

My Weekly Budget free on iOS App Store and Amazon App Store Oct 3, 2013

Published on 10/03/13

California based AvocSoft LLC today announced that My Weekly Budget 1.6, their highly-rated real-time budgeting app, will be freely available this October 3rd, 2013 for one day only. MyWB offers the easiest way to keep track of your spending and take control of your personal budget. In celebration, My Weekly Budget will also be featured as the Amazon Free App of the Day on October 3, 2013 in the Amazon App store for Android globally, including the United States, Canada, Europe, and Japan.

Aliso Viejo, California - AvocSoft LLC is pleased to announce that My Weekly Budget 1.6, their highly-rated real-time budgeting app, will be freely available this October 3rd, 2013. In celebration, My Weekly Budget will also be featured as the Amazon Free App of the Day on October 3, 2013 in the Amazon App store for Android globally, including the United States, Canada, Europe, and Japan.

My Weekly Budget will be available to download for free by Amazon users for 24 hours and can be utilized on a variety of mobile devices. For iOS users, AvocSoft will have My Weekly Budget App free in the Apple App Store on October 3, 2013 for one day only.

Save money with this real-time budgeting app! My Weekly Budget can help you keep more money in your pocket. Simple but very powerful, MyWB offers the easiest way to keep track of your spending and take control of your personal budget. My Weekly Budget allows you focus on a budget target for the current week and helps you focus on your day to day spending. Tracking your spending on MyWB and using it daily is all you need to stay within your spending budget, allowing you to save money over time! It is easy to use, incredibly straight forward! This app helped many people save money.

"We are excited about featuring My Weekly Budget free on October 3rd, as well as being included on the Amazon Free App of the Day," said Judy Tomlinson, Chief Creative Officer and Founder of AvocSoft. "The Amazon Free App of the Day program will allow people from around the globe free and easy access to a straightforward, flexible solution that puts them in control of their personal spending. We are looking forward to a long app relationship with Amazon and are looking forward to featuring our other apps in the Amazon Appstore in the near future."

Due to its ease of use and flexibility, "My Weekly Budget" has consistently been one of the top 10 personal finance apps in the iTunes store and the #1 paid app in 6 countries, including the US, Australia and New Zealand. "My Weekly Budget" has helped thousands of people save money.
