Unusual Enrollment History Verification

Academic Year 2013-2014

Your 2013–2014 Free Application for Federal Student Aid (FAFSA) has been flagged for “Unusual Enrollment History Review” by the U.S. Department of Education because you have received Federal Pell Grant funds at multiple education institutions during the past three academic years (2010-11, 2011-12 and 2012-13). This flag requires Cameron University to review your enrollment history and determine whether or not you are enrolling in an institution long enough to receive aid without earning any academic credit towards degree completion. In the process of reviewing your enrollment history, we will check the National Student Loan Data System (NSLDS) to obtain a complete academic record including the name of institutions you have attended and the dates of attendance. **You must complete and sign this worksheet**, attach any required documents, and submit the form to our office. Do not leave any questions blank.
