Minor's Photo/Video Release Form

Photographs and videos are a great way to promote and share the church events and activities. We especially like to include images of our congregation members within various print and online media.

However, not everyone appreciates being photographed or filmed, so we want to ensure that the privacy and wishes of all are respected. For this reason, we ask that all willing individuals to sign this release form allowing the church to use their likeness.

I, _____, am the parent or legal guardian of the following child or children under 18 years of age and hereby grant Crossroads Bible Church permission to use their photograph or videos to be used in any and all church publications for display, educational and/or promotional purposes.

I waive any right to inspect or approve the finished product or the copy wherein my photograph or likeness appears. It is understood that my name may or may not appear in conjunction with the photograph or likeness. Additionally, I waive any right to royalties or other compensation arising or related to the use of my photograph or likeness.

I release and discharge the church from all claims, demands, and causes of action, which I have or may have by reason of this authorization. I have read this contract in its entirety, understand and agree to all of its terms.

I grant the Crossroads Bible Church permission to use their photograph or video in any and all church publications.
