You may not know this but Free Monthly Websites launched way back in early 2006 and since then over 50,000 people have taken advantage of the free website we have offered each and every month. These websites were content rich cash generating websites that earned the user a commission from AdSense revenue and ClickBank. Many of our users have reported their success stories back to us, so we knew we were doing something right, however, back in 2006 we were just starting out ourselves and while we thought we knew it all, we didn't! You could say we improvised for a while, in fact... Yes, Free Monthly Websites 2.0 is here and you no longer have to worry about editing complicated HTML code as we have taken care of that for you, and you no longer have to worry about anything to do with website design as we have taken care of that for you too, adding your Google AdSense Publisher code, taken care of, ClickBank! All done for you, here's how it works.
