Alleman Baseball Scores State Silver Medal

The Alleman Pioneers ended a storybook season by bringing home some hardware from the State Championship game in June.

A series of late-winning rallies didn't seem to do it as the Pioneers came up just short bringing home a 2nd Place trophy in the state championship game.

Head Coach Chris Lemon, '76, said the graduating seniors will be sorely missed, but the future looks bright for Alleman baseball. He told the Dispatch newspaper, "our five seniors will be hard to replace, but the good news is that most of the team will be back. Alleman baseball is going to be in good hands with a lot of three-year starters returning."

Alleman's road to the state finals took some familiar turns with rematches against teams they played during regular season. With a 23-12 record, the Pioneers were the number one seed going into the Class 2A Mercer County regional. Alleman gained a second regional title in three seasons.

Taking each battle one at a time, the Pioneers advanced to Sectionals in Monmouth where they came with one goal—to get to the championship game. No Illinois Quad Cities team had ever played in a state championship game before. The task seemed daunting, but the Pioneers stayed focused.

After the Supersectional game, Alleman Athletic Director Steve Smithers took the

team aside and explained the history that the last time a Pioneer made it to the state tournament in 2005, Alleman lost to powerhouse Wilmington to lose in the Elite Eight.

Late game heroics by Alleman helped win the state semifinal. The Pioneers only had two hits going into the sixth inning, but scored an additional three hits in the bottom of the sixth to pull out a 2-1 victory over Herscher.

was on to the state championship game. The final game was another drama-filled event as the Pioneers ultimately came up short in a 5-4 loss to Normal University High School.

The Pioneers knew they still made Alleman and Quad Cities baseball history by making it to the championship game. They received a champions welcome as they displayed their state silver hardware at the homecoming celebration. Now, the underclassmen and Coach Lemon look forward to the future.

"It's been a great year, and it's a great day to be an Alleman Pioneer," Lemon told the crowd. "Now, we have the highest (state baseball) finish in the Illinois Quad Cities. We'll do this again next year."

FATHER KNOWS BEST

Greetings to all my very Dear Alumni and Friends of Alleman,

It is that time of the year that I welcome you to the Fall Issue of the Pioneer Post. The 2012-2013 school year is well underway. I am happy to report that our opening enrollment is up twenty students over last year, we just celebrated a wonderful 64th Homecoming, and we are nearing the end of the first academic quarter. The days are getting shorter and the days are getting cooler. The beautiful season of autumn has begun and the color of the changing leaves is breathtaking. It is one of my favorite times of the year.

I want to keep you informed about some of the improvements we completed at the "little ole school" over the past summer months due to the generous contributions of our alumni and friends. We renovated the cafeteria with new lighting, ceiling tile,

flooring, paint, stainless steel doors leading into the kitchen and a new stainless steel front on the serving line. We also hung some large canvas prints on the walls depicting the school as it looked when it first opened back in 1949. It looks fantastic. The entire first floor hallway also received a new ceiling and lighting and the wall behind Our Lady of Alleman was given a fresh new look. The first floor men's restroom renovation was completed, and a vestibule entrance was added to the outside entrance by the chapel. Our maintenance staff worked diligently to clean all of the rooms and our building looks great. I am already making plans for the great things we might be able to accomplish next year with your continued generous support.

In the Development Office we have quite a few projects underway including the Dream House Raffle, the Calendar Sale, the All Souls Memorial, and planning for the Heritage Ball in the spring. These activities are critical to helping the Development Office raise our annual budget of \$657,000 which

represents 24% of the annual revenue. This is a critical financial source for Alleman which enables us to maintain a strong, vibrant, and affordable catholic high school in the Illinois Quad Cities. I couldn't do it without you and your tremendous support.

I want to wish each and every one of you a blessed holiday season. I hope your Thanksgiving is spent with family and good friends who remind you of the many true blessings in our lives which we often take for granted. And may your Christmas season be a joyous time in which you experience the love and joy of the Christ Child.

If ever you are in the "area", please come and see us. It is always great to see you. You are an important member of the Alleman family. You are all greatly loved by the little ole priest.

Always & ever,

Father Daniel Mirabelli, C.S.V.

Every Dollar Helps

There's no greater gift than four years at Alleman!

Please consider making a contribution to the tuition assistance through the Alumni Scholarship appeal. Any amount can make a difference! In these difficult economic times, we ask your help to bring needed assistance to our families seeking an Alleman education. The Alleman Development Office is dedicated to providing more than \$600,000 in financial assistance to our annual budget. Many tuition assistance recipients are children of alumni. Help them to carry on the Pioneer legacy. Thank you!

ALUMNI SPOTLIGHT

Our “Alumni Spotlight” this issue is on all of our very generous alumni who contributed to their alma mater and made these most recent renovations possible. Because of your continued generosity, we are able to keep the “little ole school” in good repair for future generations of Pioneers. Below are some photos of the renovations completed this summer. Thank you, from the bottom of my heart, for your love of our beautiful Alleman High School! May God bless all of you!

