

2014-2015 FAFSA Verification Worksheet

Your Free Application for Federal Student Aid (FAFSA) was selected for review by the U.S. Department of Education in a process called "Verification". This means Philander must compare the information from your FAFSA, your 2013 Federal tax transcript, this worksheet, and other financial documents. If there are differences between your FAFSA information and your financial documents, additional information may be requested and/or corrections will be processed. The law says that we have the right to ask you for this information and resolve any conflicts before awarding Federal financial aid (34 CFR, Part 668). You must provide Philander Smith College with the following: You may contact the IRS at 1-800-829-1040 or <http://www.irs.gov/> if you need copies of your tax transcript.

You should provide all required information as soon as possible. Attach an additional sheet if necessary. Your Federal financial aid awards will not be offered until the verification review is completed and validated.
