Dear Taxpayer:

Each year the IRS tries to make it easier for you at tax time. This year you will find many new ways to help you prepare your return. You can choose to have your refund directly deposited into your bank account by filling out the information on lines 11b through 11d of your Form 1040EZ. You do not have to fill out any other paperwork to take advantage of this safe, quick and easy way to get your refund.

Many of you may have heard about the many tax law changes that took place over the last year. Most of these changes will not affect your 1996 tax return. The instructions included in this booklet incorporate any changes that are effective for 1996. See **What's New** on page 3 for more details.

This year it is more important than ever that you put the correct Social Security Number on your return for yourself and your spouse. This year, if you have a missing or incorrect Social Security Number on your return, your refund may be decreased or the amount of tax you owe may be increased at the time we process your return. Check page 7 of this booklet for information on how to get a Social Security Number.

You should find the answers to most of your questions in this booklet. You can get forms and other information quickly and easily through our Internet Home Page (<http://www.irs.ustreas.gov>). Or you can use your fax machine to get over 100 forms and answers to many of your tax law questions. You can also call our Tele-Tax automated phone service and get answers to frequently asked tax questions. Check page 15 for details on all of these services.

I hope you will take advantage of the services we offer to make filing your 1996 tax return easier. We welcome your suggestions on how we can improve our services to you. You can e-mail us through our Internet Home Page (<http://www.irs.ustreas.gov>).

## IRS Customer Service Standards—1996 Progress Report

**Easier Filing.** To make it easier for you to meet your tax obligations, we have expanded opportunities for simplified return filing and payment of taxes through our electronic filing, joint Federal-state filing, TeleFile, and electronic payment programs. **In 1996**, IRS received 14.9 million electronically filed individual returns and schedules compared to 11.8 million in 1995. This included 2.8 million returns through TeleFile, the first totally paperless way for you to file a Federal income tax return. We expanded the number of states participating in the Federal-state electronic filing program from 29 to 31. IRS also received over \$374 billion in electronic payments.

**Access to Information.** You will have convenient access to tax law and account information. Tax information will be available by fax and through the Internet. Our pre-recorded tax information will be available 24 hours a day, 7 days a week, and access to refund status information will be available 16 hours each business day. Telephone assistance provided by our representatives will be available 10 hours each business day. **During 1996**, we assisted over 104 million taxpayers by providing pre-recorded tax information, refund status information, and

telephone assistance from our representatives. In addition, taxpayers had 24 hour access to over 600 forms and publications and over 148 tax topics on the Internet. Taxpayers downloaded almost 3 million of these products using the Internet and over 300,000 using the IRS electronic bulletin board. Over 100,000 information orders have been filled by fax. There were over 80 million accesses on the IRS Home Page on the Internet.

**Accuracy.** Our goal is to answer your questions and process your tax returns accurately. **In 1996**, we achieved an accuracy rate of 93% in answering tax law and account questions. Our accuracy rate for processing tax refunds was 99.6%.

**Prompt Refunds.** If you file a complete and accurate tax return and you are due a refund, your refund will be issued within 21 days, if you file electronically and if you file a paper return, within 40 days. (Your refund may be delayed if your return is selected for further review.) **In 1996**, refunds were issued on time for all complete and accurate returns. Refunds based on electronically filed returns were issued, on average, within 16 days and for paper returns, the average was 38 days.

**Initial Contact Resolution.** Our goal is to satisfactorily resolve all your issues the first time you contact the IRS. **In 1996**, we met

that goal 80% of the time. We will continue our efforts to address all of your issues and improve the level of our service in 1997.

**Canceling Penalties.** If you provide sufficient and accurate information to our tax assisters but are given and reasonably rely on an incorrect answer, we will cancel related penalties.

**Resolving Problems.** If you have a problem that has not been resolved through normal processes, you may contact our Problem Resolution Office. A caseworker will contact you within 1 week and will work with you to resolve the issue. **During 1996**, over 355,000 cases were referred and taxpayers were contacted within 1 week of referral 89.5% of the time.

**Simpler Forms.** We will make tax forms and instructions simpler and easier for you to use. We made some changes this year but we want your ideas for improvements. Please e-mail, call, or write to us (see page 5). **For 1996**, you will be able to request direct deposit of your refund on your tax return rather than on a separate form. More sole proprietors will be eligible to file the Schedule C-EZ. In addition, several items which appeared on the 1995 Forms 1040 and 1040A have been eliminated.

### What's New for 1996?

**Tax Law Changes.** The 1996 tax forms and instructions reflect changes resulting from legislation enacted in 1996. However, you will find that your tax forms this year are very similar to those you filed in the past. This is because most of the new tax changes do not take effect until after 1996. For more details on 1996 and 1997 tax changes, see **Pub. 553**.

**Social Security Numbers (SSNs).** Make sure your return includes the correct SSN for you and your spouse. If it does not, at the time we process your return, we may disallow the exemption(s) and any earned income credit you claim. For details on how to get an SSN, see page 7.

**IRS Individual Taxpayer Identification Numbers (ITINs) for Aliens.** The IRS will issue you an ITIN if you are a nonresident or resident alien and you do not have and are not eligible to get a social security number (SSN). **To apply for an ITIN, file Form W-7** with the IRS. See page 15 to find out how to get the form. It usually takes about 30 days to get an ITIN.

**Enter your ITIN wherever your SSN is requested on your tax return.** If you are required to include another person's SSN on your return and that person does not have and cannot get an SSN, enter that person's ITIN. **An incorrect or missing taxpayer identification number may increase your tax or reduce your refund.**

**Note:** *An ITIN is for tax use only. It does not entitle you to social security benefits or change your employment or immigration status under U.S. law.*

**Direct Deposit of Refund.** This year, you do not have to file an extra form to have your refund sent directly to your bank account. See the instructions for lines 11b-11d on page 13.

**Gifts From Foreign Persons.** If you received over \$10,000 of gifts (or bequests) after August 20, 1996, from foreign persons, you may have to provide information about the gifts. Foreign persons include nonresident aliens and foreign partnerships, corporations, estates, trusts, etc. For details, see Pub. 553.

**Earned Income Credit.** You may be able to take this credit if you earned less than \$9,500. See the instructions for line 8 on page 9.

---

### Alternative Ways of Filing

The IRS offers several alternatives to make filing tax returns easier. They are more convenient and accurate and result in faster processing of your tax return.

