Rabbi's Message

Torathon 5777 at Congregation Beth Ohr!

When I introduce Judaism to a new student who is contemplating becoming a Jew, I always tell him/her that the process of education is an ongoing one. That is, even though there are basic bricks of knowledge anyone new to Judaism need master, it is altogether impossible to become even remotely acquainted with the history, philosophy, literature and culture of the Jewish people in a short period of time.

Their maxim should be that, while study to *become* a Jew generally takes several months, the study *for* a Jew lasts a lifetime. Given this fact, I am most enthusiastic about the upcoming Torathon this spring at our synagogue and the chance for everyone to take part in the great mitzvah of Talmud Torah.

On April 30th Congregation Beth Ohr will welcome twelve area rabbis who will be teaching a wide array of subjects to the broader New Jersey Jewish community. It is a rare opportunity for anyone interested in Judaism to receive as much as four hours of instruction on one Sunday afternoon. The variety of offerings replicates the extensive reach of Jewish tradition. Just a few examples of sessions include the following lessons:

1. Finding God: "The God of Hebrew School" and Other Jewish Views of the Divine.
2. The Pesach Hagaddah as Guide to Contemporary Judaism and Political Thought.
3. The Korah Rebellion: The Revolt of the "Common" Man.
4. Love Needs to be in Your Heart for Everything.
5. The Jewish History of Intermarriage.
6. We Jews Don't Take Torah Literally; We Take Torah Seriously.

As you can see from this sample of lessons you will have the chance to study a range of thoughtful and challenging topics. Furthermore, as a member of Congregation Beth Ohr, this is a program that is not only an opportunity for our synagogue to demonstrate its purpose as *the* center of Jewish education in Old Bridge it is also a chance for our membership to take advantage of the incredible number of fine rabbis and teachers who are part of our wider community. Please make time on Sunday April 30th to be a lifetime student of Judaism. I promise you that your time will be well spent.

President's Message

I was very pleased to attend the 2017 Jewish Theological Seminary's Convocation on Thursday March 2, 2017, in Manhattan. Our Rabbi, Joel Mishkin, along with 59 of his colleagues received honorary Doctor of Divinity degrees. They were honored by the Rabbinical Seminary for serving the Conservative Movement and the Jewish people with distinction for more than 25 years. Rabbi Arnold Eisen, the Chancellor of JTS, gave the keynote speech, and Rabbi Naomi Levy addressed her fellow honorees with a very uplifting speech. It was amazing to witness the reunion of Rabbis from North America, South America, and Europe at the convocation, and quite meaningful to me to meet the first female Rabbis to be ordained by the Jewish Theological Seminary.

Talking about reunions, I encourage all members to attend Congregation Beth Ohr's 60th Anniversary and Reunion. This year we will be honoring Roberta and Larry Fachler, Helene and Daniel Grynberg, Rabbi Joel and Beverly Mishkin, and Chuck Rogol. The celebration will take place in the Social Hall on Sunday June 4, 2017, starting at 11:00 AM., with an elegant brunch, interesting program, and Anniversary Journal. For the reunion to be a successful fund raiser, we need your support to sell advertisements for the journal to local businesses, and to purchase advertisements to recognize our honorees and our 60th Anniversary. For the reunion to be extra special, please urge former members, friends, and your children to attend.

I want to thank Lisa Clark who volunteers every year to run our successful Mishloach Manot (Purim Basket) fundraiser. Funds raised are donated to the Beth Ohr PTO and to the Jewish Family Services Kosher Food Pantry.

The snow is melting, spring has arrived, flowers are blooming, and Passover will be celebrated in a few weeks. Harriet and I wish a Happy Pesach to the entire Beth Ohr Family!!!

Shalom

Phil

Ritually Speaking April 2017

Recently, the United Synagogue of Conservative Judaism [USCJ], our “governing body,” has been wrestling with dealing with the manner that each congregation address the increasing number of non-Jewish people who become members through marriage, attend services prior to conversion, etc. Each congregation has been given the responsibility of developing policy for this situation. Obviously, many synagogues might have had policies that addressed this situation before and these statements from the USCJ are not meant to override existing policies.

