
This is my weekly homework sheet. **Research shows that kids who read at least 20 minutes a day become better readers. Since I want to become an even better reader it is important that I read every night!** It's important that we fill in the Reading Log at the bottom. For every 20 minutes I read, I get to color in a day on the 100 Days of Reading chart. This week we are working on the _____ and _____ pattern in words. I get to do my Simple Solutions lessons at home and I get to practice my math flashcards for 5 minutes each night to help build my fact fluency. This quarter we are focusing on +/- 2's, 3's, 4's and 7's. Please sign off on the bottom of this page when I have completed all of the activities.

Monday: Read 20 minutes

Complete word study activities on the back of this sheet

Simple Solutions lesson #73 and practice Math Flashcards for 5 minutes

Tuesday: Read 20 minutes

Simple Solutions lesson #74 and practice Math Flashcards for 5 minutes

Wednesday: Read 20 minutes

Simple Solutions lesson #75 and practice Math Flashcards for 5 minutes

Thursday: Read 20 minutes

Complete word study activities on the back of this sheet, practice for quiz tomorrow.

Simple Solutions lesson #76 and practice Math Flashcards for 5 minutes

Friday: Homework Sheet is due!

****Don't forget to check out my Data Binder to see what's been added and sign the parent signature page!****

Date	Title of Book	Amount of Time

Parent Signature: _____

(This signature signifies that my child completed all of the assigned homework this week.)

Directions: Use the ou magic square to create as many -ou words below. You can go horizontally, vertically, diagonally and repeat letters if needed.

sp	n	d
a	ou	t
r	b	cl

Directions: Use the box below to draw a Valentine’s picture. Hide all of your sight words for the week in the picture.

Words to Spell:	such	because	turn	here	why
Words to Read:	ask	men	read	need	went