#### Filing From Home

**TeleFile.** Most taxpayers who filed Form 1040EZ last year will receive a special TeleFile tax package that allows them to file their 1996 tax returns by phone. TeleFile is a great way to file because it is easy, fast, free, and available 24 hours a day. If you have children who received a TeleFile package, please encourage them to use TeleFile.

**On-Line Filing.** You can file your tax return using a personal computer, a modem, and IRS-accepted tax software. Software for completing your return is available at retail stores and from on-line filing companies. The software allows you to file your return electronically, for a fee, through the software company or on-line filing company.

**1040PC Format.** Most tax software packages also allow you to print your return in 1040PC format. The 1040PC is shorter than the regular tax return, which means faster and more accurate processing when you mail it in, and less paper for you to keep for your records.

#### Other Ways To File Electronically

Last year, millions of taxpayers sent their tax returns to the IRS electronically because it is fast, accurate, and convenient.

**Electronic Filing Companies.** Electronic filing is available through many paid tax return preparers when they prepare your return for you. It is also available if you prepare your own return, but you usually must go through a tax return preparer or other company that provides, for a fee, IRS-accepted electronic filing services.

**Electronic Filing Through the IRS.** The IRS's free Volunteer Income Tax Assistance (VITA) and Tax Counseling for the Elderly (TCE) programs may also be able to help you file your return electronically. See page 17 for details on these programs.

**Federal/State Electronic Filing.** Many of the electronic filing methods listed above may also allow you to file your state tax return electronically with your Federal return.

For more details on your choices, use Tele-Tax topic 252 (see page 18).

### How To Avoid Common Mistakes

Mistakes may delay your refund or result in notices being sent to you.

1. Check your math, especially when figuring your taxable income, Federal income tax withheld, and your refund or amount you owe.
2. Remember to sign and date Form 1040EZ and enter your occupation.
3. Use the amount from **line 6** to find your tax in the tax table. Be sure you enter the correct tax on line 10.
4. Check the "Yes" box on line 5 if you (or your spouse) can be claimed as a dependent on someone's 1996 return, such as your parents' return. Check "Yes" even if that person chooses not to claim you (or your spouse). If no one can claim you (or your spouse) as a dependent, check the "No" box.
5. Be sure to enter an amount on line 5. If you check the "Yes" box on line 5, fill in the worksheet on the back of Form 1040EZ to figure the amount to enter. If you check the "No" box, enter 6,550.00 if single; 11,800.00 if married filing jointly.

6. If you got a peel-off label, make sure it shows the correct name(s), address, and social security number(s). If not, enter the correct information.

7. If you did not get a peel-off label, enter your name, address, and social security number (SSN) in the spaces provided on Form 1040EZ. If you are married filing jointly, enter your spouse's name and SSN.

8. Attach your W-2 form(s) to the left margin of your return.

---

### Do Both the Name and Social Security Number (SSN) on Your Tax Forms Agree With Your Social Security Card?

If not, your refund may be delayed or you may not receive credit for your social security earnings. If your Form W-2, Form 1099, or other tax document shows an incorrect SSN or name, notify your employer or the form-issuing agent as soon as possible to make sure your earnings are credited to your social security record. If the name or SSN on your social security card is incorrect, call the Social Security Administration at 1-800-772-1213.

### What if a Taxpayer Died?

If a taxpayer died before filing a return for 1996, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property. If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund. The person who files the return should print "**DECEASED**," the deceased taxpayer's name, and the date of death across the top of the return. **If your spouse died in 1996** and you did not remarry in 1996, or if your spouse died in 1997 before filing a return for 1996, you can file a joint return. A joint return should show your spouse's 1996 income before death and your income for all of 1996. Print "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign. The surviving spouse or personal representative should promptly notify all payers of income, including financial institutions, of the taxpayer's death. This will ensure the proper reporting of income earned by the taxpayer's estate or heirs. A deceased taxpayer's SSN should not be used for tax years after the year of death, except for estate tax return purposes.

**Claiming a Refund for a Deceased Taxpayer.** If you are filing a joint return as a surviving spouse, you only need to file the tax return to claim the refund. If you are a court-appointed representative, file the return and attach a copy of the certificate that shows your appointment. All other filers requesting the deceased taxpayer's refund must file the return and attach **Form 1310**.

For more details, use Tele-Tax topic 356 (see page 18) or see **Pub. 559**.

---

### What Are the Filing Dates and Penalties?

*If you were a participant in Operation Joint Endeavor or you were in the Persian Gulf area combat zone, see **Pub. 3**.*

**When Is My Tax Return Due?** Not later than **April 15, 1997**.

**What if I Cannot File on Time?** If you need more time to complete your return, you can get an automatic 4-month extension by filing **Form 4868** with the IRS by April 15, 1997. If you later find that you still need more time, **Form 2688** may get you an additional extension. However, even if you get an extension, the tax you owe is still due April 15, 1997. If you make a payment with Form 4868 or Form 2688, see the instructions for line 9 on page 13.

**What if I File or Pay Late?** If you file or pay late, the IRS can charge you interest and penalties on the amount you owe.

If you file late, the penalty is usually 5% of the amount due for each month or part of a month your return is late, unless you have a reasonable explanation. If you do, attach it to your return. The penalty can be as much as 25% (more in some cases) of the tax due. We will charge you interest on the penalty from the due date of the return (including extensions). If your return is more than 60 days late, the minimum penalty will be \$100 or the amount of any tax you owe, whichever is smaller.

If you pay your taxes late, the penalty is usually 1/2 of 1% of the unpaid amount for each month or part of a month the tax is not paid. The penalty can be as much as 25% of the unpaid amount. It applies to any unpaid tax on the return.

**Are There Other Penalties?** Yes. Other penalties can be imposed for negligence, substantial understatement of tax, and fraud. We will charge you interest on these penalties from the due date of the return (including extensions). Criminal penalties may be imposed for willful failure to file, tax evasion, or making a false statement. See **Pub. 17** for details.

In addition to any other penalties, the law imposes a penalty of \$500 for filing a frivolous return. A frivolous return is one that does not contain information needed to figure the correct tax or shows a substantially incorrect tax, because you take a frivolous position or desire to delay or interfere with the tax laws. This includes altering or striking out the preprinted language above the space where you sign.