To have a stated policy at Beth Ohr in regards to Ritual, the Rabbi prepared a working draft that the Ritual Committee reviewed, adjusted, and approved at our February meeting. Below is the policy:

- 1- The non-Jewish spouse may accompany the spouse on the bimah for an Aliyah, although the non-Jewish spouse may not recite the blessings over the Torah. This honor is reserved for only life-cycle events, such as Bar/Bat Mitzvah, baby naming and auf-ruf. Accommodations may be made at the Rabbi’s discretion.
- 2- Both parents are to be named in English in a blessing said for parents at the Bar/Bat Mitzvah.
- 3- Both parents may offer an English message to their child on his/her Bar/Bat Mitzvah.
- 4- While non-Jewish individuals are not permitted to carry, lift and wrap the Torah or to open the Ark, they may accompany a Jewish adult to the Ark opening. They may also be offered an English reading appropriate for members of another faith.

If you have any questions, suggestions, or comments, please address them to the Ritual Committee.

BETH OHR CEMETERY

Congregation Beth Ohr owns and operates a cemetery which is located on Ernston Road in Sayreville. The cemetery is a non-profit entity using existing funds and fundraising as its source of operating revenues. Membership in Beth Ohr entitles each congregant to one individual plot which must be reserved at a cost of \$50. All other costs such as perpetual care, administrative fee, funeral, plot opening, headstone, etc. are borne by the family of the deceased. Please call Phyllis Greenberg in the office at 732-257-1523 for further details.

April Yahrzeits

The actual date that the Yahrzeit is observed is to the right of the name. It is customary to light a memorial candle on the eve of this date and to give tzedakah in memory of the deceased. One should recite the Mourner's Kaddish at services the evening before as well as the day of the Yahrzeit. Please call Phyllis in the Synagogue office at 732-257-1523, if you need information about the schedule of worship. The name of your departed will be read at the Friday evening and Shabbat morning services, the week before the Yahrzeit date which are represented by the dates in the columns which are in bold print.

Adult Education Highlights

Adult Education classes continue to flourish at Beth Ohr and we invite you to choose as many classes as you would like to attend.

Rabbi Mishkin's classes are held on Tuesdays and Thursday mornings. His morning and evening class schedule can be found in our monthly newsletters, in e-mails, in our weekly Shabbat booklets that are available in the synagogue sanctuary, and on the Sisterhood calendar.

His every-other-Tuesday evening classes of **Practices and Customs 2.0** continue on April 25th. The Rabbi is inviting his present students and newcomers to join him at 7:30PM for a spirited discussion revolving around the book, "Wise Aging, Living with Joy, Resilience and Spirit" by Rabbi Rachel Cowan and Dr. Linda Thal. This class will involve interactive sessions, reflective discussion and textual study around the topic of enhancing our lives spiritually, religiously and emotionally at the various stages of living. It is intended for interested students of all ages. If you will be joining Him regardless of whether you have been a member of the class, please call Phyllis Greenberg at [732-257-1523](tel:732-257-1523) and RSVP so that the Rabbi can have a handout available for you for our session. We will then make arrangements to purchase the book, available in paperback. He looks forward to seeing you on Tuesday evening.

The **Conversational Spanish class** is led by Terrie Polovsky, who assures me that anyone can join at any time. The class will be held every Wednesday morning at 11:00 a.m. once Terrie is able to resume teaching. But meanwhile, we wish her a speedy recovery so she can be back teaching her anxious students once again.

The **Hebrew Reading class** will also continue. If you read Hebrew but would like to become more fluent, or if you would like to come practice reading while we discuss some of the prayers, come to our class on Thursday mornings at 11AM. "It's that time of year" so we are practicing prayers from the Haggadah. Join us and be ready for your Passover Seder

TORATHON! APRIL 30—SAVE THE DATE!!

We listened to your suggestions and moved it to AFTER Passover so all our snowbirds will be home again, and the program will run for **four** hours so everyone has the opportunity to attend more classes. We have 12 Rabbis—some new faces, some who come regularly - anxious to join us on that day to teach and discuss any number of subjects. Plan on being there for a wonderful program.

ADULT ED NEWS

Are You Interested.....

In an Adult Bar/Bat Mitzvah Class?

Did you never have the opportunity to study to become a Bar or Bat Mitzvah? Would you like to learn some of what you missed growing up without a chance to attend Hebrew School? Would you like to go back to study in depth some of those things you didn't pay attention to in Hebrew School? Rabbi Mishkin would be glad to start a class if you are considering the idea of becoming a Bar or Bat Mitzvah, studying some basic Judaism, and taking part in a Bar/Bat Mitzvah ceremony

In a Basic Hebrew Class?

Would you like to take a "crash" course so you will read Hebrew in 6 weeks!!!! If so, I would be glad to start another crash course on Thursday mornings at 10 or 12. Please contact Linda Benish if you can't read at all, or once knew and forgot how. No tests, no homework (well, maybe a little practicing) and lots of fun. Then you could even join us for the reading and discussion group at 11 a.m., if you like. We discuss all kinds of things: the meanings of the prayers we read, the traditions that we sometimes don't understand, and why we do what we do at services.

