership:** If you are a member of a partnership which elects to and pay the tax on behalf of its partners, you may subtract from your estimate of Flint income tax, the amount of tax expected to be paid by the partnership on your distributive share of net profits.
- C. **Income Tax Paid to Another Municipality:** Residents of Flint who pay income tax to another municipality on income taxable in Flint may subtract from their estimate of income tax the amount of income tax expected to be paid to the other municipality. The credit is limited to the amount of tax assessable under the Flint Income Tax Ordinance on the same income of a nonresident.

2013 INSTRUCTIONS FOR FORM F-2210, UNDERPAYMENT OF ESTIMATED TAX

Revised 11/18/2013

PURPOSE OF FORM

Use Form F-2210 to see if you owe interest and penalty for underpaying your estimated tax and, if you do, to figure the amount of interest and penalty. If you are not required to file Form F-2210, you may use it to figure the interest and penalty if you wish to do so. Enter the interest, penalty and total interest and penalty on your return, but do not file Form F-2210.

WHO MUST FILE FORM F-2210

In most cases you do not need to file a Form F-2210. The Flint will figure the interest and penalty you owe and send you a bill.

If you checked Part I, Box 1a, you need to complete Part II lines 2 through 12. You are not required to figure the interest and penalty.

If you checked Part I, Box 1b, you need to complete Part II, Part III and Schedule A1.

If you checked Part I, Box 1c, you need to complete Part II and Part III.

THE FLINT WILL FIGURE THE INTEREST AND PENALTY FOR YOU

Because Form F-2210 is complicated, you are encouraged to let Flint figure the interest and penalty. If you owe interest and penalty, the city will send you a bill.

If you want Flint to figure the interest and penalty for you, complete your return as usual. Leave the interest and penalty area, Form F-1040, page 1, line 25, blank and do not file Form F-2210.

WHO MUST PAY INTEREST AND PENALTY FOR UNDERPAYMENT OF ESTIMATED TAX

You may owe the interest and penalty if you did not pay at least the smaller of:

1. 70% of the tax shown on your 2012 return; or
2. 70% of the tax shown on your 2013 return.

The interest and penalty are figured separately for each installment due date. Therefore, you may owe interest and penalty for an earlier due date even if you paid enough tax later to make up the underpayment. This is true even if you are due a refund when you file your tax return. However, you may be able to reduce or eliminate the interest and penalty by using the annualized income installment method. See Schedule A1 instructions for details.

EXCEPTIONS TO THE PENALTY

You will not have to pay interest and penalty if either 1 or 2 applies.

1. You had no tax liability for 2012.
2. The sum of the income tax withheld plus any credit for tax paid to another city or tax paid by a partnership is 70% or more of your 2013 tax or your 2012 tax, whichever is less.

WAIVER OF PENALTY

If you have an underpayment, all or part of the penalty based on that underpayment will be waived if it is determined that:

1. The underpayment was due to a reasonable cause; or
2. The underpayment was due to a casualty, disaster or other unusual circumstance and it would be inequitable to impose the penalty.

The Uniform City Income Tax Ordinance has no provision for waiving interest due.

To request a waiver of penalty, do the following:

- Check the box on line 1a, Part I.
- Attach Form F-2210 and a statement to your return explaining the reasons you were unable to meet the estimated tax requirements and the time period for which you are requesting a waiver.
- If a waiver is requested due to a casualty, disaster or other unusual circumstance under number 2 above, attach documentation such as copies of police or insurance company reports.

Flint will review the information you provide and decide whether to grant your request for a waiver of penalty.

SPECIFIC INSTRUCTIONS

PART I – Reasons for Filing

Mark (X) all boxes that apply on lines 1a through 1d to explain the reason for filing Form F-2210.

PART II – Required Annual Payment

Complete Part II, lines 2 through 12 to figure your required annual payment. Follow the instructions on each line.

PART III – Computation of Interest and Penalty

Section A – Figure the Underpayment

Complete Part III, section A, lines 13 through 23, to figure the underpayment for each quarter. Follow the instructions on each line.

It may be to your benefit to figure your required quarterly installments by using the annualized income installment method. See the instructions for Schedule A1.

Line 14

When figuring your payment dates and the amounts to enter on Line 14 of each column apply the following rules:

1. You are considered to have paid $\frac{1}{4}$ of the income tax withheld for Flint on each payment date.
2. You are considered to have paid $\frac{1}{4}$ of the credit allowed for tax paid to another city on each payment date.
3. You are considered to have paid $\frac{1}{4}$ of the credit allowed for tax paid on your behalf by a partnership on each payment date.

