Riverdogs who will be working with the Rookie,
MiniTad and Tadpole divisions for Spring Training
Camp. THANK YOU RIVERDOGS for giving back to
your community!

This year we are privileged to once again have one of the
top coaches in the country, Marty Lehn, as just one of the
many top calibre clinicians that will be attending the
camp:

Big League Experience Ltd. provides the highest of
quality player and coaches clinics in the country. The
ability to tap into the best coaches and clinicians in the
Northwest and Western Canada, mixed in with the years
of experience with both players and coaches have made
these clinics well sought after.

Big League Experience owner, Marty Lehn, 2004
Canadian Olympic Team coach, and Milwaukee
Brewer's Scout along with former Boston Red Sox
and Colorado Rockies organizational infielder,
Colin Dixon, bring to your town and parks a
definite Big League Experience. The experienced
Staff combines Major League Scouts and former
professional players along with National and
provincial team coaches to bring to you an elite
baseball experience.
