## Preschool News

September & October 2015

### IMPORTANT DATES:

**October 9: No School**  
(Teacher Convention)

**October 12: No School**  
(Thanksgiving)

**October 26 & 27:**  
Western Dress up Day

**October 28 & 29:**  
Cooking pumpkin  
pancakes

We are off to a great start!  
Our classroom has been full of creative play, new friendships, exploration and lots of giggles. The month of September is really about focusing on getting to know each other and settling into routine.

Right now we are exploring colours and learning the different variations we can create by mixing them together. We will be doing a few experiments with this at circle and have set up a colour mixing table. The children will continue to discover and experiment with their ideas of colour mixing throughout the year.

Our Bible lessons have been focused on God's creation and how He can do big things with small people because He is in control. We have also been exploring the differences we all have in the unique ways that God has created us. No two finger prints are the same, everyone has different eyes, skin, size, hair, teeth, fingers.... Of course there are so many differences; even in the ways we learn.

In October our themes will be a Western theme and Thanksgiving. During this month we will be baking pumpkin pancakes! We would really appreciate a parent volunteer from each class to come in the day we make pancakes. One of the many activities we will have set up is a centre for hammering pumpkins with golf tees which will develop strength as well as gross and fine motor skills.

**Our preschool will practice its first fire drill in October. This is mandated by licensing and we will continue to have one each month.**

We are ready to start our Show and Tell. Please look at the calendar for your child's name, you should see it approximately every other month or so as we rotate through the class lists. Please only send one item with your child for that day and have it match the sound of the week on the calendar.

**Please remember, as noted in the parent handbook, that the preschool has a Late Pickup Policy.** There have already been several children who have been picked up late and this has resulted in cases of separation anxiety and a sense of abandonment on the part of some of the children.

**In addition, the teachers have other commitments and responsibilities they need to attend to right after class and they have been unable to look after these while supervising your children. Please respect your child's emotional needs and the teachers' time. If you are going to be late due to an emergency, please call the school. Thank you.**

**"Grown-ups never understand anything by themselves, and it is tiresome for children to be always and forever explaining things to them." Antoine de Saint-Exupéry**