2013 INSTRUCTIONS FOR FORM F-2210, UNDERPAYMENT OF ESTIMATED TAX

Note: If you treat withholding or a tax credit as paid (for estimated tax purposes) when it was actually withheld or the tax was paid, check the box on line 1c of Part I and complete and attach Form F-2210 to return.

Line 15

Include in your estimated payments any overpayment of tax from your 2012 tax return that you elected to credit forward to your 2013 tax liability.

If you filed your 2012 return by the due date (including extensions), treat the 2012 overpayment as a payment made on April 30, 2013.

If you filed your 2013 return by January 31, 2014 include on line 15, column (d), the amount of tax you paid with your return. In this case, you will not owe interest or penalty for the payment due by January 31, 2014.

Line 22

If line 22 is zero for all payment periods, you do not owe interest or penalty. But if you checked the box on lines 1b or 1c in Part I, you must file form 2210 with your return. If you checked the box on line 1d in Part I, you must complete Part II and file page 1 of Form F-2210 with your return.

In certain circumstances, Flint will waive all or part of your penalty if you have an underpayment on line 15. See Waiver of Penalty for more information.

Section B – Figure the Interest

Figure the interest by applying the appropriate interest rate against each underpayment shown on line 22. The interest is figured for the number of days that the underpayment remained unpaid.

The interest rates are established twice per year. If an underpayment remained unpaid for more than one rate period, the penalty on that underpayment will be figured using more than one rate period.

Use lines 24, 27 and 30 to figure the number of days the underpayment remained unpaid. Use lines 26, 29 and 32 to figure the actual interest amount by applying the daily interest rate listed for each period on lines 25, 28 and 31.

Your payments are applied to any underpayment balance on an earlier installment. It does not matter if you designate a payment for a later period. For example, you had an underpayment for the April 30 installment of \$200. The June 30 installment required a payment of \$500. On July 1, you made a payment of \$500 to cover the June 30 installment. However, \$200 of this payment is applied to the April 30, installment. The interest due for the April 30 installment is figured to July 1 (62 days). The amount applied to the June 30 installment is \$300.

List your 2013 tax payments made after 4/30/2013.

Before figuring the interest in Section B, it will be helpful to list the payments you made after April 30, 2013, as shown in the tables below.

Table 1 2013 Tax Payments Made After 4/30/2013 and Before 7/1/2013	
Date	Payments

Table 2 2013 Tax Payments Made After 6/30/2013 and Before 1/1/2014	
Date	Payments

Table 3 2013 Tax Payments Made After 12/31/2013 and Before 5/1/2014	
Date	Payments

In each table, list only the payments made during the dates shown in the table heading. Also, apply the following rules.

Any tax withheld for Flint, any credit for tax paid to another city and any tax paid on your behalf by a partnership should be included. You are considered to have paid ¼ of these amounts on each payment date unless you can show otherwise. For example, if you had income tax withheld from your wages of \$1,000 during the year for Flint, list \$250 as paid on 6/30/13, 9/30/13 and 1/31/14 in the applicable table. Do not list the withholding applicable to the first payment due date (4/30/13).

For Table 3, any balance due of income tax that you pay with your tax return is considered a payment for this purpose and should be listed. Use the date you file your return or 4/30/14, whichever is earlier, as the payment date.

Total days in rate period. If an underpayment remained unpaid for an entire rate period, use the chart below to determine the number of days to enter in each column. The chart is organized in the same format as Form F-2210, Part III, Section B.

2013 INSTRUCTIONS FOR FORM F-2210, UNDERPAYMENT OF ESTIMATED TAX

Chart of Total Days				
Rate Period	(a)	(b)	(c)	(d)
1 (Line 24)	61	–	–	–
2 (Line 27)	184	184	92	–
3 (Line 30)	89	89	89	89

For example, if you have an underpayment on line 22, column (a), but show no payments in Table 1, you would enter 61 on line 24, column (a).

The following line by line instructions apply only to column (a) of Section B. If there is an underpayment shown in column (b), (c) or (d) on Line 22, complete lines 24 through 33 for those columns in a similar manner.

Interest Rate Period 1

Line 24

Enter on line 24, column (a), the number of days from 4/30/2013 to the date of the first payment listed in Table 1. If no payments are made enter “61.”

Example 1. You had an underpayment of \$500 on line 22 and your first payment shown in the table was made on 5/15/2013 in the amount of \$300. See Example 2 for interest computation.

