| Other Loan Payments: |  |
| Other Expenses: |  |
| Other Expenses: |  |
| Other Expenses: |  |
|  |  |

How to use this worksheet: follow the steps and fill in the budget items on this worksheet. If you prefer, you can use our Excel spreadsheet, which will calculate many of the values for you. The spreadsheet can be found online at www.law.du.edu/financial-aid under the "Financial Literacy" section.

| 7. Calculate your Remaining Balance/Shortfall |  |
| :--- | :--- |
| Total Monthly Income: (step 5) |  |
| MINUS Total Monthly Expenses: (step 6) |  |
| Remaining Balance/Shortfall: |  |

If your remaining balance is high, consider lowering any student loans you may have to reduce your loan debt. If your remaining balance is a negative number, consider reducing your expenses.
