You will be required to provide ASU with a re-certification enclosed form once every days or week.	,

• You will be required to present a Release to Return to Work to be restored to employment. If such certification is not timely received, your return to work may be delayed until certification is provided. The Release to Return to Work must address your ability to perform the essential functions of the job.

Benefits

• While on leave, you may choose to continue your health benefits:

FMLA (paid): The employee portion of the premiums will be deducted from your check as usual.

FMLA (unpaid): You will be billed for the employee portion of the premiums.

Non-FMLA (paid): The employee portion of the premiums will be deducted from your check as usual.

Non-FMLA (unpaid): You will be billed for both the employee and ASU portions of premiums.

Workers' Compensation: You are responsible for the employee portion only for the first six months of leave.

When you are billed, you have a minimum 30-day grace period in which to make payment. If payment is not made timely, your benefits will be cancelled 15 calendar days after the date of your Notice of Cancellation, retroactive to the last day for which coverage had been paid.

- You may be required to reimburse ASU for the employer's share of health insurance premiums paid on your behalf during your leave if you do not return to work following the leave, other than for the following reasons:
 - 1) The continuation, recurrence, or onset of a serious health condition which would entitle you to FMLA leave:
 - 2) Other circumstances beyond your control.
- If you have short-term disability coverage under ASU's benefit plan, you must contact Employee Services or
 Faculty Services and ask to speak with a Disability & Leaves Program Management representative in order to
 initiate the application process.
- If you have the Health Care or Limited Health Care Flexible Spending Accounts (FSA), it may be continued
 while on a leave without pay by making payments directly to ASU on an after-tax basis. By doing this, you will
 have access to your account. Please contact HR to make arrangements.

A Dependent Care FSA {also known as Child/Adult Day Care FSA} cannot be continued while you are in an unpaid status.

Within 31 calendar days of returning to work, you must complete the *Benefits Enrollment/Change Form* to re-enroll in the medical and/or dependent accounts; otherwise this benefit will cease for the remainder of the calendar year.

• If you go to an unpaid status during the non-FMLA portion of your leave, it is a qualified event that allows you to make changes to your benefit plans. You have **31 calendar days** from the event date to submit benefits changes by completing the *Benefits Enrollment/Change Form* located in the HR Forms section of the Human Resources Web site. Please contact Employee Services at 480.965.2701 or Faculty Services at 480.727.9900 if you have questions.