In learning how to chant a Haftarah? Or how to chant a Torah portion?

You can learn the "trope" (the musical notes) for either a Haftarah or a Torah portion. Once you learn the notes, you can read any Haftarah or chant any Torah portion. A "good" voice is not a requirement,

For any of these, contact Linda Benish at 609-426-8727
Or Phyllis in the office at 732-257-1523

MEKHIRAT HAMETZ
(SALE OF LEAVEN 2017)

The Torah tells us that during Passover, “No leaven shall be found in your houses for seven days” (*Exodus* 12:19). The Rabbis understood this to mean that one could not own any hametz during the holiday. To prevent the financial hardship that would result from discarding all of one’s leaven on an annual basis, the rabbis developed a legal mechanism whereby an individual could sell his/her leaven to a non-Jew for the duration of the holiday.

PLEASE REMEMBER that even if you plan to be away from home for the entire holiday, you must still sell all the hametz you own. Similarly, should you own other property, or store leaven products in your office, you must still sell the hametz stored at those locations.

While there is no charge for the selling of leaven, it is customary to include a charitable contribution with the “Sale of Leaven” form.

PLEASE FILL OUT THE FORM BELOW AND RETURN IT TO THE SYNAGOGUE OFFICE WITH YOUR TZEDAKAH DONATION MADE OUT TO THE “RABBI’S DISCRETIONARY FUND” OR “JEWISH FAMILY SERVICES” NO LATER THAN THURSDAY, APRIL 13TH. YOU MAY, HOWEVER, GIVE IT TO RABBI MISHKIN IN PERSON ON MONDAY, APRIL 10th AT THE FAST OF THE FIRST BORN SERVICE AT 7:30 A.M.)

THE UNDERSIGNED, BY HIS/HER/THEIR SIGNATURE(S), have herewith granted full Power-of-Attorney to Rabbi Joel Mishkin of Congregation Beth Ohr, concerning the sale of every product containing leaven or its derivatives in his/her/their possession, effective as of 12:00 PM. Eastern Daylight Saving Time, on the 14th day of the Hebrew month of Nisan which is the day before the First Seder that night. This power of attorney includes the right to rent to the purchaser all storage space, vessels and receptacles wherein such merchandise is currently found, and may thus be enforced in the most effective manner in accordance with the laws of our Torah, as well as in accordance with the civil laws of the State of New Jersey.

Coming to America

By Sylvia Kagan

Photo of Sylvia when she arrived in U.S.

BACKGROUND

I was born in a small village in Transylvania, Romania in 1926. In the Yiddish language, it was known as Mikiv. I had a brother who was 17 years older than I was. We lived in a 3 room house which was part of farming community. There was no electricity or plumbing. We retrieved water from a well located across the street from our house. Behind our house, we grew a variety of vegetables and we also had fruit bearing trees. Also, we owned land a short distance from our house where we grew other types of vegetables. We had a variety of farm animals, which provided us milk, eggs, cheese & butter.

In the early 1930's, my father became ill and after 2 years of treatments for stomach pain, he learned he had cancer. He had cancer surgery but he died 2 months later in 1934. My mother was a widow for the 2nd time at age 48. My brother was married in 1935 and he had 3 daughters, all whom perished in the holocaust.

FAST FORWARD – 1949

After 5½ years of being in the Czechoslovakia ghetto, Auschwitz, Lieberstad (a forced labor camp) and various other places in Germany, as well as the DP camp (Displaced Persons Camp) – CAMP NEUSTADT HOLSTEIN; I was finally given a green light to immigrate to America. I docked in New

York harbor on a ship called the S.S. Ballaw on November 30, 1949.

Waiting for me was my Uncle (my Mother's brother), my Aunt and my American cousin, as well as a cousin I grew up with whom came to America before I did. They had a chicken farm on Cranbury Road in East Brunswick, NJ - back then it was all New Brunswick. As soon as we left the harbor I asked my Aunt if they had a cow. She said "Why do you ask?" I said "because I like milk." She said "We don't have a cow, but plenty of milk." She was not kidding. For the first time I saw the open door of a fridge, and I was shocked. There were large containers of milk and cheese, that I never knew of. I only knew of farmer cheese, which we made ourselves. There were fresh fruits and vegetables in December, which is not the growing season, as well as meats. Also, there were boxes of canned food in the basement. I loved to look at all that food and hoped that nobody noticed. I did not talk about my years in Europe, unless I was asked about something specific. I felt that they would not understand or believe me.

