No-Kill Adoption & Animal Services Center -- In the Business of Saving Lives

Volunteer Application

*The main guideline that **MUST** be followed
to keep our pets healthy is*

Cleanliness is next to Godliness!

BEFORE you touch any new animal,
your hands **MUST** be clean -- sanitized and/or washed!

As long as you adhere to this 'rule' and show up on time, ready to do the work needed, you will be a much welcome asset to our Shelter.

*We prefer for volunteers to work
a 3 or 4 hour shift at least two days a week.*

This allows the animals to have constant, committed attention from folks they begin to know and helps them find a home sooner....

VOLUNTEER JOB NEEDS

Walking the Dogs -- They get tired of being in their pens, but you have to know how to handle them, too....

Playing with Cats -- They love to be petted and loved on!

Office Filing -- We keep detailed records on each animal brought in to us, and files need to be maintained on a regular basis.

Food Bank Support -- We can use help bagging food and getting it ready for the folks who pick it up on a monthly basis.
