Hi everyone,

The Art Competition forms were sent home with your children last week. This is an optional activity, however a great way to raise awareness about Safety House as well as a fun way to be creative incorporating IMA the Safety Mascot. There are separate competition groups for each of the school years from Kindy to Year Six. A cash prize of \$50 will be awarded to each year group winner and every participating student and school will get a Certificate of Participation with the return of their artwork. All entries must be received by **Friday 26th August**. Good luck & Happy Colouring!

I'm excited to confirm the 2016 Safety House Show is coming to Creaney on **Thursday 8th September**. There is no cost for this incursion thanks to the City of Joondalup Council.

The Safety House Show is an entertaining and educational show designed to promote the Safety House message. The show helps primary school children become more aware of their personal safety and how to deal with difficult situations. The show will help children identify how a stranger might try to influence them, offer some strategies on how to deal with bullies and advise children on what to do if they ever get lost, scared or hurt. Parents & carers are welcome to watch the show.

The show will commence promptly at 1.45pm after lunch and will run for approximately 35 minutes.

For further information on the Safety House program or should you interested in becoming a Safety House - please visit the website www.safetyhousewa.org.au
