# APPLICATION COMPLETION SERVICE

We will complete your online visa application(s) for you as an optional service if you are not able to or simply prefer not to go through the online process on your own.

You must still provide all the necessary personal information in order for us to be able to provide this service. A hand written manual version of the visa application(s) must be completed and returned to us before you actually send in your passport and other required documents for visa processing.

Once we have received your completed manual visa application form(s) we will execute the online form on your behalf and return it to you within 2 working days. You will then need to sign this form and include it with your passport, photographs and other documents being sent to us for processing of your visa(s).

Please note that this service is separate from the actual processing of your visa(s) and you must wait to receive and then sign the completed online version of the visa application form(s) from us before you physically ship your documents to us for visa processing.

The fee for this service is \$75.00 per application, per person payable via credit card at the time you send the manual version of the application(s) to us and is in addition to the visa processing fees quoted.

If you would like to take advantage of this service please call us at 888-838-4867 or email us at [applications@pinnacletds.com](mailto:applications@pinnacletds.com) to request a manual version of the visa application form(s) be sent to you.

## **Online Visa Application Form for China**

**IMPORTANT TO READ ALL INFORMATION BELOW BEFORE YOU COMPLETE YOUR ONLINE APPLICATION.**

Please click on or carefully type the link exactly as shown above directly into your web browser address window and NOT into your search engine, e.g. Google or Yahoo otherwise you will not reach the application. When you click on the link for the Chinese visa application it may open in a new tab in your browser rather than in Adobe Reader. You may not be able to input data to the fillable fields and/or print the form. Alternatively you may prefer to right click and save the actual document to your desktop and then open it from there using Adobe Reader which should allow you to complete and print the form. If you are using a MAC please note that the Safari web browser may not be fully compatible with the online visa application process so you may need to use Chrome web browser instead.

**All application forms must be completed online at the following web page:**
