

Education Gap Form

In the Application Form that you submitted for admission to the University at Buffalo, you indicated that you are applying as a FRESHMAN. You also indicated that you have already graduated / completed high school (secondary school). Thus, there will be a gap between the time you graduated from high school and the time you will begin studying at UB. Please answer the following questions and sign the statement so that there will be no misunderstanding about your educational background. As a reminder, here are the definitions of Freshman and Transfer:

FRESHMAN: You have completed high school. You may have a gap between high school and university studies, but you have never enrolled in a post-secondary college/university.

TRANSFER: You have completed high school and you have enrolled in one or more classes in a post-secondary college/university.

Answer these questions and return the completed form. You can fax the form back to +1 716-645-3240 or you can scan the form and attach it in an email to: intadmit@buffalo.edu