### How Do I Get a Copy of My Tax Return?

## What Should I Know About the Privacy Act and Paperwork Reduction Act Notice?

The law says that when we ask you for information we must tell you our legal right to ask for the information, why we are asking for it, and how it will be used. We must also tell you what could happen if we do not receive the information and whether your response is voluntary, needed for a benefit, or mandatory under the law.

This notice applies to all papers you file with us, including this tax return. It also applies to any questions we need to ask you so we can complete, correct, or process your return; figure your tax; and collect the tax, interest, or penalties. Internal Revenue Code sections 6001, 6011, and 6012(a) say that you must file a return or statement with us for any tax for which you are liable. Your response is mandatory under these sections. Code section 6109 says that you must show your social security number on what you file, so we know who you are and can process your return and other papers. You must fill in all parts of the tax form that apply to you. However, you do not have to check the boxes for the Presidential Election Campaign Fund.

You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue law. Generally, tax returns and return information are confidential, as required by Code section 6103.

We ask for tax return information to carry out the tax laws of the United States. We need it to figure and collect the right amount of tax. We may give the

information to the Department of Justice and to other Federal agencies, as provided by law. We may also give it to cities, states, the District of Columbia, U.S. commonwealths or possessions, and certain foreign governments to carry out their tax laws.

If you do not file a return, do not give the information asked for, or give false information, you may be charged penalties and be subject to criminal prosecution. We may also have to disallow the exemptions, credits, or deduction shown on your tax return. This could make the tax higher or delay any refund. Interest may also be charged.

Please keep this notice with your records. It may help you if we ask you for other information. If you have questions about the rules for filing and giving information, please call or visit any Internal Revenue Service office.

**The Time It Takes To Prepare Your Return.** The time needed to complete and file Form 1040EZ will vary depending on individual circumstances. The estimated average time is: **Recordkeeping**, 5 min.; **Learning about the law or the form**, 57 min.; **Preparing the form**, 1 hr., 24 min.; and **Copying, assembling, and sending the form to the IRS**, 20 min. The total is 2 hr., 46 min.

**We Welcome Comments on Forms.** If you have comments concerning the accuracy of these time estimates or suggestions for making this form simpler, we would be happy to hear from you. You can e-mail us your suggestions and comments through the IRS Internet Home Page (<http://www.irs.ustreas.gov>) or write to the Tax Forms Committee, Western Area Distribution Center, Rancho Cordova, CA 95743-0001. You can also leave a recorded message 24 hours a day, 7 days a week at 1-800-829-9043. **DO NOT** send your return to this address. Instead, see **Where Do I File?** on page 28.

## Section 2—Filing Requirements

### Do I Have To File?

**Note:** *These rules apply to all U.S. citizens, regardless of where they live, and resident aliens.*

Were you (or your spouse if filing a joint return) age 65 or older on January 1, 1997?

**Yes.** Use Tele-Tax topic 351 (see page 18) to find out if you must file a return. If you do, you must use Form 1040A or 1040.

**No.** You must file a return if **any** of the following three conditions apply to you.

**1. Your filing status is single** and your **gross income** (see this page) was at least \$6,550.

**2. Your filing status is married filing jointly** and your **gross income** (see this page) was at least \$11,800. But if you **did not** live with your spouse at the end of 1996 (or on the date your spouse died), you must file a return if your gross income was at least \$2,550.

**3. Your parents (or someone else) can claim you as a dependent (even if they chose not to claim you) and—**

<b>Your unearned income was:</b>	<b>AND</b>	<b>The total of that income plus your earned income was:</b>
\$1 or more		over \$650
\$0		over \$4,000 if single over \$3,350 if married

In the chart for condition 3, **unearned income** includes taxable interest. **Earned income** includes wages, tips, and taxable scholarship and fellowship grants.

**Caution:** *If your gross income was \$2,550 or more, you usually cannot be claimed as a dependent unless you were under age 19 or a student under age 24. For details, use Tele-Tax topic 354 (see page 18).*

**Gross income** means all income you received in the form of money, goods, property, and services that is not exempt from tax.

Even if you do not otherwise have to file a return, you should file one to get a refund of any Federal income tax withheld. You should also file if you are eligible for the earned income credit.

**Exception for Children Under Age 14.** If you are planning to file a tax return for your child who was under age 14 on January 1, 1997, and certain other conditions apply, you can elect to include your child's income on your return. But you must use Form 1040 and **Form 8814** to do so. If you make this election, your child does not have to file a return. For details, use Tele-Tax topic 553 (see page 18) or see Form 8814.

**Other Situations When You Must File.** You must also file a return using Form 1040A or 1040 if you received any advance earned income credit payments from your employer. These payments should be shown in box 9 of your W-2 form. You must file a return using Form 1040 if **any** of the following apply for 1996:

- You owe any special taxes, such as social security and Medicare tax on tips you did not report to your employer, or
- You owe uncollected social security and Medicare or RRTA tax on tips you reported to your employer or on your group-term life insurance, or
- You had net earnings from self-employment of at least \$400, or
- You earned wages of \$108.28 or more from a church or qualified church-controlled organization that is exempt from employer social security and Medicare taxes, or
- You owe tax on a qualified retirement plan, including an individual retirement arrangement (IRA). But if you are filing a return only because you owe this tax, you can file **Form 5329** by itself.

**Nonresident Aliens and Dual-Status Aliens.** These rules also apply to nonresident aliens and dual-status aliens who were married to U.S. citizens or residents at

the end of 1996 and who have elected to be taxed as resident aliens. Specific rules apply to determine if you are a resident or nonresident alien. See **Pub. 519** for details.

### Should I Use Form 1040EZ?

You can use Form 1040EZ if **all eight** of the following apply:

1. Your filing status is **single** or **married filing jointly** (see page 7).
2. You do not claim any dependents.
3. You (and your spouse if married filing a joint return) were under age 65 on January 1, 1997, and not blind at the end of 1996.
4. Your taxable income (line 6 of Form 1040EZ) is less than \$50,000.
5. You had **only** wages, salaries, tips, and taxable scholarship or fellowship grants, unemployment compensation, or Alaska Permanent Fund dividends, and your taxable interest income was \$400 or less.
6. You did not receive any advance earned income credit payments.
7. You do not owe any **household employment taxes** on wages you paid to a household employee. To find out who owes these taxes, use Tele-Tax topic 756 (see page 18).
8. If you were a nonresident alien at any time in 1996, your filing status must be married filing jointly. Specific rules apply to determine if you were a nonresident or resident alien. See **Pub. 519** for details, including the rules for students and scholars who are aliens.

