- **Local Service**
- **Leading innovation in dementia care**

# MY LIFE FILMS

great people | great memories

- **ACTION PLAN 1**
- Make films for £1 for as many people as possible in the Borough.
- *As a result of building relationships, hopefully a number of families in the borough will commission film packages for the person they know with dementia. This involves visiting them in their home, or care home, collecting together family photographs, favourite music tracks and interviewing members of the family.*
- Status: Implementation

# MY LIFE FILMS

great people | great memories

- **ACTION PLAN 2**
- Raising funds to pay for the production costs of the films.
- *Securing private investment or corporate donations for the charitable organisation so that films can be given out for £1 only. Charity registration confirmation.*
- Status: Planning

# MY LIFE FILMS

great people | great memories

- **ACTION PLAN 3**
- Building relationships with people with dementia in Richmond
- *This will involve volunteering at dementia cafes, speaking to carer support groups, visiting management at care homes and introducing the idea to partners, carers, healthcare workers and people with dementia.*
- Status: Implementation
