I. INTRODUCTION

The New York State Division of Criminal Justice Services (DCJS) seeks proposals for funding to provide continued support for DCJS funded positions assigned to the Crime Analysis Centers (CACs) in Albany, Erie, Franklin, Monroe, and Onondaga Counties. The CACs were developed in these counties based on the volume of Part 1 crime and firearm-related crime, the need to analyze Part I crime data on a regional level due to shared incidents and offenders, and to address emergent public safety threats associated with New York State's international border. The enacted SFY 2016-17 State budget includes approximately \$3,000,000 to be made available to the aforementioned CACs. Awards will be funded with both state and federal funds.

DCJS enhances public safety by providing resources and services that inform decision making and improve the quality of the criminal justice system. DCJS is a multi-function criminal justice support agency with a variety of responsibilities, including collection and analysis of statewide crime data; operation of the DNA databank and criminal fingerprint files; administration of federal and state criminal justice funds; identifying and funding programs that reduce crime, recidivism, and victimization. Additionally, DCJS administers the state's Sex Offender Registry. DCJS conducts research on critical criminal justice issues and provides training, legal guidance and regulation to the State's law enforcement, community corrections, and prosecution communities.

II. ELIGIBILITY REQUIREMENTS, AVAILABLE FUNDS AND CONTRACT TERM

A. Eligibility Requirements

Proposals will be accepted from any not-for-profit university and/or institute which offers specialization in the fields of criminal justice or public safety and which have significant relevant experience in undertaking recent or current crime analysis to support law enforcement or public safety initiatives.

Eligible applicants currently receiving funding for crime analysis center positions must submit a proposal in response to this RFP in order to continue to receive funding for those positions. All requests for funding must be to support DCJS-funded personnel.

Eligible applicants may submit a proposal to support any of the five CACs named above. Where an applicant is requesting DCJS funding for more than one CAC, separate proposals are required. The Division will select only one award per crime analysis center.

Applicant Certification

Applicants are required to submit signed Applicant Certifications (Attachment 1), which briefly outline the contract requirements for all funded positions. This Certification will demonstrate a commitment on the part of successful applicants to abide by this RFP and the DCJS contract components once contracts are executed. See Appendix: *DCJS Grants Management System (GMS) Instructions and Helpful Hints* for instructions on submitting the Certification with your application.

B. Availability and Approved Use of State Funds

Approximately \$3,000,000 in state and federal funds will be made available to support the CACs. All funding must support program efforts that will be accomplished during the contract period. Funding under this program must supplement, not supplant, non-grant funds that would otherwise be available for expenditure on the programs proposed. Applicants that receive funding must also agree to provide any fiscal, progress or data reports necessary to satisfy state or federal requirements.

C. Contract Term

Unless otherwise modified by DCJS, the contract period for this grant opportunity will be for a 12 month term effective no earlier than October 1, 2016, and beginning no later than January 1, 2017.

III. PROGRAM DESCRIPTION

Crime Analysis Centers provide centrally located, multi-jurisdictional units responsible for conducting in-depth regional analysis of crime, and sharing the results of those analyses with the local CAC partners and other involved public safety officials. CACs provide a comprehensive picture of the criminal environment within the participating counties where the Crime Analysis Centers exist, allowing law enforcement executives to make more informed decisions in the areas of strategic planning and tactical deployment, and aiding investigators in solving crimes.

The personnel supported through this RFP will be solely dedicated to their assigned CAC location. All crime analyst-related positions will work under the direction of their assigned CAC Director and the CAC Director will work under the general direction of the CAC Board, as applicable.

IV. EVALUATION AND SELECTION OF APPLICATIONS

Applications will undergo a three-tier evaluation as part of the review process to recommend funding awards.

DCJS will make final decisions regarding the funding of projects and individual award amounts based on the quality of each application, the recommendations of the reviewers, and the criteria set forth in this RFP.

