

CUTTING EDGE: *Assessing & Treating Clients with Self-Injurious Behaviors*

February 28, 2014 9am-4pm

Willingway -- 311 Jones Mill Rd., Statesboro, GA

6 clock hrs. of CE credit

Application for CEU's in GA and SC!

Description: This is a fast-paced, interesting workshop which incorporates video vignettes and case histories throughout the day in a variety of settings where counselors may encounter situations involving self-injurious/self-mutilating behaviors. Assessment tips and treatment techniques will be discussed from a variety of perspectives.

Objectives: Upon completion of this program, the participant will be able to:

- 1) Assess clients with regard to the possibility they are engaging in SIB (self-injurious behavior)
- 2) Differentiate between suicidal and parasuicidal behaviors
- 3) Understand various reasons for self-injurious behaviors, including the Addiction Model
- 4) Identify various resources available to assist with dealing with this population
- 5) Employ various interventions aimed at reducing harmful behaviors

Facilitator: Barbara Melton, M.Ed., LPC, LPCS, NCC/MAC, CACII has a private practice in downtown Charleston, S.C. and works with adult populations on a number of issues, including trauma and loss.

Sponsors: Willingway Hospital is the GA continuing education sponsor and is providing lunch for all participants; Barbara Melton/Counseling Associates is the SC continuing education sponsor for LPCs, LMFTs and social workers.
