GRAND VALLEY STATE UNIVERSITY COLLEGE OF HEALTH PROFESSIONS

Student: _____   G#: _____   Date:_____
                                                                      (if applicable)

Email: _____   Phone: _____   GPA: _____

Student Status: __ High School __ GVSU Student   __ GVSU Alumni   __ Other: _____

√	Prerequisite Courses (GVSU Course)	School	Course Equivalent	Grade
	Anatomy & Physiology Speech/Hearing Mech. (SLP 302)			
	Language Development (SLP 303)			
	Phonetics (SLP 304)			
	Introduction to Hearing Science (SLP 305)			
	Speech Science (SLP 306)			
	Language Disorders (SLP 307)			
	Articulation and Phonological Disorders (SLP 308)			
	Basic Audiology (SLP 309)			
	Diagnostics in Communication Disorders (SLP 403)			
	Aural Rehabilitation (SLP 404)			
	Clinical Methods (SLP 405)			
	One course in each of the following disciplines… Biological Science, Physical Science, Behavioral Science and Statistics			

These courses, or equivalent courses taken at other institutions, are required prerequisites that must be completed prior to beginning the graduate program in speech-language pathology. All of the coursework need not be completed prior to applying for admission, but the applicant must have a plan for completion of all prerequisites prior to initiation of the graduate program.

Courses taken at other institutions may be titled something different than the GVSU equivalent. In such cases, a review of course syllabi may be undertaken to ensure that the relevant content has been covered.

Communication Sciences and Disorders Application Requirements
Application deadlines: **February 15** for August/ Fall semester enrollment / **July 15** for January/Winter semester enrollment
To be eligible for admission consideration, applicants must submit
  ➢ GVSU Graduate Application
  ➢ A baccalaureate degree from an accredited institution of higher education
  ➢ Official transcripts from all Non-GVSU colleges and universities attended
  ➢ Minimum 3.0 prerequisite GPA
  ➢ Plan of completion outlining how prerequisites will be completed prior to the start of the program.
  ➢ Official results from the GRE (Graduate Record Exam: verbal, quantitative, and writing)
  ➢ Personal written statement
  ➢ Professional vita or resume
  ➢ Name and contact information of three individuals willing to serve as a reference (letters of reference not accepted)