Tier I Evaluation – Threshold Pass/Fail

The Tier I Evaluation assesses whether applications satisfy minimum “pass/fail” criteria for funding. All applications will be initially screened by DCJS reviewers to determine the completeness of the application using the following criteria:

- Application was submitted by the published deadline; and
- Applicant is eligible as defined by this Request; and Not-for-Profit Applicant must also meet pre-qualification requirements in the Grants Gateway.

The submitted application shall include:

- Answers to all questions as presented;
- Operating Budget Detail and Justification in GMS itemizing operating expenses in support of the program; and
- All attachments and required documents- see *Checklist*.

Tier I Evaluation criteria will receive pass/fail ratings. Any application that does not meet each of these conditions will be subject to disqualification from further review.

Tier II Evaluation – Evaluation and Scoring

Teams of at least two DCJS staff reviewers will evaluate applications that successfully pass the Tier I Evaluation. A standard rating tool will be used to score each application.

The maximum score will be 100 points. Each category within a proposal application will be scored and the category scores will be totaled, resulting in an overall score. The final score will be determined by averaging Team Reviewers' overall scores for each application. In the event of a substantial scoring disparity, an additional reviewer may rate the application(s) and all scores will be averaged to determine the final average score for the application.

A minimum score of 70 points is necessary to be eligible for funding. DCJS may, at its discretion, request additional information from an applicant as deemed necessary. See Section: Request for Proposal Questions for additional information.

Tier III Review

The Tier III Evaluation will be conducted by DCJS executive staff. The Tier III Evaluation will select applicants for funding and determine the award amount through consideration of the Tier II Evaluation scoring and comments, strategic priorities, and available funding. In the event of a tie where only one award will be made per jurisdiction, the applicant receiving the highest score based on relevant experience will be selected for an award.

Final award decisions will be made by DCJS in accordance with the best interests of the State. Nothing herein requires DCJS to approve funding for any applicant.

V. REQUEST FOR PROPOSALS (RFP) QUESTIONS – GENERAL INFORMATION FOR ALL APPLICANTS

Applicants must respond to all questions below within the DCJS Grants Management System (GMS), as instructed. **GMS instructions are located as an Appendix to this Application.** Please prepare prospective responses in a Microsoft Word Document using Ariel, 11 point font, 1.5 line spacing. Responses should then be copied and pasted to GMS under the *Questions* module “tab” of the application. Applicants are also required to attach the Microsoft Word document with responses using the *Attachments* module on GMS. The number of pages for each question is indicated below.

Responses to the following questions will be scored and are the basis for Tier II funding recommendations. Note the aggregate scoring value assigned to each question equals a total possible score of 100 points.

A minimum score of 70 points is necessary to be eligible for funding. Any and all sub-sections, including those that have no point value, must be answered. The recommended length for each response is provided.

VIII. REQUEST FOR PROPOSAL QUESTIONS FOR ALL APPLICANTS

7. Program Work Plan (0 points)

In the GMS *Work plan* module, enter “To Be Determined” for your Project Goal, Objective, Task, and Performance Measure. This entry is necessary in order for GMS to accept your application. Upon successful application and notification of award, DCJS staff will then assist awarded agencies with developing an appropriate program work plan, including project goal, objectives, tasks, and performance measures. Accordingly, there are no points attributed to this component of your application.

8. Operating Budget Detail and Justification (20 points)

Enter the operating budget directly into the *Budget* module “tab” of the GMS application. See Appendix: *Budget Detail and Justification Narrative Guide* to organize the operating budget, including budgets submitted by anticipated subcontracted service providers receiving funds within this award, if applicable. Operating budgets should project total costs for the contract period and must not exceed the applicant’s eligible award amount if provided.