If you don't meet **all eight** of the requirements above, you must use Form 1040A or 1040. Use Tele-Tax topic 352 (see page 18) to find out which form to use. But if you were a **nonresident alien** at any time in 1996 and do not file a joint return, you may

### Where To Report Certain Items From 1996 Forms W-2 and 1099

Report any amounts shown on these forms as **Federal income tax withheld** on Form 1040EZ, line 7.

Form	Item and Box in Which it Should Appear	Where To Report on Form 1040EZ
W-2	Wages, salaries, tips, etc. (box 1) Allocated tips (box 8) Advance EIC payments (box 9) Dependent care benefits (box 10) } }	Line 1 See <b>Tip income</b> on page 8 Must file Form 1040A or 1040
W-2G	Gambling winnings (box 1)	Must file Form 1040
1099-C	Canceled debt (box 2)	Must file Form 1040 if taxable (see the instructions on Form 1099-C)
1099-DIV	Dividends and distributions	Must file Form 1040A or 1040
1099-G	Unemployment compensation (box 1)	Line 3. But if you repaid any unemployment compensation in 1996, see the instructions for line 3 on page 9
1099-INT	Interest income (box 1) Interest on U.S. savings bonds and Treasury obligations (box 3) Early withdrawal penalty (box 2) Foreign tax paid (box 5) } }	Line 2 See the instructions for line 2 on page 8 Must file Form 1040
1099-MISC	Miscellaneous income	Must file Form 1040
1099-OID	Original issue discount (box 1) Other periodic interest (box 2) Early withdrawal penalty (box 3) } }	See the instructions on Form 1099-OID Must file Form 1040
1099-R	Distributions from pensions, annuities, IRAs, etc.	Must file Form 1040A or 1040

have to use **Form 1040NR** or **1040NR-EZ**. See Pub. 519.

Even if you can use Form 1040EZ, it may benefit you to use Form 1040A or 1040 instead. For example, you can claim the head of household filing status (which usually results in a lower tax than single) only on Form 1040A or 1040. Use Tele-Tax topic 353 (see page 18). Also, you can itemize deductions only on Form 1040. It would benefit you to itemize deductions if they total more than your standard deduction, which is \$4,000 for most single people and \$6,700 for most married people filing a joint return. Use Tele-Tax topic 501 (see page 18). But if someone can claim you (or your spouse if married) as a dependent, your standard deduction is the amount entered on line E of the worksheet on page 2 of Form 1040EZ.

**Single.** You may use this filing status if **any** of the following was true on December 31, 1996:

- You were never married, or
- You were legally separated, according to your state law, under a decree of divorce or separate maintenance, or

- You were widowed before January 1, 1996, and did not remarry in 1996.

**Married Filing Joint Return.** You may use this filing status if **any** of the following is true:

- You were married as of December 31, 1996, even if you did not live with your spouse at the end of 1996, or
- Your spouse died in 1996 and you did not remarry in 1996, or
- Your spouse died in 1997 before filing a 1996 return.

A husband and wife may file a joint return even if only one had income or if they did not live together all year. However, both persons must sign the return and both are responsible. This means that if one spouse does not pay the tax due, the other may have to. If you file a joint return for 1996, you may not, after the due date for filing that return, amend it to file as married filing a separate return.

**Nonresident Aliens and Dual-Status Aliens.** You may be able to file a joint return. See **Pub. 519** for details.

### Name, Address, and Social Security Number (SSN)

**Use the Label.** Using the peel-off label in this booklet will speed the processing of your return. It also prevents common errors that can delay refunds or result in unnecessary notices. Attach the label after you have finished your return. Cross out any errors and print the correct information. Add any missing items, such as your apartment number.

**Address Change.** If the address on your peel-off label is not your current address, cross out your old address and print your new address. If you plan to move after you file your 1996 return, see page 14.

**Name Change.** If you changed your name, be sure to report the change to your local Social Security Administration office **before** you file your return. This prevents delays in processing your return and issuing refunds. It also safeguards your future social security benefits. If you received a peel-off label, cross out your former name and print your new name.

**What If I Don't Have a Label?** Print the information, including your SSN(s), in the spaces provided.

**Social Security Number (SSN).** An incorrect or missing SSN may increase your tax or reduce your refund. **To apply for an SSN**, get **Form SS-5** from your local Social Security Administration (SSA) office or call the SSA at 1-800-772-1213. Fill in Form SS-5 and return it to the SSA. It usually takes about 2 weeks to get an SSN.

**Nonresident Alien Spouse.** If your spouse is a nonresident alien, he or she must have either an SSN or an Individual Taxpayer Identification Number (ITIN). If your spouse is not eligible to get an SSN, he or she can file **Form W-7** with the IRS to apply for an ITIN. See page 3.

**P.O. Box.** Enter your box number **only** if your post office does not deliver mail to your home.

**Foreign Address.** Print the information in the following order: city, province or state, postal code, and the name of the country. Please **do not** abbreviate the country name.

### Presidential Election Campaign Fund

This fund helps pay for Presidential election campaigns. The fund reduces candidates' dependence on large contributions from individuals and groups and places candidates on an equal financial footing in the general election. If you want \$3 to go to this fund, check the "Yes" box. If you are filing a joint return, your spouse may also have \$3 go to the fund. If you check "Yes," your tax or refund will not change.

### Income

**Rounding Off to Whole Dollars.** You may find it easier to do your return if you round off cents to the nearest whole dollar. To do so, drop amounts under 50 cents and increase amounts from 50 to 99 cents to the next whole dollar. For example, \$129.39 becomes \$129 and \$235.50 becomes \$236. If you do round off, do so for all amounts. But if you have to add two or more amounts to figure the amount to enter on a line, include cents when adding and only round off the total.

**Example.** You received two W-2 forms, one showing wages of \$5,009.55 and one showing wages of \$8,760.73. On Form 1040EZ, line 1, you would enter 13,770.00 (\$5,009.55 + \$8,760.73 = \$13,770.28).