Rev. Daniel Minick, C.S.A.

Elite Honors for Ewald

Patrick Ewald, Class of 2012, was honored for his academic and athletic abilities by being named to the IHSA Academic All-State team and by winning the prestigious Don Morris Multi-Sport Conference Award.

Ewald was only the second student athlete in Alleman's history to be named to the elite IHSA All-State Academic Team. Nominees needed to possess a minimum 3.50 grade point average on a 4.0 scale after their seventh semester, have participated in at least two IHSA sponsored activities during each of the last two years, and demonstrated outstanding citizenship.

Ewald was in the top ten of his graduating class, participated in football, basketball and track; and was involved in numerous student organizations at Alleman, including vice president of Sigma Alpha Delta (Students Against Destructive Decisions).

Ewald is the son of Dick and Mary Ewald of Taylor Ridge. He is now attending the United States Naval Academy in Annapolis, Maryland.

2012 Athletic Hall of Fame Inductees

During a post-game ceremony on Friday, August 24, 2012, new members were inducted into the Alleman Athletic Hall of Fame. This now brings the total number of inductees to eighty. A complete list of inductees is on our website at under Athletics. There have been many great contributors to the Alleman athletic program in the past 63 years. This latest group of inductees has added their own special "Touch of Class".

Gary DeMarlie, 1958

Gary was a three year basketball letter winner, in addition to earning two varsity letters in both Baseball and Track. He led his Basketball team to an outstanding 46-13 record over a two-year period, 1956-57 & 1957-58. Gary was selected to the All-Quad City 1st team, All-Northern Illinois 1st team, and the prestigious Chicago Tribune top-25. He earned a full athletic scholarship to Regis University (Denver, CO). Gary was the Rangers' starting guard for three years, and earned four varsity letters during his 1959-62 college athletic career. He graduated with a B.S. in Business Administration. (deceased December 8, 2006)

Stacey Burgmeier Keller, 1998

Stacey was one of the most accomplished softball players in Alleman school history earning four varsity letters. She was a big part of the 1998 IHSA Class A State Championship team, and a team member on three State qualifying teams in 1995, 1997 & 1998. During her four years the Pioneers' overall team record was 108-25. Stacey was a four time All-Conference selection and part of two Western Big 6 Conference titles in 1997 & 1998. Several marks during her career still rank #1 in school history – Career at Bats (427), Games Played (139), and Runs Batted In (109). She ranks #2 in Hits (82), Doubles (28) and Triples (20). She also left her mark in the IHSA record books – ranks #4 Most Runs Scored – Inning (3) and ranks #3 Most Hits – Inning (3). Following graduation Stacey returned to serve as Alleman JV Softball coach from 1999-2005.

1988 4 X 100M Girls Relay

'89 Erika Meyers Schneider, '91 Tajwana Wells, '91 Jensie Grigsby Shannon, and '90 Jenny Van Wiel Wunderlich

This relay team dominated the track in 1988 – they won the Class A Sectional and helped Alleman win the team title. They headed to State with great expectations and won the IHSA Class A State relay Championship in a record time of 49.03. That State record stood for 17 years – and still remains an Alleman school record to this day. These same student-athletes had an outstanding year in 1989 as well – they helped claim another Class A Sectional team title and their 4 x 200m relay team went on to finish 2nd at the Class A State meet. Their time of 1:46.72 remains an Alleman school record.

Each relay member earned All-State honors and many individual accomplishments of their own. Jenny Van Weil finished 8th in the 1990 State long jump and her jump of 18'-1" in 1989 remains an Alleman school record. Jensie Grigsby finished 6th at State in the 200m in 1989 and was part of the 1991 4 x 400m relay team that earned a 6th place finish at State. She still holds school records in four events and was inducted into the Hall of Fame in 2010. During their time at Alleman they were under the direction of longtime Alleman coach, Phil Sailer.

2012 Athletic Hall of Fame Inductees

2004-05 Girls Basketball Team

The 2004-05 team finished with an outstanding 31-7 overall record on their way to the IHSA Class A State Championship! This State basketball title was a first for the Quad City area – girls or boys. During this championship season, the Pioneers also captured several other big titles – the State Farm Classic in Bloomington and Galesburg's MLK Classic. Individual honors were earned as well – Amanda Clifton was selected to the IBCA All-State 3rd team, All-Conference 1st team and shared team MVP honors with Katie Manning. Emily Chesser earned IBCA All-State 4th team and Megan Marlier was the team's Most Improved. The 2004-05 Pioneer team was chosen by the Dispatch newspaper as Player of the Year – the first and only time an entire team has been selected. If ever there was a team who embodied what a team really means – it was our 2004-05 Girls Basketball State Championship team!