A detailed budget for the grant period provided must be complete and provide sufficient detail and must also be reasonable and appropriate, as determined by DCJS, and directly tied to the work plan. A funded position should clearly indicate the general duties, full annual salary of the position, hours worked per week, and proposed hours or percentage FTE supported by the grant. For subcontracted agencies approved to provide services, where applicable, attach signed and executed agreements and the approved operating budget using the *Attachment* Module on GMS.

Allowable costs include funding to cover the cost of employment at the crime analysis center, certain fringe benefit expenditures, essential administrative costs, overtime, travel and training, and annual membership dues for the International Association of Crime Analysts. Please note that fringe benefits may not be charged on overtime pay. Travel and training costs may also be requested for individuals assigned to the CAC who are not funded through this grant but contribute to the overall goal of the CAC and the intended purpose of this funding. Each application must clearly outline the amount of funding that is being requested for consultant services to cover the salaries of personnel and the funding that is being requested for administrative costs. Funding for indirect costs, including administrative, is capped at a rate of 15%. Indirect costs are not an allowable expense for governmental organizations. Not-for-profit entities must also show the breakdown between salary and fringe benefits.

Funding requests for equipment, supplies, or any other budget category, will NOT be considered through this RFP.

Consultant Services: All consultant services must be obtained in a manner that provides for fair and open competition. The rate for a consultant should not exceed \$650 for an eight-hour day (not including travel and subsistence costs). A rate exceeding \$650 per eight-hour day requires prior written approval from DCJS and may be approved on a case-by-case basis where adequate justification is provided and expenses are reasonable and allowable. A grant award recipient obtaining consultant services that cost in excess of \$10,000 must use a competitive bidding process.

A grant award recipient who proposes to obtain consultant services from a particular vendor without competitive bidding, must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and basis upon which the price was determined to be reasonable. Further, such consultant services must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice.

IX. NOTIFICATION OF AWARDS

Applicants will be advised of award decisions with a letter of notification, which will be emailed to the address provided by the applicant in GMS.

For those not approved to receive funding awards, notifications will be emailed to the contact person and sent using first class mail to the applicant's postal address.

Applicants will be accorded fair and equal treatment with respect to their opportunity for a debriefing. A debriefing is available to any entity that submitted a proposal or application in response to this solicitation that is not successful in receiving an award. A debriefing shall be requested in writing by the unsuccessful Applicant within 15 calendar days of being notified in writing by DCJS that the Application was not selected for an award.

An unsuccessful Applicant's written request for a debriefing must include specific questions that the Applicant wishes to be addressed and must be submitted to DCJS via the funding mailbox at funding@dcjs.ny.gov with the following in the subject line: **Request for Debriefing Crime Analysis Center RFP**. The debriefing shall be scheduled within 30 business days of receipt of written request by DCJS or as soon after that time as practicable. The preferred method for the debriefing will be in-person. However, upon mutual agreement by all parties, another means of communication, i.e., telephone, webinar, or any combination thereof may occur.

Use of Service-Disabled Veteran-owned Business Enterprises in Contract Performance

Article 17-B of the Executive Law enacted in 2014 acknowledges that Service-Disabled Veteran-Owned Businesses (SDVOBs) strongly contribute to the economies of the State and the nation. As defenders of our nation and in recognition of their economic activity in doing business in New York State,

bidders/proposers for this contract for commodities, services or technology are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles. SDVOBs can be readily identified on the directory of certified businesses at http://ogs.ny.gov/Core/docs/CertifiedNYS_SDVOB.pdf.

Bidders/proposers need to be aware that all authorized users of this contract will be strongly encouraged to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive SDVOBs in purchasing and utilizing commodities, services and technology that are of equal quality and functionality to those that may be obtained from non-SDVOBs. Furthermore, bidders/proposers are reminded that they must continue to utilize small, minority and women-owned businesses consistent with current State law. Utilizing SDVOBs in State contracts will help create more private sector jobs, rebuild New York State's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its SDVOB partners. SDVOBs will promote the contractor's optimal performance under the contract, thereby fully benefiting the public sector programs that are supported by associated public procurements.

