Federal Student Aid Authorization Form

Some Indiana State University (ISU) courses carry mandatory e-textbook fees that are assessed as part of your enrollment in these courses. Recipients of Federal Student Aid (FSA) have the option of voluntarily authorizing ISU to utilize available FSA balances to cover these e-textbook fees. This authorization can be submitted either electronically or by paper copy and will remain in effect unless you rescind it. The authorization may be changed at any time by visiting MyISU at <https://isuportal.indstate.edu/> (My Banner Self Service Links / Student Services & Financial Aid / Registration / Title IV Federal Student Aid Authorization) or by submitting a revised paper authorization form to the Office of the Controller (Account Analysts). Should you have questions, FAQs are available at: www.indstate.edu/etextbookauth.

Required Information

Please select **ONE** of the following:

- I **DO** voluntarily authorize ISU to utilize any available FSA balances to cover my e-textbook fees.
- I **DO NOT** authorize ISU to utilize any available FSA balances to cover my e-textbook fees.
As such, I understand that I will be financially responsible for these charges.
