Group Project: Intra-Group Evaluation

Instructions: List every member of your group including yourself across the columns at the top of the page.
For each individual record a grade above the dotted line in each of the four categories.
Grades may vary from 0 [zero] to 10 [ten] where zero means the group member appears not to exist
and ten means the best performance that I have ever witnessed by a group member.
If numerical grades are unusually high or low, provide a few words of explanation below the dotted line.
