POSTMARKETER3 E-NEWSLETTER

Service Description

Keeping your customers up-to-date on your latest products and services is an easy way to keep them coming back. Stanton Street has a comprehensive email newsletter system that will change the way you communicate with the world.

Your PostMarketer3 email newsletter can be used to announce special events, advertise a new product, or send out important information about your organization. Think of it as a mini website reaching your audience directly.

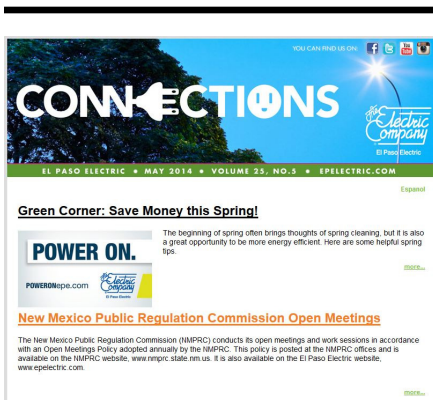

Stanton Street makes it easy for you to gain your customers' attention. We'll provide you with a customized email newsletter template. All you have to do is fill in the blanks and hit send.

The screenshot shows the PostMarketer3 interface with the Stanton Street logo. The user is logged in as 'El Paso Electric'. The interface displays a list of newsletters under 'Newsletters - Pending' and 'Newsletters - Sent'. The 'Sent' list includes details such as the newsletter title, date, and performance metrics like unique recipients, unique viewers, and bounces.

Newsletter Title	Date	Unique Recipients	Unique Viewers	Bounces
Add Energy Efficiency to your "To Do" list this Spring	April 6, 2011	48,915	6,409	176
A Letter from El Paso Electric CEO David Stevens	March 2, 2011	47,996	10,227	151
Go On-line for Energy Savings	February 9, 2011	47,440	7,039	194
Electrical Safety Tips for After the Holidays	January 7, 2011	46,970	5,726	321

The PostMarketer3 system provides you immediate and measurable results. Want to know how many people read your email newsletter? Did you have an email address bounce back? PostMarketer3 will let you know. When combined with Google Analytics™ service, you will have the ability to measure the results of your e-mail campaigns.