**Refunds of State or Local Income Taxes.** If you received a refund, credit, or offset of state or local income taxes in 1996, you may receive a **Form 1099-G**. None of your refund is taxable if, in the year you paid the tax, you filed Form 1040EZ or 1040A or you used TeleFile. But if the refund, credit, or offset

was for a tax you deducted as an **itemized deduction**, you may have to report part or all of it as income on Form 1040 for 1996. For details, use Tele-Tax topic 405 (see page 18).

**Social Security Benefits.** You should receive a **Form SSA-1099** or **Form RRB-1099**. These forms will show the total social security and equivalent railroad retirement benefits paid to you in 1996 and the amount of any benefits you repaid in 1996. Use the worksheet below to see if any of your benefits are taxable. If they are, you **MUST** use Form 1040A or 1040. For more details, see **Pub. 915**.

**Line 1**

**Wages, Salaries, and Tips**

Enter the total of your wages, salaries, and tips. If a joint return, also include your spouse's income. For most people, the amount to enter on this line should be shown in box 1 of their **Forms W-2**. But the following types of income must also be included in the total on line 1.

- **Tip income** you did not report to your employer. But you must use Form 1040 and **Form 4137** instead of Form 1040EZ if **(1)** you received tips of \$20 or more in any month and did not report the full amount to your employer OR **(2)** your W-2 form(s) shows **allocated tips** that you **must** report as income. You must report the allocated tips shown on your W-2 form(s) unless you can prove that you received less. Allocated tips should be shown in box 8 of your W-2 form(s). They are not included in box 1. For more details, see **Pub. 531**.

- **Scholarship and fellowship grants** not reported on a W-2 form. Also, print "SCH" and the amount in the space to the right of the words "W-2 form(s)" on line 1. **Exception.** If you were a degree candidate, include on line 1 **only** the amounts you used for expenses other than tuition and course-related expenses. For example, amounts used for room, board, and travel must be reported on line 1.

**Note:** You must use Form 1040A or 1040 if you received **dependent care benefits** for 1996 under your employer's dependent care plan.

**Missing or Incorrect Form W-2?** If you do not get a W-2 form from your employer by January 31, 1997, use Tele-Tax topic 154 (see page 18) to find out what to do. Even if you do not get a W-2, you must still report your earnings. If you lose your W-2 or it is incorrect, ask your employer for a new one.

**Line 2**

**Interest**

Each payer should send you a **Form 1099-INT** or **Form 1099-OID**. Report **all** of your **taxable interest** income on line 2 even if you did not receive a Form 1099-INT or Form 1099-OID.

Include taxable interest from banks, savings and loan associations, money market certificates, credit unions, savings bonds, etc. If interest was credited in 1996 on deposits that you could not withdraw because of the bankruptcy or insolvency of the financial institution, you may be able to exclude part or all of that interest from your 1996 income. But you must use Form 1040A or 1040 to do so. See **Pub. 550** for details.

If you cashed series EE U.S. savings bonds in 1996 that were issued after 1989 and you paid certain higher education expenses during the year, you may be able to exclude from income part or all of the interest on those bonds. But you must use **Form 8815** and Form 1040A or 1040 to do so.

You must use Form 1040A or 1040 if **either** of the following applies:

- You received interest as a nominee (that is, in your name but the interest income actually belongs to someone else), or
- You received a 1996 Form 1099-INT for U.S. savings bond interest that includes amounts you reported before 1996.

**Worksheet To See if Any of Your Social Security Benefits Are Taxable** (keep for your records)

If you are filing a joint return and your spouse also received a Form SSA-1099 or Form RRB-1099, add your spouse's amounts to yours on lines 1, 3, and 4 below.

1. Enter the amount from **box 5** of **all** your **Forms SSA-1099** and **Forms RRB-1099**. If the amount on line 1 is zero or less, stop; none of your social security benefits are taxable . . . . . **1.** \_\_\_\_\_
2. Enter one-half of line 1 . . . . . **2.** \_\_\_\_\_
3. Enter your total wages, salaries, tips, etc., from Form(s) W-2. Also, include any taxable unemployment compensation and Alaska Permanent Fund dividends you received (see page 9) . . . . . **3.** \_\_\_\_\_
4. Enter your total interest income, including any tax-exempt interest . . . . . **4.** \_\_\_\_\_
5. Add lines 2 through 4 . . . . . **5.** \_\_\_\_\_
6. Enter \$25,000 if single; \$32,000 if filing a joint return . . . . . **6.** \_\_\_\_\_
7. Subtract line 6 from line 5. If zero or less, enter -0- . . . . . **7.** \_\_\_\_\_

Is the amount on line 7 more than zero?  
**No.** None of your social security benefits are taxable this year. You can use Form 1040EZ. **Do not** list your benefits as income.  
**Yes.** Some of your benefits are taxable this year. You **MUST** use Form 1040A or 1040.

**Tax-Exempt Interest.** If you had tax-exempt interest, such as from municipal bonds, print "TEI" in the space to the right of the words "Form 1040EZ" on line 2. After "TEI," show the amount of your tax-exempt interest. **Do not** add tax-exempt interest in the total on line 2.

---

### Line 3

#### Unemployment Compensation

*If you expect to receive unemployment compensation in 1997, you may ask the state unemployment office to withhold Federal income tax from those payments.*

You should receive a **Form 1099-G** showing the total unemployment compensation paid to you in 1996.

If you received an overpayment of unemployment compensation in 1996 and you repaid any of it in 1996, subtract the amount you repaid from the total amount you received. Enter the result on line 3. Also, print "Repaid" and the amount you repaid in the space to the right of the words "(see page 9)" on line 3. If you repaid unemployment compensation in 1996 that you included in gross income in an earlier year, you can deduct the amount repaid. But you must use Form 1040 to do so. See **Pub. 525** for details.

**Note:** If you received **Alaska Permanent Fund dividends**, report them on line 3.

---

### Line 6

Subtract line 5 from line 4. Your tax is figured on this amount.

#### If You Want, the IRS Will Figure Your Tax and Your Earned Income Credit

**Tax.** If you have paid too much, we will send you a refund. If you did not pay enough, we will send you a bill. For details, including who is eligible and what to do, see **Pub. 967**.

**Earned Income Credit (EIC).** Answer the questions on page 10 to see if you can take the EIC. If you can take this credit and you want us to figure it for you, follow the instructions for question 6.