Line 26

Make the computation requested for line 26 and enter the result. Note that the computation calls for the “underpayment on line 22.” The amount used as the “underpayment” depends on whether or not a payment is listed in Table 1. If a payment was made during the period, a separate computation for the number of days and the amount of underpayment before and after each payment must be made and added together to compute the total interest for the period.

If there is a payment listed in Table 1. On a separate sheet of paper, apply the payment to the underpayment shown on line 22. After the payment, the “underpayment” for the computation is the remaining balance after the payment is applied underpayment. If the payment is more than the underpayment, apply only an amount equal to the underpayment.

Example 2. Assume the same facts as in Example 1. Because you paid \$300 toward the underpayment enter \$0.52 on line 26, ($\$300 \times 15 \times 0.0001164$).

Example 3. Your underpayment on line 22 was \$500 and you paid \$800 on 5/15/2013. Because your payment was more than your underpayment, you would apply \$500 to the underpayment. Enter \$0.87 on line 26 ($\$500 \times 15 \times 0.0001164$).

If there are no payments listed in Table 1. The “underpayment” is the entire underpayment balance.

Determine If You Need To Make Additional Computations for Column (a)

Whether you need to make additional computations depends on which of the following conditions apply:

- No payments are listed in Table 1.** On line 24, enter “61.” This is the total number of days in the period (see total days in rate period on page 3). Compute the interest for the period and enter the amount on line 26. You will need to figure the interest for the next interest rate period. See *Interest Rate Period 2* on page 4.
- The first (or only) payment listed in Table 1 was enough to reduce the underpayment to zero.** Compute the interest due for the number of days from the due date to the payment. There are no further computations to make for column (a). Figure the interest for any other underpayments shown in line 23, columns (b) through (d).
- The payment listed in Table 1 did not reduce the underpayment to zero, and no other payments are listed.** Make one or more computations for column (a) on lines 24 and 26. The second computation is to figure the interest on the underpayment balance; that is, the portion of the underpayment that remained unpaid for the entire period. In this case, you would enter another number in the entry space for lines 24 and 26. As follows:
 - On line 24, enter the number of days from the payment date to the end of the interest rate period.
 - On line 26, make the computation and enter the result. In this case, however, the “underpayment” in the computation is the remaining balance of the underpayment.
 - Add the results of the two computations together to get the total interest for the interest rate period.

Example 4. Assume the same facts as in Examples 1 and 2. After applying the \$300 payment, the underpayment balance is \$200. Line 26, therefore, will contain the second entry of \$1.42 ($\$200 \times 61 \times 0.0001164$). Go to line 27 to figure the interest on the underpayment for Interest Rate Period 2.

- Additional payments are listed in Table 1 and the first payment was not enough to reduce the underpayment to zero. On line 22 you may list the amounts and the payment dates that apply to the underpayment for that installment period. Then figure the interest for each amount listed on line 22. If an underpayment balance remains after applying all the payments, figure the interest on the balance of the underpayment.

Example 5. Your underpayment on line 22 column (a) is \$500 and you made two payments: \$300 on 5/15/2013 and \$200 on 6/22/2013. On line 22, enter \$500 or enter each payment and date separately, which will correspond with the two entries on lines 24 and 26 as explained below.

Line 24 will show two entries in column (a) as follows: “15” days (from 4/30 to 5/15) and “53” days (from 4/30 to 6/22).

2013 INSTRUCTIONS FOR FORM F-2210, UNDERPAYMENT OF ESTIMATED TAX

Line 26 will show two entries in column (a) as follows: \$0.52 ($\$300 \times 15 \times 0.0001164$) and \$1.23 ($\$200 \times 53 \times 0.0001164$).

Example 6. Your underpayment on line 22, column (a), is \$800 and you made two payments: \$300 on 5/15/2013 and \$300 on 6/22/2013. Lines 24 and 26 will each show three entries in column (a), one for each payment and a third for the balance due of \$200 (\$800 minus \$600).

Line 24 will show "15" days (from 4/30 to 5/15), "53" days (from 4/30 to 6/22) and "61" days (from 4/30 to 6/30).

Line 26 will show \$0.52, \$1.85 and \$1.42, computed as follows: $\$800 \times 15 \times 0.0001164$ (first payment), $\$500 \times 53 \times 0.0001164$ (second payment) and $\$200 \times 61 \times 0.0001164$ (remaining underpayment balance).

Then figure the interest for Interest Rate Period 2 (lines 27 and 29) on the remaining \$200 balance.

Interest Rate Period 2

If an underpayment balance remains after applying the payments in Table 1, figure the interest attributable to that balance on lines 27 and 29. Generally, use the same steps as explained under the instructions for Rate Period 1. But use the dates and interest rate shown on lines 27 and 28 and use only the payments listed in Table 2.

