

HONORS COLLEGE

REQUEST FOR LETTER OF RECOMMENDATION

As a service to our students and upon request, the Bowers Honors College prepares letters of recommendation. Since recommendations are often extremely important in admission to graduate and professional school, in competition for scholarships, and in applying for jobs, it is often best if they are written by a faculty member who knows you very well. **We encourage you to request letters of recommendation from faculty with whom you have worked closely.** If you would like the Honors College to prepare a letter for you, please complete the form and attach any supporting documents and/or applications.

Note that a minimum of TWO WEEKS NOTICE is required for letters of recommendation.

Who within the Honors College office would you like to have write this letter of recommendation?

(If you do not specify an individual, your letter will go out over the signature of the Director)
