Page 1 of 2

Thank you for your interest in scholarships for the Lancaster Science Factory 2016 Summer Camp program. There are a limited number of scholarships available per camp. Campers may request up to two scholarships. If you are approved, you must submit a summer camp registration form for those camps (do not fill out the online registration: only use a physical form or one that has been emailed to you).

Deadlines: You must complete and submit this application no later than two weeks before the first day of the camp for which you are seeking a scholarship. Check our camp descriptions and availability online (www.tlsf.org/summercamp) or call the office (717-509-6363 x105) to find out if there are still spaces available in the camp you are seeking.

Spaces for scholarship campers cannot be reserved without completion of both sides of this form. If scholarship is awarded for the given camp and the child is a 'no-call, no-show', that child will not be eligible for scholarships in the future. Scholarships are awarded based on date received.

Camp scholarships are provided to families with financial need through generous grants provided by the Russo Family Foundation.
