

2014-2015 VERIFICATION WORKSHEET

Your application was selected by the Department of Education for a review process called Verification. In this process, the Office of Admissions and Financial Aid will compare information from your FAFSA with actual IRS data and W-2 information for yourself and your parents. The law requires us to complete this process before determining your aid. If corrections are required to your FAFSA data, we will electronically reprocess your FAFSA with the revised information.

You must complete this form and provide copies of all requested paperwork as soon as possible to avoid delays in determining your aid eligibility.

Please print clearly when completing this form.

PART B: INCOME INFORMATION

Verification requires official 2013 IRS tax data for you and your parents. If you or your parents did not utilize the IRS Data Retrieval process when you filled out your FAFSA you will need to provide a <u>Tax Return Transcript</u> of your federal tax return (this is not the same as a photocopy of your actual tax return). Only official IRS tax return transcripts are acceptable. Transcripts may be requested at <u>www.irs.gov</u> (under tools) or by calling 1-800-908-9946. In addition to official tax return transcripts, you must also provide copies of your and your parents' W2 forms from all employers. Even if you or your parents were not required to file a tax return, copies of W2 forms from all employers are required.
