*Cheaper to buy

*Cheaper to print

*Cheaper to mail

New shipping label sheets for QuickBooks

- Using QuickBooks® shipping labels will enable you to create a shipping label from your sales order, invoice or packing slip layout in QuickBooks® Pro, Premier, and Enterprise.
- QuickBooks ® shipping labels help you process your QuickBooks orders faster.
- Streamline the order fulfillment process

Create all-occasion cards easily using Microsoft Office Word 2007

Print a greeting card any time, for any reason, for anyone. Keep a supply of our [blank, printable greeting cards](#) on hand.

Users can visit Microsoft Office's site to [download pre-designed templates](#) compatible with Word 2000 or later. Burriss recommends using Microsoft Word 2007, which automatically downloads templates, featuring a gallery of greeting card layouts with artwork and text. Users open a new document, choose Microsoft Office Online template, choose greeting cards, choose a card, and download.

USPS Rate Increase May 11, 2009

Selected highlights:

- Postcards still cheaper to mail: 28¢ vs. 44¢ (for a first-class stamp)
- [increase](#) in the price of a first-class stamp to 44¢ and postcard to 28¢
- customers can still purchase the Forever Stamp at 42¢ before May 11, which will always be good on a one ounce letter in the future ([Forever Stamp](#) is always sold at the regular first- class mail stamp rate.)
- Forever Stamps (the 2¢ savings on the new rate is a 4.5% discount)
- be aware of [letter](#) rates vs. [large envelope](#) rates vs. parcel rates

Show us how you use our products

We are creating an online gallery to show how some of our customers use our products. Share yours! Email us at burris@pcform.com and we'll send you an email when the gallery becomes available.
