Dear XYZ,

I am writing this letter to you, to apologize for my rude behavior. I am really sorry for my behavior two days back. I know I should not have spoken so rudely to you in front of everyone. I was frustrated because I scored less in my exams. The exams were very important for me as scoring well would get me a good job. But, unfortunately now I won't get it. That frustration made me scream.

I am sorry from my heart to speak so rude to you. I know you are deeply hurt by this behavior. I promise that I will never ever behave in the same way in the future. Hope you forgive me and trust me again. I also want to thank you for taking care of me and not getting hyper when I got frustrated with you. Thanks for everything and please be with me always.

Dear \_\_\_\_\_(Sir or Madam),

I am extremely sorry for my behavior with you on the day before yesterday. I have gotten very frustrated and was rude to you. Actually that day my boss yelled at me and I was upset about that. Apart from that my presentation also got rejected by my boss. Thus I was tensed and frustrated with my boss and at that time you were cracking jokes.

I know you were just trying to change my mood but I scolded you and you got angry. Please forgive me and accept my apology. I assure you that in the future I will see to it that my personal life and professional life don't get mixed up. As you have always been supportive to me please ignore my mistake and please be with me for a lifetime.

Thanking You

Yours truly,
