### Addressing Information:-

Either your home address or work location

#### **Contractual Information:-**

This area includes your PAYE Tax District, Tax Year, Personal Tax Code, Pay Date, Pay Period, and your National Insurance Number

Each job that you hold is presented here too

- Pay Number and Position
- Weekly Working Hours
- Pension Percentage (If Applicable)
- Grade and Spine Point
- Annual Salary and Hourly Rate Of Pay

Each role you hold has a number and this is used to identify parts of the gross pay on your payslip.

### **Gross Pay Information:-**

Your total gross pay can be made up of many elements and they are all displayed in this area.

- The No next to each element is the job number it relates to.
- Units represent the number of hours such as additional hours or overtime.
- The value is the total amount of gross pay for each element
- If there is an '(R)' after the payment name, this represents a
  payment that has been input for a
  previous pay period