---

## Payments and Tax

### Line 7

#### Federal Income Tax Withheld

Enter the total amount of Federal income tax withheld. This should be shown in box 2 of your 1996 Form(s) W-2.

If you received a 1996 Form 1099-INT or Form 1099-OID showing Federal income tax withheld, include the tax withheld in the total on line 7. This should be shown in box 4 of Form 1099-INT or Form 1099-OID.

If Federal income tax was withheld from your Alaska Permanent Fund dividends, include the tax withheld in the total on line 7.

---

### Line 8

#### Earned Income Credit (EIC)

The EIC reduces the tax you owe and may give you a refund even if you do not owe any tax. To see if you can take this credit, answer the questions on the next page. **But you cannot** take the credit if you, or your spouse if filing a joint return, **(1)** were a qualifying child of another person in 1996, or **(2)** do not have a social security number (defined below). If you cannot take the credit for either of these reasons, print "No" in the space to the right of the word "below" on line 8.

The credit can be as much as \$323 if you do not have a qualifying child (defined below). If you have a qualifying child, the credit can be as much as \$2,152 (\$3,556 if more than one qualifying child). But if you have a qualifying child, you must use **Schedule EIC** and Form 1040A or 1040 to claim the credit.

**Social Security Number (SSN).** For purposes of the EIC, an SSN means a number issued by the Social Security Administration to a U.S. citizen or to a person who has permission from the Immigration and Naturalization Service to work in the United States.

**Qualifying Child.** A qualifying child is a child who:

1. Is your son, daughter, adopted child, grandchild, stepchild, or foster child, **and**
2. Was (at the end of 1996)—
  - under age 19, or
  - under age 24 and a full-time student, or
  - any age and permanently and totally disabled, **and**

3. Either lived with you in the United States for more than half of 1996 (for all of 1996 if a foster child) OR was born or died in 1996 and your home was the child's home for the entire time he or she was alive during 1996.

Special rules apply if the child was married or was also a qualifying child of another person (other than your spouse if filing a joint return). For details, use Tele-Tax topic 601 (see page 18) or see **Pub. 596**.

**Caution:** *The child must have an SSN (defined above) unless the child was born in December 1996 or was born and died in 1996.*

**Taxable Earned Income.** This is usually the amount reported on Form 1040EZ, line 1. But if line 1 includes an amount for a taxable scholarship or fellowship grant that was not reported on a W-2 form, or an amount paid to an inmate in a penal institution, subtract that amount from the total on line 1. The result is your taxable earned income for purposes of the earned income credit. If you subtracted income paid to an inmate, also print "PRI" and the amount subtracted to the right of the words "W-2 form(s)" on line 1 of Form 1040EZ.

Also, if line 1 of Form 1040EZ includes any amount paid to a household employee who did not receive a W-2 form, see **Special Rules** on page 10.

**Nontaxable Earned Income.** Certain earned income is not taxable, but it must be included to see if you can take the earned income credit. It is also used to figure the credit. It includes anything of value (money, goods, or services) that is not taxable which you received from your employer for your work. Some examples of unearned income follow.

(continued)

- Basic quarters and subsistence allowances, the value of in-kind quarters and subsistence, and combat zone excluded pay received from the U.S. military. These amounts should be shown in box 13 of your 1996 W-2 form with code “Q.”
- Housing allowances or rental value of a parsonage for clergy members.
- Meals and lodging provided for the convenience of your employer.
- Voluntary salary deferrals. If you chose to have your employer contribute part of your pay to certain retirement plans (such as a 401(k) plan or the Federal Thrift Savings Plan) instead of having it paid to you, the “Deferred compensation” box in box 15 of your W-2 form should be checked. The amount deferred should be shown in box 13 of your W-2 form.
- Voluntary salary reductions, such as under a cafeteria plan, unless they are included in box 1 of your W-2 form(s). For details, see **Pub. 596**.

*Nontaxable earned income does not include welfare benefits.*

**Effect of Credit on Certain Welfare Benefits.** Any refund you receive as the result of claiming the earned income credit will not be used to determine if you are

eligible for the following benefit programs, or how much you can receive from them.

- Aid to Families With Dependent Children (AFDC).
- Medicaid and supplemental security income (SSI).
- Food stamps and low-income housing.

**Special Rules.** If you were in the **military** on extended active duty outside the United States, your home is considered to be in the United States during that duty period. See **Pub. 596** for the definition of extended active duty.

If you were a **household employee** who did not receive a W-2 form because your employer paid you less than \$1,000 in 1996, be sure to include the amount you were paid on Form 1040EZ, line 1. Print “HSH” and the amount that was not reported on a W-2 form in the space to the right of the words “W-2 form(s)” on line 1.

Amounts paid to **inmates** in penal institutions for their work are not earned income for purposes of the EIC. If the total on Form 1040EZ, line 1, includes such income, subtract that income from the amount on line 1. Enter the result on line 1 of the worksheet on page 11. Also, print “PRI” and the amount subtracted in the space to the right of the words “W-2 form(s)” on line 1 of Form 1040EZ.

## Line 9

Add lines 7 and 8. Enter the total on line 9.

**Amount Paid With Extensions of Time To File.** If you filed **Form 4868** to get an automatic extension of time to file, include in the total on line 9 any amount you paid with that form. To the left of line 9, print "Form 4868" and show the amount paid. Also, include any amount paid with **Form 2688**.

---

## Refund

### Line 11a

If line 11a is under \$1, we will send the refund only if you request it when you file your return.

**TIP** *If your refund is large, you may want to decrease the amount of income tax withheld from your pay. See **Income Tax Withholding and Estimated Tax Payments for 1997** on page 14.*

**Injured Spouse Claim.** If you file a joint return and your spouse has not paid child or spousal support payments or certain Federal debts such as student loans, all or part of the refund on line 11a may be used to pay the past-due amount. But **your** part of the amount on line 11a may be refunded to you if certain conditions apply and you complete and attach **Form 8379**. For details, use Tele-Tax topic 203 (see page 18) or see Form 8379. If you file Form 8379, you **cannot** request direct deposit.

---

### Lines 11b Through 11d

#### Direct Deposit of Refund

Complete lines 11b through 11d if you want us to directly deposit the amount shown on line 11a into your account at a bank or other financial institution instead of sending you a check.