Public procurements can drive and improve the State's economic engine through promotion of the use of SDVOBs by its contractors. The State, therefore, expects bidders/proposers to provide maximum assistance to SDVOBs in their contract performance. The potential participation by all kinds of SDVOBs will deliver great value to the State and its taxpayers.

Bidders/proposers can demonstrate their commitment to the use of SDVOBs by responding to the questions on the form located at [http://www.criminaljustice.ny.gov/ofpa/pdfdocs/Veteran Owned Business Form.pdf](http://www.criminaljustice.ny.gov/ofpa/pdfdocs/Veteran_Owned_Business_Form.pdf) and attach the completed form, along with your Application, to the NYS Division of Criminal Justice Services' Grants Management System (GMS). There are no points attributable to this component of the application.

Standard Contract Provisions:

Any contracts negotiated as a result of this solicitation will be subject to the provisions of Appendix A, Appendix A-1, and Appendix M, which contain the standard clauses for all New York State grant contracts with DCJS. Appendices are available on the DCJS website at <http://www.criminaljustice.ny.gov/ofpa/forms.htm>.

Minority and Women-Owned Business Enterprises (M/WBE) and Equal Employment Opportunity (EEO) Requirements

DCJS recognizes its obligation under New York State Executive Law Article 15-A to promote opportunities for the participation of certified minority-and women-owned business enterprises (M/WBEs), as well as the employment of minority group members and women in the performance of DCJS contracts.

Contracts in excess of \$25,000 require grant recipients to document good faith efforts to provide meaningful participation by M/WBEs as subcontractors or suppliers in the performance of grant contracts, as well as the employment of minority group members and women.

Accordingly, applicants requesting in excess of \$25,000 must be prepared to submit a Local Assistance M/WBE Subcontractor/Supplier Utilization Proposal Form (DCJS-3301), and a Local Assistance M/WBE NPS Discretionary Budget Determination Worksheet (DCJS-3309). For contracts in excess of \$250,000

applicants must also submit an M/WBE Equal Employment Opportunity Staffing Plan (DCJS-3300). All forms are located at <http://www.criminaljustice.ny.gov/ofpa/mwbe/index.htm>.

DCJS will review the submitted Local Assistance M/WBE Equal Employment Opportunity Staffing Plan, the Local Assistance M/WBE Subcontractor/Supplier Utilization Proposal Form, Local Assistance M/WBE NPS Discretionary Budget Determination Worksheet, and Minority and Women-Owned Business Enterprises and Equal Employment Opportunity Policy Statement and advise the applicant of DCJS' acceptance once an award determination is made. For additional information regarding M/WBE requirements see also <http://www.criminaljustice.ny.gov/ofpa/forms.htm>. There are no points attributable to this component of the application.

Encouraging Use of New York State Businesses in Contract Performance

New York State businesses have a substantial presence in State contracts and strongly contribute to the economies of the State and the nation. In recognition of their economic activity and leadership in doing business in New York State, applicants for this solicitation are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the contract(s) resulting from this solicitation. Such partnering with New York State businesses may be as subcontractors, suppliers, protégés or other supporting roles. To assist in demonstrating commitment to the use of New York State businesses in the performance of the contract(s), all applicants must complete the form provided on the DCJS website at <http://www.criminaljustice.ny.gov/ofpa/forms.htm> entitled: *Encouraging Use of New York State Businesses in Contract Performance* and submit the completed form as an attachment to the their application in GMS. There are no points attributable to this component of the application.

New applicants will enter the DUNS number in GMS while completing the Participant section; existing DCJS grantees whose DUNS number is not already on file should email the number to funding@dcjs.ny.gov to have it entered by DCJS staff prior to submission of the application. Any organization needing a DUNS number can register through the following link: <http://fedgov.dnb.com/webform>. It is strongly recommended that applicants begin this process early.
