FURNITURE GUIDELINES 2012

FORD MOTOR COMPANY OF CANADA LIMITED

FURNITURE GUIDELINES 2012

We are pleased to offer you a comprehensive program of furnishings for your dealership. The program was put together as a result of outfitting a number of dealerships across Canada, coupled with input from your design consultant and Ford Head Office.

This offering is designed to save you time and money. We have priced the product very competitively and chosen products that provide excellent value. We have also chosen finishes that will work with your standard decor so you do not have to spend time and effort searching through catalogues and finishes, to achieve a truly coordinated environment.

All products are discounted 50% (with the exception of Descor wood products which are 45%) with delivery, freight, installation and taxes extra. Your local Global Group dealer will gladly provide you with net pricing and figures for delivery, installation and freight. To find a local dealer simply go to **www.globaltotaloffice.com** and click on "Dealer Locator" and enter a postal code or city. We have included a list of showrooms and contacts across the country for your reference.

For additional information please contact **Harvey Lamb** at The Global Group **416-931-4457** or **harvey_lamb@globaltotaloffice.com**.

FURNITURE GUIDELINES 2012

360° Thinking

Seeing the big picture.

At Global Group, it means integrating our efforts to sustain the earth, air and water into our entire corporate culture, at all levels, in all operations. 360° thinking means that at every stage of every product's life, from conceptualization through manufacturing to reclamation of resources at the end of its life, we ensure that it has the smallest possible negative impact on human well-being and the environment.

360° thinking means going beyond our own walls and working with our suppliers, customers and the broader community to achieve more than we could alone. It means building on past successes and developing new technologies to take us into the future. It's about seeing the results of our efforts in the world around us and knowing that we have laid the foundation so that future generations can carry our success even further.

GRAPHIC

2739

Graphic combines modern styling and detailing with standard posture back mechanism and high value pricing.

List Price

Grade 4
 \$ 536.00