#### Why Use Direct Deposit?

- You get your refund faster.
- Payment is more secure—there is no check to get lost.
- More convenient. No trip to the bank to deposit your check.
- Saves tax dollars.
- A refund by direct deposit costs less than a check.

**TIP** *You can check with your financial institution to make sure your direct deposit will be accepted and to get the correct routing number and account number.*

**Line 11b.** The routing number **must** be **nine** digits. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will be rejected and a check sent instead. On the sample check on this page, the routing number is 250250025.

Your check may state that it is payable through a bank different from the financial institution at which you have your checking account. If so, do not use the routing number on that check. Instead, contact your financial institution for the correct routing number to enter on this line.

**Line 11d.** The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check on this page, the account number is 20202086.

**Caution:** *Some financial institutions do not allow a joint refund to be deposited into an individual account. The IRS is not responsible when a financial institution refuses a direct deposit.*

## Amount You Owe

### Line 12

Enclose in the envelope with your return a check or money order payable to the "Internal Revenue Service" for the full amount when you file. **Do not** attach the payment to the return. **Do not** send cash. Write "1996 Form 1040EZ" and your name, address, daytime phone number, and social security number (SSN) on your payment. If you are filing a joint return, enter the SSN shown first on your return. You do not have to pay if line 12 is under \$1.

**TIP** *You may need to increase the amount of income tax withheld from your pay. See **Income Tax Withholding and Estimated Tax Payments for 1997** on page 14.*

**Installment Payments.** If you cannot pay the full amount shown on line 12 with your return, you may ask to make monthly installment payments. However, you will be charged interest and may be charged a late payment penalty on the tax not paid by April 15, 1997, even if your request to pay in installments is granted. You must also pay a fee. To limit the interest and penalty charges, pay as much of the tax as possible when you file. But before requesting an installment agreement, you should consider other less costly alternatives, such as a bank loan.

To ask for an installment agreement, use **Form 9465**. You should receive a response to your request for installments within 30 days. But if you file your return after March 31, it may take us longer to reply.

#### Penalty for Not Paying Enough Tax During the Year.

You may have to pay a penalty if line 12 is at least \$500 and it is more than 10% of the tax shown on your return. The "tax shown on your return" is the amount on line 10 minus the amount on line 8. You may choose to have the IRS figure the penalty for you. If you owe a penalty, the IRS will send you a bill. However, if you want to figure the penalty yourself on **Form 2210**, you must file Form 1040A or 1040 to do so.

(continued)

The penalty may be waived under certain conditions. See **Pub. 505** for details.

**Exceptions to the Penalty.** You will not owe the penalty if your 1995 tax return was for a tax year of 12 full months and **either 1 or 2** below applies.

**1.** You had no tax liability for 1995 and you were a U.S. citizen or resident for all of 1995, **or**

**2.** Line 7 on your 1996 return is at least as much as the tax liability shown on your 1995 return.

---

## Sign Your Return

Form 1040EZ is not considered a valid return unless you sign it. If you are filing a joint return, your spouse must also sign. Be sure to date your return and enter

your occupation(s). If you are filing a joint return as a surviving spouse, see **What if a Taxpayer Died?** on page 4.

**Child's Return.** If your child cannot sign the return, either parent may sign the child's name in the space provided. Then, add "By (your signature), parent for minor child."

**Paid Preparers Must Sign Your Return.** Generally, anyone you pay to prepare your return must sign it in the space provided on page 2 of Form 1040EZ and put an "X" in box 10 of the "Official Use Only" area on page 1. The preparer must give you a copy of the return for your records. Someone who prepares your return but does not charge you should not sign your return.

---

## Section 4—General Information

---

### What Should I Do if I Move?

If you move after you file your return, always notify in writing the Internal Revenue Service Center where you filed your last return, or the Chief, Taxpayer Service Division, at your local IRS district office. You can use **Form 8822** to notify us of your new address. If you are expecting a refund, you should also notify the post office serving your old address. This will help forward your check to your new address.

---

### How Long Should I Keep My Tax Return?

Keep a copy of your tax return, worksheets you used, and records of all items appearing on it (such as W-2 and 1099 forms) until the statute of limitations runs out for that return. Usually, this is 3 years from the date the return was due or filed, or 2 years from the date the tax was paid, whichever is later. You should keep some records longer. For example, keep property records (including those on your home) as long as they are needed to figure the basis of the original or replacement property. For more details, see **Pub. 552**.

---

### Income Tax Withholding and Estimated Tax Payments for 1997

If the amount you owe the IRS or the refund the IRS owes you is large, you may want to file a new **Form W-4** with your employer to change the amount of income tax withheld from your 1997 pay. In general, you do not have to make estimated tax payments if you expect that your 1997 tax return will show a tax

refund OR a tax balance due the IRS of less than \$500. See **Pub. 505** for more details.

---

### How Do I Amend My Tax Return?

Use **Form 1040X** to change the return you already filed. Generally, Form 1040X must be filed within 3 years after the date the original return was filed, or within 2 years after the date the tax was paid, whichever is later.

---

### What Are My Rights as a Taxpayer?

You have the right to be treated fairly, professionally, promptly, and courteously by IRS employees. Our goal at the IRS is to protect your rights so that you will have the highest confidence in the integrity, efficiency, and fairness of our tax system. To ensure that you always receive such treatment, you should know about the many rights you have at each step of the tax process. For details, see **Pub. 1**.

---

### How Do I Make a Gift To Reduce the Public Debt?

If you wish to do so, make a check payable to "Bureau of the Public Debt." You can send it to: Bureau of the Public Debt, Department G, Washington, DC 20239-0601. Or, you can enclose the check with your income tax return when you file. You may be able to deduct this gift if you itemize your deductions for 1997.

2. The facts about your particular situation. The answer to the same question often varies from one taxpayer to another because of differences in their age, income, whether they can be claimed as a dependent, etc.
3. The name of any IRS publication or other source of information that you used to look for the answer.

## Major Categories of Federal Income and Outlays for Fiscal Year 1995

On or before the first Monday in February of each year, the President is required to submit to the Congress a budget proposal for the fiscal year that begins the following October. The budget sets forth the President's proposed receipts, spending, and deficit or surplus for the Federal Government. The plan includes recommendations for new legislation as well as recommendations to change, eliminate, and add programs. After receiving the President's proposal, the Congress reviews it and makes changes. It first passes a budget resolution setting its own targets for receipts, outlays, and deficit or surplus. Individual spending and revenue bills are then enacted consistent with the goals of the budget resolution.

