### Message from the Mayor

Dear Friends and Neighbors,

As temperatures climb and the city's trees bloom our thoughts turn to leisure time – and summertime! There's no other way to describe it: New Haven is the place to be in summer with programs and activities to capture the imagination of young people throughout our city. I'm very proud of the Department of Parks, Recreation, and Trees and its creative approach to programming so many outdoor opportunities for younger residents.

A wide variety of city-sponsored summer camps provide options for kids ranging from sports to fine arts, and from passive enjoyment of nature to robust outdoor activity. Beyond all that, the staff at these camps is trained to keep children safe while encouraging full participation – and all the self-discovery that comes along with it.

Summer vacation is a once-a-year opportunity to explore, experiment, and experience – the result is often a child transformed by the start of the new school year. I invite, suggest, and encourage all young people in New Haven to explore the available options described in this brochure and then choose the manner in which they will be engaged – and transformed – this summer in New Haven.

Have fun!

Toni N. Harp – Mayor

## Parent/Guardian Agreement

I approve this registration and certify that the proposed camper is in normal health and able to participate in camp activities. I understand that programs run by the City of New Haven's Department of Parks, Recreation & Trees are open to all people regardless of gender, race, color, religion or national origin. I have read the guidelines for campers called "Camp Information & Policies" listed on pages (4 & 5) and will abide by them.

I understand that there will be no credits or refunds of camp fees issued once camp has begun unless my child has to attend mandatory summer school or has a medical explanation, provided by a physician. A fee of \$15.00 will be charged per registration for camp changes or transfers initiated by me and for medical or mandatory summer school. I also understand that all refunds will be made upon conclusion of the summer camp season during the month of September. In cases where individuals owe taxes, refunds will not be available until tax obligations are resolved.

I understand that no refunds are given if a child leaves camp for disruptive behavior. No refunds will be provided if a camper is removed from the camp program without the written recommendation of a health care specialist. In case of early withdrawal due to accident, illness, or mandatory summer school the camp fee will be prorated.

I do hereby consent to use of my child's image to be used in promotional materials produced for, or by, the City of New Haven's Department of Parks, Recreation & Trees. This shall include, without limitation, still photographs and video clips, publication, and any trade advertising purposes, providing such uses are not made so as to constitute a direct endorsement of any product or service.
