

1. Supplier to use following routing guide when Philips Dunlee is responsible for freight.
2. All shipments must include following documents: A) Packing Slip, B) Quality Assurance Documents (when applicable).
3. Notify buyer upon shipment by either e-mail or fax providing tracking, airway, bill or bill of lading.
4. For any questions regarding routing guidelines, please notify the buyer.
5. Shipments requiring EXPEDITED freight service require written authorization from the buyer prior to shipment.
6. Whenever possible please consolidate all orders in one single shipment.
7. Failure to follow the Philips Dunlee stipulated routing guidelines will result in supplier paying any additional incurred freight charges.
8. All Domestic shipments will route via "GROUND ECONOMY SERVICE" unless otherwise directed by Philips Dunlee.