In fiscal year 1995 (which began on October 1, 1994, and ended on September 30, 1995), Federal income was \$1,355 billion and outlays were \$1,519 billion, leaving a deficit of \$164 billion.

### Federal Income

Income and social insurance taxes are, by far, the largest source of receipts. In 1995, individuals paid \$590 billion in income taxes and corporations paid \$157 billion. Social security and other insurance and retirement contributions were \$484 billion. Excise taxes were \$57 billion. The remaining \$66 billion of receipts were from Federal Reserve deposits, customs duties, estate and gift taxes, and other miscellaneous receipts.

### Federal Outlays

About 89% of total outlays were financed by tax receipts and the remaining 11% were financed by borrowing. Government receipts and borrowing finance a wide range of public services. The following is the breakdown of total outlays for fiscal year 1995\*:

**1. Social security, Medicare, and other retirement:** \$567 billion. These programs were about 36% of total outlays. They provide income support for the retired and disabled and medical care for the elderly.

**2. National defense, veterans, and foreign affairs:** \$326 billion. About 17% of total outlays were to equip, modernize, and pay our armed forces and to fund other national defense activities; about 2% went for veterans benefits and services; and about 1% went for international activities, including military and economic assistance to foreign countries and the maintenance of U.S. embassies abroad.

**3. Net interest:** \$232 billion. About 15% of total outlays were for net interest payments on the public debt.

**4. Physical, human, and community development:** \$128 billion. About 8% of total outlays were for agriculture; natural resources and environmental programs; transportation programs; aid for elementary and secondary education and direct assistance to college students; job training programs; deposit insurance, commerce and housing credit, and community development; and space, energy, and general science programs.

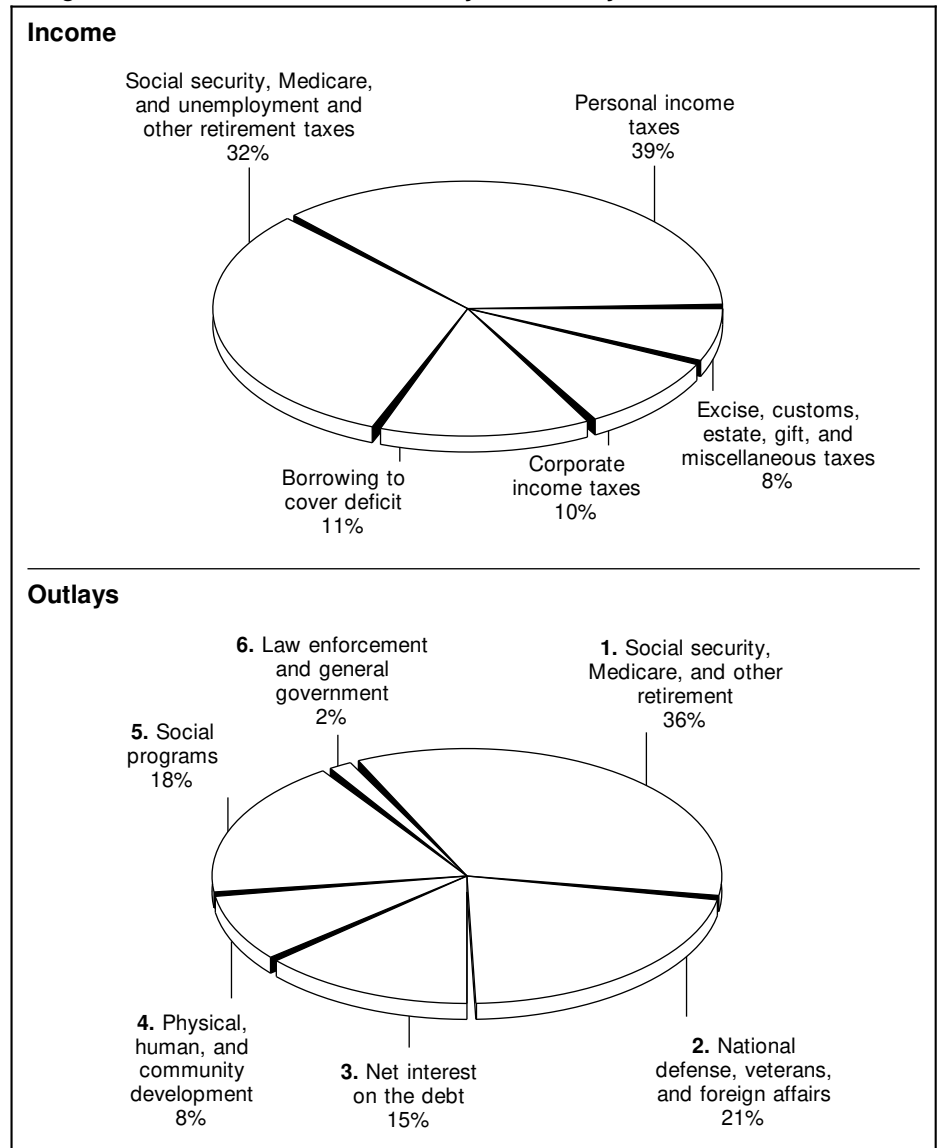

**5. Social programs:** \$280 billion. The Federal Government spent 12% of total outlays to fund Medicaid, food stamps,

aid to families with dependent children, supplemental security income, and related programs. Over 6% was spent for health research and public health programs, unemployment compensation, assisted housing, and social services.

**6. Law enforcement and general government:** \$30 billion. About 2% of total outlays were for judicial activities, Federal law enforcement, and prisons; and to provide for the general costs of the Federal Government, including the collection of taxes and legislative activities.

**Note:** Detail may not add to total due to rounding.

**Income and Outlays—**These pie charts show the relative sizes of the major categories of Federal income and outlays for fiscal year 1995.

\* The percentages on this page exclude undistributed offsetting receipts, which were -\$44 billion in fiscal year 1995. In the budget, these receipts are offset against spending in figuring the outlay totals shown above. These receipts are primarily for the U.S. Government's share of its employee retirement programs, rents and royalties on the Outer Continental Shelf, and proceeds from the spectrum auction.
