General Instructions

USCIS provides most forms in PDF format free of charge through the USCIS Web site. In order to view, print, or fill out our forms, you should use the latest version of Adobe Reader, which can be downloaded for free at <http://get.adobe.com/reader/>.

If you are completing this form on a computer, the data you enter will be captured using 2D barcode technology. This capture will ensure that the data you provide is accurately entered into U.S. Citizenship and Immigration Services (USCIS) systems. As you complete each field, the 2D barcode field at the bottom of each page will shift as data is captured. Upon receipt of your form, USCIS will use the 2D barcode to extract the data from the form. Please **do not damage the 2D barcode** (e.g., puncture, staple, spill on, write on, etc.) as this could affect the ability of USCIS to timely process your form.

Each application must be properly signed and accompanied by the appropriate fee. (See section entitled "**What is the Filing Fee?**" of these instructions.) A photocopy of a signed application or a typewritten name in place of a signature is not acceptable.

If you are under 14 years of age, your parent or legal guardian may sign the application on your behalf.

Evidence. You must submit all required initial evidence along with all the supporting documentation with your application at the time of filing. If you are electronically filing this application, you must follow the instructions provided on the USCIS Web site, www.uscis.gov.

Biometrics Services Appointment. After receiving your application and ensuring completeness, USCIS will inform you in writing when to go to your local USCIS Application Support Center (ASC) for your biometrics services appointment. Failure to attend the biometrics services appointment may result in denial of your application.

Copies. Unless specifically required that an original document be filed with an application or petition, a legible photocopy may be submitted. Original documents submitted when not required may remain a part of the record and will not be automatically returned to you.

Translations. Any document containing foreign language submitted to USCIS must be accompanied by a full English language translation which the translator has certified as complete and accurate, and by the translator's certification that he or she is competent to translate from the foreign language into English.

Part 4. Accommodations for Individuals With Disabilities and Impairments

USCIS is committed to providing reasonable accommodations for qualified individuals with disabilities and impairments that will help them fully participate in USCIS programs and benefits.

Reasonable accommodations vary with each disability or impairment. They may involve modifications to practices or procedures. There are various types of reasonable accommodations that may be offered. Examples include:

1. If you are unable to use your hands, you may be permitted to take the test orally rather than in writing;
2. If you are hearing-impaired, you may be provided with a sign-language interpreter at an interview or other application related appointment; or
3. For those unable to travel to a designated USCIS location for an interview, you may be visited at your home or a hospital.

If you believe that you need USCIS to accommodate your disability and/or impairment, check the "Yes" box and then check any applicable box in **1.a. - 1.c.** that describes the nature of your disability(ies) and/or impairment(s). Also, write the type(s) of accommodation(s) you are requesting on the line(s) provided. If you are requesting a sign-language interpreter, be sure to indicate for which language. If you require more space to provide additional information within this application, please provide the information on a separate sheet of paper, and attach it to your application. (See General Instructions, "How To Fill Out Form I-90," item 2.)

NOTE: All domestic USCIS facilities meet the Accessibility Guidelines of the Americans with Disabilities Act, so you do not need to contact USCIS to request an accommodation for physical access to a domestic USCIS office. However, on **Part 4** of the form, you can indicate whether you use a wheelchair. This will allow USCIS to better prepare for your visit and have a wheelchair accessible interview room available for you once you enter the facility.

USCIS considers requests for accommodations on a case-by-case basis and will use its best efforts to reasonably accommodate all applicants with disabilities or impairments. Qualified individuals will not be excluded from the participation in, or be denied the benefits of, USCIS' programs solely on the basis of their disability(ies) or impairment(s). Requesting and/or receiving an accommodation will not affect your eligibility for a USCIS benefit.

Part 5. Signature of Applicant

Every application must contain the original signature of the applicant. A photocopy of a signed application or a typewritten name in place of a signature is **not** acceptable. If you are under 14 years of age, your parent or guardian may sign the application on your behalf.

The applicant's name must be signed in this box. If you are under 14 years of age, your parent or legal guardian may sign your name, then write "By" and sign his or her own name.

Include a valid daytime phone number where you may be reached.

Part 6. Signature of Person Preparing This Application, If Other Than the Applicant

What Is the Filing Fee?

The filing fee for Form I-90 is based on the reason for filing as explained in **Part 2** of these form instructions.

If your application requires a fee, the specific fee amounts are:

The fee for this application is **\$365**.

The fee for the biometrics services is **\$85**.

Use the following guidelines when you prepare your check or money order for the Form I-90 fees:

1. The check or money order must be drawn on a bank or other financial institution located in the United States and must be payable in U.S. currency; and
2. Make the check or money order payable to **U.S. Department of Homeland Security**.

NOTE: Spell out U.S. Department of Homeland Security; do not use the initials "USDHS" or "DHS."

3. If you live outside the United States, contact the nearest U.S. Embassy or consulate for instructions on the method of payment.

Notice to Those Making Payment by Check. If you send us a check, it will be converted into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check.

The debit from your account will usually take 24 hours and will be shown on your regular account statement. You will not receive your original check back. We will destroy your original check, but we will keep a copy of it. If the EFT cannot be processed for technical reasons, you authorize USCIS to process the copy in place of your original check. If the EFT cannot be completed because of insufficient funds, USCIS may try to make the transfer up to two times.

How to Check If the Fees Are Correct?

We may also request that you provide the originals of any copies you submit. We will return these originals when they are no longer required.

At the time of any interview or other appearance at a USCIS office, USCIS may require that you provide biometric information (e.g., photograph, fingerprints) to verify your identity and update your background information.
