TTQ – Total Trek Quest Spring 2017

Look for registration information on the spring season of TTQ coming home today. The spring season will start the last week of February and will end with the Tulip Time 5K on May 6. Total Trek Quest is a 9 week experiential learning program for boys in 3rd through 5th grades. It combines the physical activity of training for a 5K run with a curriculum that focuses on learning to make goals, building strong social bonds and making healthy choices. The training for the 5k includes strength and stretching exercises along with a program that gradually increases time spent running. The curriculum activities focus primarily on building relationships, setting goals, and making healthy choices. Teams meet after school twice a week for the 9 week season. Teams consist of 5-15 boys with at least 2 adult coaches. We are also looking for coaches! Coaches can be men or women; we are looking for a positive attitude and a passion for helping kids reach their full potential. You do not need to be an experienced runner! Ideally, **we want at least 2 coaches per 15 boys on a team.** If you are interested in coaching, contact Vicki Kavanaugh at 616-396-2301 ext 149 for more information.
