

California Prevailing Wage, Certified Payroll & Labor Compliance Training

Prevailing Wage is a mandatory component of many public works construction projects. Unfortunately, the law often raises more questions than it answers. What is Prevailing Wage, What paperwork do I need? How can avoid liability and complaints....Lets start with this seminar!

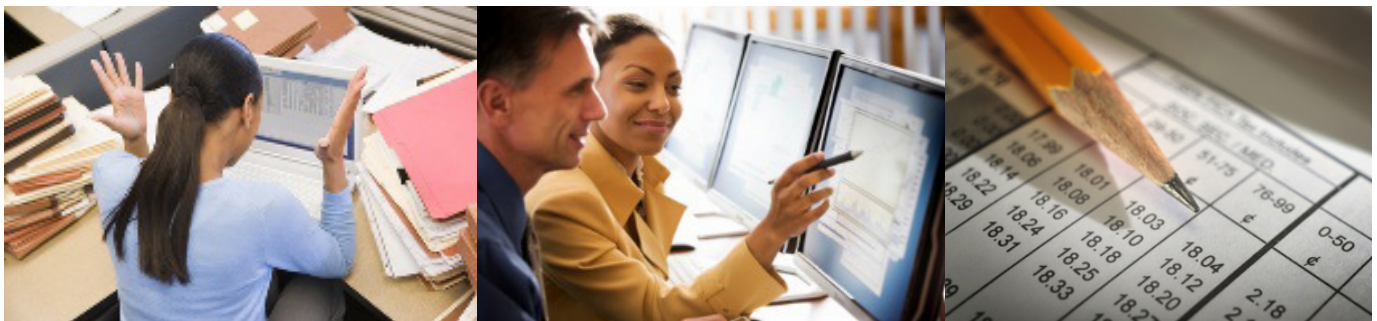

August 24, 2016
November 10, 2016

COURSE DESCRIPTION: This one-day Prevailing Wage Fundamentals course. This broad overview focuses on the HOW of California Prevailing Wage/Federal Davis Bacon Compliance as well as the WHY. It equips participants with a knowledge base that is vital to complying with these requirements. This is a Facilitator led forum in which select professional representatives from various government contracting agencies that may include NAVFAC, Caltrans, and local Municipalities contribute to the learning. Apprenticeship requirements are presented by a representative from the AGC Apprenticeship program, and the fringe benefit requirements of the law are discussed by a representative of a bonafide fringe benefit trust plan.

LEARNING OBJECTIVES / OUTCOMES:

- Know why Prevailing Wage Laws exist
- Understand the differences between California state and Federal Prevailing Wage Requirements
- Who is Entitled to Prevailing Wage?
- Contractor Liability for Subcontractor's Failure to Properly Pay Prevailing Wage (Importance of embrace Compliance)
- How to Look Up and Determine the correct Prevailing Wage Rate
- Understanding Classifications
- Apprenticeship Obligations on California Public Works Projects
- Recordkeeping and Fringe Benefit Requirements
- Hot Topics, Questions and Answers