Line 27

Enter on line 27, column (a), the number of days after 6/30/2013 to the date of the first payment listed in Table 2. If no payments are listed in Table 2, enter "184."

Line 29

Figure line 29 in the same manner as explained for line 26, except use the new interest rate listed in Line 28.

Interest Rate Period 3

If an underpayment balance remains after applying any payments in Tables 1 and 2, figure the interest attributable to that balance on lines 30 and 32. Generally, use the same steps as explained under the instructions for Rate Period 1. But use the dates and interest rate shown on lines 30 and 31 and use only the payments listed in Table 3.

Line 30

Enter on line 30, column (a), the number of days after 12/31/2013 to the date of the first payment listed in Table 3. If no payments are listed in Table 3, enter "89."

Line 32

Figure line 32 in the same manner as explained for line 26, except use the new interest rate listed on line 31.

Section C – Figure the Penalty

Chart of Total Months

Rate Period	(a)	(b)	(c)	(d)
1 (Line 34)	12	10	7	3

The first day of a month that there is an underpayment counts as the first month for penalty purposes. An

additional month is added to the total of the months on the first day of the next month and each month thereafter that the underpayment remains unpaid.

Line 34

Enter on line 34, column (a), the number of months from 4/30/2013 to the date of the first payment listed in Tables 1, 2 or 3. If no payments are made enter "12."

Example 7. Use the same facts as in Example 6. Lines 34 will show three entries in column (a), and the total number of months for each penalty computation is 1 (May), 2 (May and June) and 2 (May and June) respectively.

Line 36

Figure line 36 in the same manner as the interest was calculated, except use the new penalty rate of 1% per month listed on line 35. You will have a penalty computation for each payment listed in Tables 1, 2 and 3 and for the remaining balance of the underpayment at 4/30/2014.

Example 8. Use the same facts as in Example 6. Line 36 will each show three entries in column (a), \$3.00 ($\$300 \times 1 \text{ month} \times .01$), \$6.00 ($\$300 \times 2 \text{ months} \times .01$) and \$4.00 ($\$200 \times 2 \text{ months} \times 1$) respectively.

SCHEDULE A1 – ANNUALIZED INCOME INSTALLMENT METHOD

If your income varied during the year because, for example, you operated your own business on a seasonal basis, you may be able to lower or eliminate the amount of one or more required installments by using the annualized income installment method. Use Schedule A1 to figure the required installments to enter on Form F-2210, Line 13.

If you use Schedule A1 for any payment due date, you must use it for all payment due dates. When figuring the amount of each required installment, Schedule A1 automatically selects the smaller of the annualized income installment or the regular installment. For installment periods two, three or four, the regular installment is increased by the amount saved from using the annualized income installment method in figuring any earlier installments.

To use the annualized income installment method, you must do all three of the following:

1. Enter the amount from Schedule A1, line 17, in each column of Form F-2210, line 13.
2. Check box 1b in Part I.
3. Attach both Form F-2210 and Schedule A1 to your return.

FORM F-2210 UNDERPAYMENT OF ESTIMATED TAX BY INDIVIDUALS

Revised: 08/07/2013

NOTE: Form F-2210 is used to compute the interest and penalty for unpaid or underpaid estimated income tax payments. To pay the interest and penalty computed on this form, enter the total from line 38 on Form F-1040, line 25, and remit the interest and penalty with your payment of tax due. Do not attach Form F-2210 unless one or more of the boxes in Part I apply. Interest and penalty will be assessed where required estimated payments are underpaid or not made.

Part I Reasons for Filing If 1a, 1b, 1c or 1d below applies, you may be able to lower or eliminate the interest and penalty. You must check the boxes that apply and file Form F-2210 with your tax return

Check all boxes that apply (If none apply, see the note above):

- 1a You request a waiver of penalty. In certain circumstances, the Income Tax Department will waive all or part of the penalty. See Waiver of Penalty in the instructions for Form F-2210. Interest due cannot be waived.
- 1b You use the annualized income installment method. If your income varied during the year, this method may reduce the amount of one or more of your required estimated tax installments. See instructions under Annualized Income Installment Method.
- 1c You had income tax withheld from wages and, for estimated tax purposes, you treat the tax withheld as paid on the dates it was actually withheld, instead of in equal amounts each quarter.
- 1d Your required annual payment (line 12 below) is based upon your 2012 tax and you filed or are filing a joint return for either 2012 or 2013 but not for both years.