When I heard my family talking about how difficult it was to obtain some foods during the war and after, the only one item I remember was sugar. There was no white sugar only brown sugar. I did not see sugar for a whole year. I did not see a fresh egg in 5½ years. I did not see meat, an apple or a carrot in I do not know how long. So, it was

better to stay off the subject. I have no regrets in coming to America. My family was very good to me and later to my husband. They were very supportive. I am still in touch with my first cousin's children.

America has been very good to me and my family and I never asked anybody for anything for free. When my older daughter was a senior in high school, I was speaking with her teacher one day and I asked her (the teacher) what will my daughter do after high school. I was surprised when the teacher mentioned that my daughter could go to any college she wants to. I was amazed that a child of mine, especially a girl could go to college...I was on cloud nine. When my younger daughter was graduating high school, it was not a question whether or not she would attend college, it was a given...and she did. She also obtained a second degree.

I mentioned that when I arrived in America I went to my Uncle's chicken farm on Cranbury Road in East Brunswick. After 18 months I moved to New York (the Bronx). During my 50 years in the Bronx, I was primarily a home-maker, but I also worked in a toy factory until my eldest daughter was born. I then worked as an aid in the school system. I also went back to school to learn office work. When I first came to America I attended night school to learn English.

After living and raising a family in the Bronx, I moved back to NJ and I reside just about 5 miles from where I first lived when I first arrived in America.

Note: Sylvia previously wrote about her experience in Auschwitz in the May 2016 issue of the Beth Ohr Newsletter. Thank you, Sylvia, for sharing these important life histories.

Book of Leviticus

On Shabbos April 1, 2017 we begin reading the Book of Leviticus. Following is the name of each parsha with a brief description.

Vayyikra "And He called" [to Moses]. G-d spoke to Moses to tell him what he should say to the people. This book contains many laws and little story.

Tzav "Command" Aaron. The Kohanim are anointed.

Shemini is the third word and the number eight. A new chapter begins just after instructions for seven days. This could signify a separation and transition from the cycle of the natural world to the spiritual.

Thazria "She conceives." This refers to the birth of a male child who is then circumcised on the eighth day. There is a relationship here between this and the leprosy mentioned in the rest of the parsha. Neither refers to a medical condition but to a religious activity.

Metzora "Sufferer" The person that has Thazria, the condition described in the previous parsha.

Acharey mos "After the death." This refers to the two sons of Aaron who died when they approached before Hashem and died.

Kedoshim Holy. You [the congregation] shall be holy.

Emor "Say" to the Kohanim – Laws of the Priests.

Behar Mountain. G-d spoke to Moses on Mount Sinai.

Bechukosai "Decrees" Laws. If you pursue my laws...

HELP

Help make this celebration a great event.

Plan to attend. Mark your calendar now!

Please reach out to people you know that were past congregants who have moved, and alumni of our Hebrew school and those that became a Bar or Bat Mitzvah at Beth Ohr. Let them know about this 60th Anniversary Celebration and Reunion. Or give us their address and we will contact them. Send to Ed at emcpa1@aol.com or put in Dinner Dance Committee mail box at Temple.

Also, we would like as many people as possible to write their reminiscences that we can include in the Journal (there is no charge for this). Mail to Dinner Dance Committee at Temple or email to emcpa1@aol.com.

And we need all of our members to sell ads so we could also make this a great financial success. A reproducible ad form is on the next page. Every member that sells \$250 in ads (\$500 in ads for a couple) can attend the celebration for free.

If you want to be on the committee,
contact Ed Mendlowitz, 732 890-3344 or emcpa1@aol.com

SISTERHOOD PRESIDIUM PRESIDENT

SHALOM YOU'ALL,

Spring is in the air and Passover is on our minds. It takes a lot of work to make a traditional Passover. You have to clean the house more than thoroughly, dispose of all the "chametzdik" foods, pack all of your normal dishes, pots and pans, buy all those special foods for Pesach, and then plan the Seder dinner. All of this hard work for only one week, but it's all worth it. Pesach helps us to think, with our family and good food around us, about what it means to each of us personally to be Jewish.

Passover begins with the first Seder on April 10th.

A special thank you to all who helped make our joint brunch with "Men's Club" on March 5th an enjoyable time!

One of our upcoming events will be our annual Sisterhood Torah Fund Benefactor's luncheon. On Sunday, April 23rd, we will be honoring Maxine Kaufman. I hope everyone will try to attend!

From my family to yours----I wish you a sweet and happy Passover.

Presidium Member
