Gordon-Conwell grade point average through last semester:

Please list any activities or life experience that might support your application by demonstrating your personal knowledge of, interest or involvement in the issues of global poverty, hunger and injustice and/or engagement of these issues in the local church.

Please indicate any past or present roles or positions held which might speak to your effectiveness in leading others in the interests of a common cause.

Briefly explain your current understanding of your calling and how it relates to service in the local church.

Please indicate what other commitments you will have while also serving as a World Vision Fellow (if selected).

I have read the World Vision Fellows program guidelines and agree to abide by them if selected:
